(5) (A) If the Secretary determines that an entity with a contract under this subsection -

(i) fails substantially to provide medically necessary items and services that are required (under law or under the contract) to be provided to an individual covered under the contract, if the failure has adversely affected (or has substantial likelihood of adversely affecting) the individual;

(ii) imposes premiums on individuals enrolled under this subsection in excess of the premiums permitted under this subchapter;

(iii) acts to discriminate among individuals in violation of the provision of paragraph (2)(A)(v), including expulsion or refusal to re-enroll an individual or engaging in any practice that would reasonably be expected to have the effect of denying or discouraging enrollment (except as permitted by this subsection) by eligible individuals with the organization whose medical condition or history indicates a need for substantial future medical services;

(iv) misrepresents or falsifies information that is furnished -

(I) to the Secretary or the State under this subsection, or

(II) to an individual or to any other entity under this subsection, (FOOTNOTE 9) or

(FOOTNOTE 9) So in original. The comma probably should be a semicolon.

(v) fails to comply with the requirements of section 1395mm(i)(8) of this title, the Secretary may provide, in addition to any other remedies available under law, for any of the remedies described in

subparagraph (B).

(B) The remedies described in this subparagraph are -

(i) civil money penalties of not more than \$25,000 for each determination under subparagraph (A), or, with respect to a determination under clause (iii) or (iv)(I) of such subparagraph, of not more than \$100,000 for each such determination, plus, with respect to a determination under subparagraph (A)(ii), double the excess amount charged in violation of such subparagraph (and the excess amount charged shall be deducted from the penalty and returned to the individual concerned), and plus, with respect to a determination under subparagraph (A)(iii), \$15,000 for each individual not enrolled as a result of a practice described in such subparagraph, or

(ii) denial of payment to the State for medical assistance furnished under the contract under this subsection for individuals enrolled after the date the Secretary notifies the organization of a determination under subparagraph (A) and until the Secretary is satisfied that the basis for such determination has been corrected and is not likely to recur.

The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under clause (i) in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title.

(6) (A) For purposes of this subsection and section 1396a(e)(2)(A) of this title, in the case of the State of New Jersey, the term ''contract'' shall be deemed to include an undertaking by the State agency, in the State plan under this subchapter, to operate a program meeting all requirements of this subsection.

(B) The undertaking described in subparagraph (A) must provide -

(i) for the establishment of a separate entity responsible for the operation of a program meeting the requirements of this subsection, which entity may be a subdivision of the State agency administering the State plan under this subchapter;

(ii) for separate accounting for the funds used to operate such program; and

(iii) for setting the capitation rates and any other payment rates for services provided in accordance with this subsection using a methodology satisfactory to the Secretary designed to ensure that total Federal matching payments under this subchapter for such services will be lower than the matching payments that would be made for the same services, if provided under the State plan on a fee for service basis to an actuarially equivalent population.

(C) The undertaking described in subparagraph (A) shall be subject to approval (and annual re-approval) by the Secretary in the same manner as a contract under this subsection.

(D) The undertaking described in subparagraph (A) shall not be eligible for a waiver under section 1396n(b) of this title.

(o) Restrictions on authorized payments to States

Notwithstanding the preceding provisions of this section, no payment shall be made to a State under the preceding provisions of this section for expenditures for medical assistance provided for an individual under its State plan approved under this subchapter to the extent that a private insurer (as defined by the Secretary by regulation and including a group health plan (as defined in

section 1167(1) of title 29), a service benefit plan, and a health maintenance organization) would have been obligated to provide such assistance but for a provision of its insurance contract which has the effect of limiting or excluding such obligation because the individual is eligible for or is provided medical assistance under the plan.

(p) Assignment of rights of payment; incentive payments for enforcement and collection

(1) When a political subdivision of a State makes, for the State of which it is a political subdivision, or one State makes, for another State, the enforcement and collection of rights of support or payment assigned under section 1396k of this title, pursuant to a cooperative arrangement under such section (either within or outside of such State), there shall be paid to such political subdivision or such other State from amounts which would otherwise represent the Federal share of payments for medical assistance provided to the eligible individuals on whose behalf such enforcement and collection was made, an amount equal to 15 percent of any amount collected which is attributable to such rights of support or payment.

(2) Where more than one jurisdiction is involved in such enforcement or collection, the amount of the incentive payment determined under paragraph (1) shall be allocated among the jurisdictions in a manner to be prescribed by the Secretary.

(q) "State medicaid fraud control unit" defined

For the purposes of this section, the term "State medicaid fraud control unit" means a single identifiable entity of the State government which the Secretary certifies (and annually recertifies) as meeting the following requirements:

(1) The entity (A) is a unit of the office of the State Attorney General or of another department of State government which possesses statewide authority to prosecute individuals for criminal violations, (B) is in a State the constitution of which does not provide for the criminal prosecution of individuals by a statewide authority and has formal procedures, approved by the Secretary, that (i) assure its referral of suspected criminal violations relating to the program under this subchapter to the appropriate authority or authorities in the State for prosecution and (ii) assure its assistance of, and coordination with, such authority or authorities in such prosecutions, or (C) has a formal working relationship with the office of the State Attorney General and has formal procedures (including procedures for its referral of suspected criminal violations to such office) which are approved by the Secretary and which provide effective coordination of activities between the entity and such office with respect to the detection, investigation, and prosecution of suspected criminal violations relating to the program under this subchapter.

(2) The entity is separate and distinct from the single State agency that administers or supervises the administration of the State plan under this subchapter.

(3) The entity's function is conducting a statewide program for the investigation and prosecution of violations of all applicable State laws regarding any and all aspects of fraud in connection with (A) any aspect of the provision of medical assistance and the activities of providers of such assistance under the State plan under this subchapter; and (B) upon the approval of the

Inspector General of the relevant Federal agency, any aspect of the provision of health care services and activities of providers of such services under any Federal health care program (as defined in section 1320a-7b(f)(1) of this title), if the suspected fraud or violation of law in such case or investigation is primarily related to the State plan under this subchapter.

(4) (A) The entity has -

(i) procedures for reviewing complaints of abuse or neglect of patients in health care facilities which receive payments under the State plan under this subchapter;

(ii) at the option of the entity, procedures for reviewing complaints of abuse or neglect of patients residing in board and care facilities; and

(iii) procedures for acting upon such complaints under the criminal laws of the State or for referring such complaints to other State agencies for action.

(B) For purposes of this paragraph, the term "'board and care facility'" means a residential setting which receives payment (regardless of whether such payment is made under the State plan under this subchapter) from or on behalf of two or more unrelated adults who reside in such facility, and for whom one or both of the following is provided:

(i) Nursing care services provided by, or under the supervision of, a registered nurse, licensed practical nurse, or licensed nursing assistant.

(ii) A substantial amount of personal care services that assist residents with the activities of daily living, including personal hygiene, dressing, bathing, eating, toileting, ambulation, transfer, positioning, self-medication, body care, travel to medical services, essential shopping, meal preparation, laundry, and housework.

(5) The entity provides for the collection, or referral for collection to a single State agency, of overpayments that are made under the State plan or under any Federal health care program (as so defined) to health care facilities and that are discovered by the entity in carrying out its activities. All funds collected in accordance with this paragraph shall be credited exclusively to, and available for expenditure under, the Federal health care program (including the State plan under this subchapter) that was subject to the activity that was the basis for the collection.

(6) The entity employs such auditors, attorneys, investigators, and other necessary personnel and is organized in such a manner as is necessary to promote the effective and efficient conduct of the entity's activities.

(7) The entity submits to the Secretary an application and annual reports containing such information as the Secretary determines, by regulation, to be necessary to determine whether the entity meets the other requirements of this subsection.

(r) Mechanized claims processing and information retrieval systems; operational, etc., requirements

(1) In order to receive payments under subsection (a) of this section for use of automated data systems in administration of the State plan under this subchapter, a State must have in operation mechanized claims processing and information retrieval systems that meet the requirements of this subsection and that the Secretary has found -

(A) are adequate to provide efficient, economical, and effective administration of such State plan;

(B) are compatible with the claims processing and information retrieval systems used in the administration of subchapter XVIII of this chapter, and for this purpose -

(i) have a uniform identification coding system for providers, other payees, and beneficiaries under this subchapter or subchapter XVIII of this chapter;

(ii) provide liaison between States and carriers and intermediaries with agreements under subchapter XVIII of this chapter to facilitate timely exchange of appropriate data; and

(iii) provide for exchange of data between the States and the Secretary with respect to persons sanctioned under this subchapter or subchapter XVIII of this chapter;

(C) are capable of providing accurate and timely data;

(D) are complying with the applicable provisions of part C of subchapter XI of this chapter;

(E) are designed to receive provider claims in standard formats to the extent specified by the Secretary; and

(F) effective for claims filed on or after January 1, 1999, provide for electronic transmission of claims data in the format specified by the Secretary and consistent with the Medicaid Statistical Information System (MSIS) (including detailed individual enrollee encounter data and other information that the Secretary may find necessary).

(2) In order to meet the requirements of this paragraph, mechanized claims processing and information retrieval systems must meet the following requirements:

(A) The systems must be capable of developing provider, physician, and patient profiles which are sufficient to provide specific information as to the use of covered types of services and items, including prescribed drugs.

(B) The State must provide that information on probable fraud or abuse which is obtained from, or developed by, the systems, is made available to the State's medicaid fraud control unit (if any) certified under subsection (q) of this section.

(C) The systems must meet all performance standards and other requirements for initial approval developed by the Secretary.

(s) Limitations on certain physician referrals

Notwithstanding the preceding provisions of this section, no payment shall be made to a State under this section for expenditures for medical assistance under the State plan consisting of a designated health service (as defined in subsection (h)(6) of section 1395nn of this title) furnished to an individual on the basis of a referral that would result in the denial of payment for the service under subchapter XVIII of this chapter if such subchapter provided for coverage of such service to the same extent and under the same terms and conditions as under the State plan, and subsections (f) and (g)(5) of such section shall apply to a provider of such a designated health service for which payment may be made under this subchapter in the same manner as such subsections apply to a provider of such a service for which payment may be made under such subchapter.

(t) Repealed. Pub. L. 97-35, title XXI, Sec. 2161(c)(2), Aug. 13, 1981, 95 Stat. 805, as amended by Pub. L. 97-248, title I, Sec. 137(a)(2), Sept. 3, 1982, 96 Stat. 376

(u) Limitation of Federal financial participation in erroneous

medical assistance expenditures

(1) (A) Notwithstanding subsection (a)(1) of this section, if the ratio of a State's erroneous excess payments for medical assistance (as defined in subparagraph (D)) to its total expenditures for medical assistance under the State plan approved under this subchapter exceeds 0.03, for the period consisting of the third and fourth quarters of fiscal year 1983, or for any full fiscal year thereafter, then the Secretary shall make no payment for such period or fiscal year with respect to so much of such erroneous excess payments as exceeds such allowable error rate of 0.03.

(B) The Secretary may waive, in certain limited cases, all or part of the reduction required under subparagraph (A) with respect to any State if such State is unable to reach the allowable error rate for a period or fiscal year despite a good faith effort by such State.

(C) In estimating the amount to be paid to a State under subsection (d) of this section, the Secretary shall take into consideration the limitation on Federal financial participation imposed by subparagraph (A) and shall reduce the estimate he makes under subsection (d)(1) of this section, for purposes of payment to the State under subsection (d)(3) of this section, in light of any expected erroneous excess payments for medical assistance (estimated in accordance with such criteria, including sampling procedures, as he may prescribe and subject to subsequent adjustment, if necessary, under subsection (d)(2) of this section).

(D) (i) For purposes of this subsection, the term "erroneous excess payments for medical assistance" means the total of -

(I) payments under the State plan with respect to ineligible individuals and families, and

(II) overpayments on behalf of eligible individuals and families by reason of error in determining the amount of expenditures for medical care required of an individual or family as a condition of eligibility.

(ii) In determining the amount of erroneous excess payments for medical assistance to an ineligible individual or family under clause (i)(I), if such ineligibility is the result of an error in determining the amount of the resources of such individual or family, the amount of the erroneous excess payment shall be the smaller of (I) the amount of the payment with respect to such individual or family, or (II) the difference between the actual amount of such resources and the allowable resource level established under the State plan.

(iii) In determining the amount of erroneous excess payments for medical assistance to an individual or family under clause (i)(II), the amount of the erroneous excess payment shall be the smaller of (I) the amount of the payment on behalf of the individual or family, or (II) the difference between the actual amount incurred for medical care by the individual or family and the amount which should have been incurred in order to establish eligibility for medical assistance.

(iv) In determining the amount of erroneous excess payments, there shall not be included any error resulting from a failure of an individual to cooperate or give correct information with respect to third-party liability as required under section 1396k(a)(1)(C) or 602(a)(26)(C) (FOOTNOTE 01) of this title or with respect to payments made in violation of section 1396e of this title.

(FOOTNOTE 01) See References in Text note below.

(v) In determining the amount of erroneous excess payments, there shall not be included any erroneous payments made for ambulatory prenatal care provided during a presumptive eligibility period (as defined in section 1396r-1(b)(1) of this title), for items and services described in subsection (a) of section 1396r-1a of this title provided to a child during a presumptive eligibility period under such section, or for medical assistance provided to an individual described in subsection (a) of section 1396r-1b of this title during a presumptive eligibility period under such section.

(E) For purposes of subparagraph (D), there shall be excluded, in determining both erroneous excess payments for medical assistance and total expenditures for medical assistance -

(i) payments with respect to any individual whose eligibility therefor was determined exclusively by the Secretary under an agreement pursuant to section 1383c of this title and such other classes of individuals as the Secretary may by regulation prescribe whose eligibility was determined in part under such an agreement; and

(ii) payments made as the result of a technical error.

(2) The State agency administering the plan approved under this subchapter shall, at such times and in such form as the Secretary may specify, provide information on the rates of erroneous excess payments made (or expected, with respect to future periods specified by the Secretary) in connection with its administration of such plan, together with any other data he requests that are reasonably necessary for him to carry out the provisions of this subsection.

(3) (A) If a State fails to cooperate with the Secretary in providing information necessary to carry out this subsection, the Secretary, directly or through contractual or such other arrangements as he may find appropriate, shall establish the error rates for that State on the basis of the best data reasonably available to him and in accordance with such techniques for sampling and estimating as he finds appropriate.

(B) In any case in which it is necessary for the Secretary to exercise his authority under subparagraph (A) to determine a State's error rates for a fiscal year, the amount that would otherwise be payable to such State under this subchapter for quarters in such year shall be reduced by the costs incurred by the Secretary in making (directly or otherwise) such determination.

(4) This subsection shall not apply with respect to Puerto Rico, Guam, the Virgin Islands, the Northern Mariana Islands, or American Samoa.

(v) Medical assistance to aliens not lawfully admitted for permanent residence

(1) Notwithstanding the preceding provisions of this section, except as provided in paragraph (2), no payment may be made to a State under this section for medical assistance furnished to an alien who is not lawfully admitted for permanent residence or otherwise permanently residing in the United States under color of law.

(2) Payment shall be made under this section for care and services that are furnished to an alien described in paragraph (1) only if -

(A) such care and services are necessary for the treatment of an emergency medical condition of the alien,

(B) such alien otherwise meets the eligibility requirements for

medical assistance under the State plan approved under this subchapter (other than the requirement of the receipt of aid or assistance under subchapter IV of this chapter, supplemental security income benefits under subchapter XVI of this chapter, or a State supplementary payment), and

(C) such care and services are not related to an organ transplant procedure.

(3) For purposes of this subsection, the term "'emergency medical condition'" means a medical condition (including emergency labor and delivery) manifesting itself by acute symptoms of sufficient severity (including severe pain) such that the absence of immediate medical attention could reasonably be expected to result in -

(A) placing the patient's health in serious jeopardy,

(B) serious impairment to bodily functions, or

(C) serious dysfunction of any bodily organ or part.

(w) Prohibition on use of voluntary contributions, and limitation on use of provider-specific taxes to obtain Federal financial participation under medicaid

(1) (A) Notwithstanding the previous provisions of this section, for purposes of determining the amount to be paid to a State (as defined in paragraph (7) (D)) under subsection (a) (1) of this section for quarters in any fiscal year, the total amount expended during such fiscal year as medical assistance under the State plan (as determined without regard to this subsection) shall be reduced by the sum of any revenues received by the State (or by a unit of local government in the State) during the fiscal year -

(i) from provider-related donations (as defined in paragraph

(2) (A)), other than -

(I) bona fide provider-related donations (as defined in paragraph (2) (B)), and

(II) donations described in paragraph (2) (C);

(ii) from health care related taxes (as defined in paragraph (3) (A)), other than broad-based health care related taxes (as defined in paragraph (3) (B));

(iii) from a broad-based health care related tax, if there is in effect a hold harmless provision (described in paragraph (4)) with respect to the tax; or

(iv) only with respect to State fiscal years (or portions thereof) occurring on or after January 1, 1992, and before October 1, 1995, from broad-based health care related taxes to the extent the amount of such taxes collected exceeds the limit established under paragraph (5).

(B) Notwithstanding the previous provisions of this section, for purposes of determining the amount to be paid to a State under subsection (a) (7) of this section for all quarters in a Federal fiscal year (beginning with fiscal year 1993), the total amount expended during the fiscal year for administrative expenditures under the State plan (as determined without regard to this subsection) shall be reduced by the sum of any revenues received by the State (or by a unit of local government in the State) during such quarters from donations described in paragraph (2) (C), to the extent the amount of such donations exceeds 10 percent of the amounts expended under the State plan under this subchapter during the fiscal year for purposes described in paragraphs (2), (3), (4), (6), and (7) of subsection (a) of this section.

(C) (i) Except as otherwise provided in clause (ii), subparagraph

(A) (i) shall apply to donations received on or after January 1,

1992.

(ii) Subject to the limits described in clause (iii) and subparagraph (E), subparagraph (A)(i) shall not apply to donations received before the effective date specified in subparagraph (F) if such donations are received under programs in effect or as described in State plan amendments or related documents submitted to the Secretary by September 30, 1991, and applicable to State fiscal year 1992, as demonstrated by State plan amendments, written agreements, State budget documentation, or other documentary evidence in existence on that date.

(iii) In applying clause (ii) in the case of donations received in State fiscal year 1993, the maximum amount of such donations to which such clause may be applied may not exceed the total amount of such donations received in the corresponding period in State fiscal year 1992 (or not later than 5 days after the last day of the corresponding period).

(D)(i) Except as otherwise provided in clause (ii), subparagraphs (A)(ii) and (A)(iii) shall apply to taxes received on or after January 1, 1992.

(ii) Subparagraphs (A)(ii) and (A)(iii) shall not apply to impermissible taxes (as defined in clause (iii)) received before the effective date specified in subparagraph (F) to the extent the taxes (including the tax rate or base) were in effect, or the legislation or regulations imposing such taxes were enacted or adopted, as of November 22, 1991.

(iii) In this subparagraph and subparagraph (E), the term "'impermissible tax'" means a health care related tax for which a reduction may be made under clause (ii) or (iii) of subparagraph (A).

(E)(i) In no case may the total amount of donations and taxes permitted under the exception provided in subparagraphs (C)(ii) and (D)(ii) for the portion of State fiscal year 1992 occurring during calendar year 1992 exceed the limit under paragraph (5) minus the total amount of broad-based health care related taxes received in the portion of that fiscal year.

(ii) In no case may the total amount of donations and taxes permitted under the exception provided in subparagraphs (C)(ii) and (D)(ii) for State fiscal year 1993 exceed the limit under paragraph (5) minus the total amount of broad-based health care related taxes received in that fiscal year.

(F) In this paragraph in the case of a State -

(i) except as provided in clause (iii), with a State fiscal year beginning on or before July 1, the effective date is October 1, 1992,

(ii) except as provided in clause (iii), with a State fiscal year that begins after July 1, the effective date is January 1, 1993, or

(iii) with a State legislature which is not scheduled to have a regular legislative session in 1992, with a State legislature which is not scheduled to have a regular legislative session in 1993, or with a provider-specific tax enacted on November 4, 1991, the effective date is July 1, 1993.

(2)(A) In this subsection (except as provided in paragraph (6)), the term "'provider-related donation'" means any donation or other voluntary payment (whether in cash or in kind) made (directly or indirectly) to a State or unit of local government by -

(i) a health care provider (as defined in paragraph (7)(B)),

(ii) an entity related to a health care provider (as defined in paragraph (7)(C)), or

(iii) an entity providing goods or services under the State plan for which payment is made to the State under paragraph (2), (3), (4), (6), or (7) of subsection (a) of this section.

(B) For purposes of paragraph (1)(A)(i)(I), the term "'bona fide provider-related donation'" means a provider-related donation that has no direct or indirect relationship (as determined by the Secretary) to payments made under this subchapter to that provider, to providers furnishing the same class of items and services as that provider, or to any related entity, as established by the State to the satisfaction of the Secretary. The Secretary may by regulation specify types of provider-related donations described in the previous sentence that will be considered to be bona fide provider-related donations.

(C) For purposes of paragraph (1)(A)(i)(II), donations described in this subparagraph are funds expended by a hospital, clinic, or similar entity for the direct cost (including costs of training and of preparing and distributing outreach materials) of State or local agency personnel who are stationed at the hospital, clinic, or entity to determine the eligibility of individuals for medical assistance under this subchapter and to provide outreach services to eligible or potentially eligible individuals.

(3)(A) In this subsection (except as provided in paragraph (6)), the term "'health care related tax'" means a tax (as defined in paragraph (7)(F)) that -

(i) is related to health care items or services, or to the provision of, the authority to provide, or payment for, such items or services, or

(ii) is not limited to such items or services but provides for treatment of individuals or entities that are providing or paying for such items or services that is different from the treatment provided to other individuals or entities.

In applying clause (i), a tax is considered to relate to health care items or services if at least 85 percent of the burden of such tax falls on health care providers.

(B) In this subsection, the term "'broad-based health care related tax'" means a health care related tax which is imposed with respect to a class of health care items or services (as described in paragraph (7)(A)) or with respect to providers of such items or services and which, except as provided in subparagraphs (D), (E), and (F) -

(i) is imposed at least with respect to all items or services in the class furnished by all non-Federal, nonpublic providers in the State (or, in the case of a tax imposed by a unit of local government, the area over which the unit has jurisdiction) or is imposed with respect to all non-Federal, nonpublic providers in the class; and

(ii) is imposed uniformly (in accordance with subparagraph (C)).

(C)(i) Subject to clause (ii), for purposes of subparagraph (B)(ii), a tax is considered to be imposed uniformly if -

(I) in the case of a tax consisting of a licensing fee or similar tax on a class of health care items or services (or providers of such items or services), the amount of the tax imposed is the same for every provider providing items or services within the class;

(II) in the case of a tax consisting of a licensing fee or similar tax imposed on a class of health care items or services (or providers of such services) on the basis of the number of beds (licensed or otherwise) of the provider, the amount of the tax is the same for each bed of each provider of such items or services in the class;

(III) in the case of a tax based on revenues or receipts with respect to a class of items or services (or providers of items or services) the tax is imposed at a uniform rate for all items and services (or providers of such items or services) in the class on all the gross revenues or receipts, or net operating revenues, relating to the provision of all such items or services (or all such providers) in the State (or, in the case of a tax imposed by a unit of local government within the State, in the area over which the unit has jurisdiction); or

(IV) in the case of any other tax, the State establishes to the satisfaction of the Secretary that the tax is imposed uniformly.

(ii) Subject to subparagraphs (D) and (E), a tax imposed with respect to a class of health care items and services is not considered to be imposed uniformly if the tax provides for any credits, exclusions, or deductions which have as their purpose or effect the return to providers of all or a portion of the tax paid in a manner that is inconsistent with subclauses (I) and (II) of subparagraph (E)(ii) or provides for a hold harmless provision described in paragraph (4).

(D) A tax imposed with respect to a class of health care items and services is considered to be imposed uniformly -

(i) notwithstanding that the tax is not imposed with respect to items or services (or the providers thereof) for which payment is made under a State plan under this subchapter or subchapter XVIII of this chapter, or

(ii) in the case of a tax described in subparagraph (C)(i)(III), notwithstanding that the tax provides for exclusion (in whole or in part) of revenues or receipts from a State plan under this subchapter or subchapter XVIII of this chapter.

(E)(i) A State may submit an application to the Secretary requesting that the Secretary treat a tax as a broad-based health care related tax, notwithstanding that the tax does not apply to all health care items or services in class (or all providers of such items and services), provides for a credit, deduction, or exclusion, is not applied uniformly, or otherwise does not meet the requirements of subparagraph (B) or (C). Permissible waivers may include exemptions for rural or sole-community providers.

(ii) The Secretary shall approve such an application if the State establishes to the satisfaction of the Secretary that -

(I) the net impact of the tax and associated expenditures under this subchapter as proposed by the State is generally redistributive in nature, and

(II) the amount of the tax is not directly correlated to payments under this subchapter for items or services with respect to which the tax is imposed.

The Secretary shall by regulation specify types of credits, exclusions, and deductions that will be considered to meet the requirements of this subparagraph.

(F) In no case shall a tax not qualify as a broad-based health care related tax under this paragraph because it does not apply to a hospital that is described in section 501(c)(3) of the Internal

Revenue Code of 1986 and exempt from taxation under section 501(a) of such Code and that does not accept payment under the State plan under this subchapter or under subchapter XVIII of this chapter.

(4) For purposes of paragraph (1)(A)(iii), there is in effect a hold harmless provision with respect to a broad-based health care related tax imposed with respect to a class of items or services if the Secretary determines that any of the following applies:

(A) The State or other unit of government imposing the tax provides (directly or indirectly) for a payment (other than under this subchapter) to taxpayers and the amount of such payment is positively correlated either to the amount of such tax or to the difference between the amount of the tax and the amount of payment under the State plan.

(B) All or any portion of the payment made under this subchapter to the taxpayer varies based only upon the amount of the total tax paid.

(C) The State or other unit of government imposing the tax provides (directly or indirectly) for any payment, offset, or waiver that guarantees to hold taxpayers harmless for any portion of the costs of the tax.

The provisions of this paragraph shall not prevent use of the tax to reimburse health care providers in a class for expenditures under this subchapter nor preclude States from relying on such reimbursement to justify or explain the tax in the legislative process.

(5)(A) For purposes of this subsection, the limit under this subparagraph with respect to a State is an amount equal to 25 percent (or, if greater, the State base percentage, as defined in subparagraph (B)) of the non-Federal share of the total amount expended under the State plan during a State fiscal year (or portion thereof), as it would be determined pursuant to paragraph (1)(A) without regard to paragraph (1)(A)(iv).

(B)(i) In subparagraph (A), the term "State base percentage" means, with respect to a State, an amount (expressed as a percentage) equal to -

(I) the total of the amount of health care related taxes (whether or not broad-based) and the amount of provider-related donations (whether or not bona fide) projected to be collected (in accordance with clause (ii)) during State fiscal year 1992, divided by

(II) the non-Federal share of the total amount estimated to be expended under the State plan during such State fiscal year.

(ii) For purposes of clause (i)(I), in the case of a tax that is not in effect throughout State fiscal year 1992 or the rate (or base) of which is increased during such fiscal year, the Secretary shall project the amount to be collected during such fiscal year as if the tax (or increase) were in effect during the entire State fiscal year.

(C)(i) The total amount of health care related taxes under subparagraph (B)(i)(I) shall be determined by the Secretary based on only those taxes (including the tax rate or base) which were in effect, or for which legislation or regulations imposing such taxes were enacted or adopted, as of November 22, 1991.

(ii) The amount of provider-related donations under subparagraph (B)(i)(I) shall be determined by the Secretary based on programs in effect on September 30, 1991, and applicable to State fiscal year 1992, as demonstrated by State plan amendments, written agreements,

State budget documentation, or other documentary evidence in existence on that date.

(FOOTNOTE 5) See References in Text note below.

(2) No individual shall be a qualified family member for any period after September 30, 1998.

(n) 'Qualified pregnant woman or child' defined

The term 'qualified pregnant woman or child' means -

(o) Optional hospice benefits

(1) (A) Subject to subparagraph (B), the term 'hospice care' means the care described in section 1395x(dd)(1) of this title furnished by a hospice program (as defined in section 1395x(dd)(2) of this title) to a terminally ill individual who has voluntarily elected (in accordance with paragraph (2)) to have payment made for

hospice care instead of having payment made for certain benefits described in section 1395d(d)(2)(A) of this title and for which payment may otherwise be made under subchapter XVIII of this chapter and intermediate care facility services under the plan. For purposes of such election, hospice care may be provided to an individual while such individual is a resident of a skilled nursing facility or intermediate care facility, but the only payment made under the State plan shall be for the hospice care.

(B) For purposes of this subchapter, with respect to the definition of hospice program under section 1395x(dd)(2) of this title, the Secretary may allow an agency or organization to make the assurance under subparagraph (A)(iii) of such section without taking into account any individual who is afflicted with acquired immune deficiency syndrome (AIDS).

(2) An individual's voluntary election under this subsection -

(A) shall be made in accordance with procedures that are established by the State and that are consistent with the procedures established under section 1395d(d)(2) of this title;

(B) shall be for such a period or periods (which need not be the same periods described in section 1395d(d)(1) of this title) as the State may establish; and

(C) may be revoked at any time without a showing of cause and may be modified so as to change the hospice program with respect to which a previous election was made.

(3) In the case of an individual -

(A) who is residing in a nursing facility or intermediate care facility for the mentally retarded and is receiving medical assistance for services in such facility under the plan,

(B) who is entitled to benefits under part A of subchapter XVIII of this chapter and has elected, under section 1395d(d) of this title, to receive hospice care under such part, and

(C) with respect to whom the hospice program under such subchapter and the nursing facility or intermediate care facility for the mentally retarded have entered into a written agreement under which the program takes full responsibility for the professional management of the individual's hospice care and the facility agrees to provide room and board to the individual, instead of any payment otherwise made under the plan with respect to the facility's services, the State shall provide for payment to the hospice program of an amount equal to the additional amount determined in section 1396a(a)(13)(B) of this title and, if the individual is an individual described in section 1396a(a)(10)(A) of this title, shall provide for payment of any coinsurance amounts imposed under section 1395e(a)(4) of this title.

(p) Qualified medicare beneficiary; medicare cost-sharing

(1) The term "'qualified medicare beneficiary'" means an individual -

(A) who is entitled to hospital insurance benefits under part A of subchapter XVIII of this chapter (including an individual entitled to such benefits pursuant to an enrollment under section 1395i-2 of this title, but not including an individual entitled to such benefits only pursuant to an enrollment under section 1395i-2a of this title),

(B) whose income (as determined under section 1382a of this title for purposes of the supplemental security income program, except as provided in paragraph (2)(D)) does not exceed an income level established by the State consistent with paragraph (2), and

(C) whose resources (as determined under section 1382b of this title for purposes of the supplemental security income program) do not exceed twice the maximum amount of resources that an individual may have and obtain benefits under that program.

(2)(A) The income level established under paragraph (1)(B) shall be at least the percent provided under subparagraph (B) (but not more than 100 percent) of the official poverty line (as defined by the Office of Management and Budget, and revised annually in accordance with section 9902(2) of this title) applicable to a family of the size involved.

(B) Except as provided in subparagraph (C), the percent provided under this clause, with respect to eligibility for medical assistance on or after -

- (i) January 1, 1989, is 85 percent,
- (ii) January 1, 1990, is 90 percent, and
- (iii) January 1, 1991, is 100 percent.

(C) In the case of a State which has elected treatment under section 1396a(f) of this title and which, as of January 1, 1987, used an income standard for individuals age 65 or older which was more restrictive than the income standard established under the supplemental security income program under subchapter XVI of this chapter, the percent provided under subparagraph (B), with respect to eligibility for medical assistance on or after -

- (i) January 1, 1989, is 80 percent,

(D)(i) In determining under this subsection the income of an individual who is entitled to monthly insurance benefits under subchapter II of this chapter for a transition month (as defined in clause (ii)) in a year, such income shall not include any amounts attributable to an increase in the level of monthly insurance benefits payable under such subchapter which have occurred pursuant to section 415(i) of this title for benefits payable for months beginning with December of the previous year.

(ii) For purposes of clause (i), the term "transition month" means each month in a year through the month following the month in which the annual revision of the official poverty line, referred to in subparagraph (A), is published.

(3) The term "medicare cost-sharing" means (subject to section 1396a(n)(2) of this title) the following costs incurred with respect to a qualified medicare beneficiary, without regard to whether the costs incurred were for items and services for which medical assistance is otherwise available under the plan:

- (A)(i) premiums under section 1395i-2 or 1395i-2a of this title, and
  - (ii) premiums under section 1395r of this title, (FOOTNOTE 6)

(C) Deductibles established under subchapter XVIII of this chapter (including those described in section 1395e of this title and section 1395l(b) of this title).

(D) The difference between the amount that is paid under section 1395l(a) of this title and the amount that would be paid under such section if any reference to "80 percent" therein

were deemed a reference to ''100 percent''. Such term also may include, at the option of a State, premiums for enrollment of a qualified medicare beneficiary with an eligible organization under section 1395mm of this title.

(4) Notwithstanding any other provision of this subchapter, in the case of a State (other than the 50 States and the District of Columbia) -

(A) the requirement stated in section 1396a(a)(10)(E) of this title shall be optional, and

(B) for purposes of paragraph (2), the State may substitute for the percent provided under subparagraph (B) (FOOTNOTE 7) or (FOOTNOTE 8) 1396a(a)(10)(E)(iii) of this title of such paragraph (FOOTNOTE 7) any percent.

(FOOTNOTE 7) So in original. The words ''of such paragraph'' probably should follow ''subparagraph (B)''.

(FOOTNOTE 8) So in original. Probably should be ''or section''. In the case of any State which is providing medical assistance to its residents under a waiver granted under section 1315 of this title, the Secretary shall require the State to meet the requirement of section 1396a(a)(10)(E) of this title in the same manner as the State would be required to meet such requirement if the State had in effect a plan approved under this subchapter.

(5)(A) The Secretary shall develop and distribute to States a simplified application form for use by individuals (including both qualified medicare beneficiaries and specified low-income medicare beneficiaries) in applying for medical assistance for medicare cost-sharing under this subchapter in the States which elect to use such form. Such form shall be easily readable by applicants and uniform nationally.

(B) In developing such form, the Secretary shall consult with beneficiary groups and the States.

(6) For provisions relating to outreach efforts to increase awareness of the availability of medicare cost-sharing, see section 1320b-14 of this title.

(B) was eligible for medical assistance under the State plan approved under this subchapter; and

(2) with respect to whom the Commissioner of Social Security determines that -

(A) the individual continues to be blind or continues to have the disabling physical or mental impairment on the basis of which he was found to be under a disability and, except for his earnings, continues to meet all non-disability-related requirements for eligibility for benefits under subchapter XVI of this chapter,

(B) the income of such individual would not, except for his

earnings, be equal to or in excess of the amount which would cause him to be ineligible for payments under section 1382(b) of this title (if he were otherwise eligible for such payments),

(C) the lack of eligibility for benefits under this subchapter would seriously inhibit his ability to continue or obtain employment, and

(D) the individual's earnings are not sufficient to allow him to provide for himself a reasonable equivalent of the benefits under subchapter XVI of this chapter (including any federally administered State supplementary payments), this subchapter, and publicly funded attendant care services (including personal care assistance) that would be available to him in the absence of such earnings.

In the case of an individual who is eligible for medical assistance pursuant to section 1382h(b) of this title in June, 1987, the individual shall be a qualified severely impaired individual for so long as such individual meets the requirements of paragraph (2).

Nothing in this subchapter shall be construed as limiting providers of early and periodic screening, diagnostic, and treatment services to providers who are qualified to provide all of the items and services described in the previous sentence or as preventing a provider that is qualified under the plan to furnish one or more (but not all) of such items or services from being qualified to provide such items and services as part of early and periodic screening, diagnostic, and treatment services. The Secretary shall, not later than July 1, 1990, and every 12 months thereafter, develop and set annual participation goals for each State for participation of individuals who are covered under the State plan under this subchapter in early and periodic screening, diagnostic, and treatment services.

(3) For purposes of subsection (b) of this section, the expenditures described in this paragraph are expenditures for medical assistance for children who are born before October 1, 1983, and who would be described in section 1396a(l)(1)(D) of this title if they had been born on or after such date, and who are not eligible for such assistance under the State plan under this subchapter based on such State plan as in effect as of March 31, 1997.

CHAPTER 7 - SOCIAL SECURITY  
SUBCHAPTER XIX - GRANTS TO STATES FOR MEDICAL ASSISTANCE PROGRAMS

-HEAD-

Sec. 1396e. Enrollment of individuals under group health plans

-STATUTE-

(a) Requirements of each State plan; guidelines

Each State plan -

(1) may implement guidelines established by the Secretary, consistent with subsection (b) of this section, to identify those cases in which enrollment of an individual otherwise entitled to medical assistance under this subchapter in a group health plan (in which the individual is otherwise eligible to be enrolled) is cost-effective (as defined in subsection (e)(2) of this section);

(2) may require, in case of an individual so identified and as a condition of the individual being or remaining eligible for medical assistance under this subchapter and subject to subsection (b)(2) of this section, notwithstanding any other provision of this subchapter, that the individual (or in the case of a child, the child's parent) apply for enrollment in the group health plan; and

(3) in the case of such enrollment (except as provided in subsection (c)(1)(B) of this section), shall provide for payment of all enrollee premiums for such enrollment and all deductibles, coinsurance, and other cost-sharing obligations for items and services otherwise covered under the State plan under this subchapter (exceeding the amount otherwise permitted under section 1396o of this title), and shall treat coverage under the group health plan as a third party liability (under section 1396a(a)(25) of this title).

(b) Timing of enrollment; failure to enroll

(1) In establishing guidelines under subsection (a)(1) of this section, the Secretary shall take into account that an individual may only be eligible to enroll in group health plans at limited times and only if other individuals (not entitled to medical assistance under the plan) are also enrolled in the plan simultaneously.

(2) If a parent of a child fails to enroll the child in a group health plan in accordance with subsection (a)(2) of this section, such failure shall not affect the child's eligibility for benefits under this subchapter.

(c) Premiums considered payments for medical assistance; eligibility

(1)(A) In the case of payments of premiums, deductibles, coinsurance, and other cost-sharing obligations under this section shall be considered, for purposes of section 1396b(a) of this title, to be payments for medical assistance.

(B) If all members of a family are not eligible for medical assistance under this subchapter and enrollment of the members so eligible in a group health plan is not possible without also enrolling members not so eligible -

(i) payment of premiums for enrollment of such other members shall be treated as payments for medical assistance for eligible individuals, if it would be cost-effective (taking into account payment of all such premiums), but

(ii) payment of deductibles, coinsurance, and other cost-sharing obligations for such other members shall not be treated as payments for medical assistance for eligible individuals.

(2) The fact that an individual is enrolled in a group health plan under this section shall not change the individual's eligibility for benefits under the State plan, except insofar as section 1396a(a)(25) of this title provides that payment for such

benefits shall first be made by such plan.

(d) Repealed. Pub. L. 105-33, title IV, Sec. 4741(b)(2), Aug. 5, 1997, 111 Stat. 523

(e) Definitions

In this section:

(1) The term "'group health plan'" has the meaning given such term in section 5000(b)(1) of the Internal Revenue Code of 1986, and includes the provision of continuation coverage by such a plan pursuant to title XXII of the Public Health Service Act (42 U.S.C. 300bb-1 et seq.), section 4980B of the Internal Revenue Code of 1986, or title VI (FOOTNOTE 1) of the Employee Retirement Income Security Act of 1974.

(FOOTNOTE 1) See References in Text note below.

(2) The term "'cost-effective'" means, as established by the Secretary, that the reduction in expenditures under this subchapter with respect to an individual who is enrolled in a group health plan is likely to be greater than the additional expenditures for premiums and cost-sharing required under this section with respect to such enrollment.

Sec. 1396g. State programs for licensing of administrators of  
nursing homes

-STATUTE-

(a) Nature of State program

For purposes of section 1396a(a)(29) of this title, a "State program for the licensing of administrators of nursing homes" is a program which provides that no nursing home within the State may operate except under the supervision of an administrator licensed in the manner provided in this section.

(b) Licensing by State agency or board representative of concerned professions and institutions

Licensing of nursing home administrators shall be carried out by the agency of the State responsible for licensing under the healing arts licensing act of the State, or, in the absence of such act or such an agency, a board representative of the professions and institutions concerned with care of chronically ill and infirm aged patients and established to carry out the purposes of this section.

(c) Functions and duties of State agency or board

It shall be the function and duty of such agency or board to -

(1) develop, impose, and enforce standards which must be met by individuals in order to receive a license as a nursing home administrator, which standards shall be designed to insure that nursing home administrators will be individuals who are of good character and are otherwise suitable, and who, by training or experience in the field of institutional administration, are qualified to serve as nursing home administrators;

(2) develop and apply appropriate techniques, including examinations and investigations, for determining whether an individual meets such standards;

(3) issue licenses to individuals determined, after the application of such techniques, to meet such standards, and revoke or suspend licenses previously issued by the board in any case where the individual holding any such license is determined substantially to have failed to conform to the requirements of such standards;

(4) establish and carry out procedures designed to insure that individuals licensed as nursing home administrators will, during any period that they serve as such, comply with the requirements of such standards;

(5) receive, investigate, and take appropriate action with respect to, any charge or complaint filed with the board to the effect that any individual licensed as a nursing home administrator has failed to comply with the requirements of such standards; and

(6) conduct a continuing study and investigation of nursing homes and administrators of nursing homes within the State with a view to the improvement of the standards imposed for the licensing of such administrators and of procedures and methods for the enforcement of such standards with respect to

administrators of nursing homes who have been licensed as such.  
(d) Waiver of standards other than good character or suitability standards

No State shall be considered to have failed to comply with the provisions of section 1396a(a)(29) of this title because the agency or board of such State (established pursuant to subsection (b) of this section) shall have granted any waiver, with respect to any individual who, during all of the three calendar years immediately preceding the calendar year in which the requirements prescribed in section 1396a(a)(29) of this title are first met by the State, has served as a nursing home administrator, of any of the standards developed, imposed, and enforced by such agency or board pursuant to subsection (c) of this section.

(e) 'Nursing home' and 'nursing home administrator' defined

As used in this section, the term -

(1) 'nursing home' means any institution or facility defined as such for licensing purposes under State law, or, if State law does not employ the term nursing home, the equivalent term or terms as determined by the Secretary, but does not include a religious nonmedical health care institution (as defined in section 1395x(ss)(1) of this title). (FOOTNOTE 1)

(FOOTNOTE 1) So in original. The period probably should be ';' and''.

(2) 'nursing home administrator' means any individual who is charged with the general administration of a nursing home whether or not such individual has an ownership interest in such home and whether or not his functions and duties are shared with one or more other individuals.

##### AMENDMENTS

1997 - Subsec. (e)(1). Pub. L. 105-33 which directed substitution of 'a religious nonmedical health care institution (as defined in section 1395x(ss)(1) of this title).' for 'a Christian Science sanatorium operated, or listed and certified, by the First Church

of Christ, Scientist, Boston, Massachusetts; and'' in ''Section 1908(e)(1) (42 U.S.C. 1396g-1(e)(1))'' of the Social Security Act, was executed by making the substitution in subsec. (e)(1) of this section to reflect the probable intent of Congress, because section 1396g-1 of this title, which is also section 1908 of the Social Security Act, does not have a subsec. (e).

1996 - Subsec. (e)(1). Pub. L. 104-193, which directed substitution of ''The Commission for Accreditation of Christian Science Nursing Organizations/Facilities, Inc.'' for ''The First Church of Christ, Scientist, Boston, Massachusetts'' in section 1908(e)(1) of the Social Security Act (42 U.S.C. 1396g-1(e)(1)) could not be executed to this section or section 1396g-1 of this title, both of which are section 1908. Section 1396g-1 does not have a subsec. (e) and subsec. (e)(1) of this section does not contain the quoted language with the word ''the'' capitalized.

1973 - Subsec. (d). Pub. L. 93-233 struck out second sentence reading substantially the same as the first sentence but containing the following additional text reading ''other than such standards as relate to good character or suitability if -

''(1) such waiver is for a period which ends after being in effect for two years or on June 30, 1972, whichever is earlier, and

''(2) there is provided in the State (during all of the period for which waiver is in effect), a program of training and instruction designed to enable all individuals with respect to whom any such waiver is granted, to attain the qualifications necessary in order to meet such standards'' and also ''calendar year'' instead of ''three calendar years'' and reference to ''subsection (c)(1) of this section'' instead of ''subsection (c) of this section''.

Sec. 1396g-1. Required laws relating to medical child support

-STATUTE-

(a) In general

The laws relating to medical child support, which a State is required to have in effect under section 1396a(a) (60) of this title, are as follows:

(1) A law that prohibits an insurer from denying enrollment of a child under the health coverage of the child's parent on the ground that -

(A) the child was born out of wedlock,

(B) the child is not claimed as a dependent on the parent's Federal income tax return, or

(C) the child does not reside with the parent or in the insurer's service area.

(2) In any case in which a parent is required by a court or administrative order to provide health coverage for a child and the parent is eligible for family health coverage through an insurer, a law that requires such insurer -

(A) to permit such parent to enroll under such family coverage any such child who is otherwise eligible for such coverage (without regard to any enrollment season restrictions);

(B) if such a parent is enrolled but fails to make application to obtain coverage of such child, to enroll such child under such family coverage upon application by the child's other parent or by the State agency administering the

program under this subchapter or part D of subchapter IV of this chapter; and

(C) not to disenroll (or eliminate coverage of) such a child unless the insurer is provided satisfactory written evidence that -

(i) such court or administrative order is no longer in effect, or

(ii) the child is or will be enrolled in comparable health coverage through another insurer which will take effect not later than the effective date of such disenrollment.

(3) In any case in which a parent is required by a court or administrative order to provide health coverage for a child and the parent is eligible for family health coverage through an employer doing business in the State, a law that requires such employer -

(A) to permit such parent to enroll under such family coverage any such child who is otherwise eligible for such coverage (without regard to any enrollment season restrictions);

(B) if such a parent is enrolled but fails to make application to obtain coverage of such child, to enroll such child under such family coverage upon application by the child's other parent or by the State agency administering the program under this subchapter or part D of subchapter IV of this chapter; and

(C) not to disenroll (or eliminate coverage of) any such child unless -

(i) the employer is provided satisfactory written evidence that -

(I) such court or administrative order is no longer in effect, or

(II) the child is or will be enrolled in comparable health coverage which will take effect not later than the effective date of such disenrollment, or

(ii) the employer has eliminated family health coverage for all of its employees; and

(D) to withhold from such employee's compensation the employee's share (if any) of premiums for health coverage (except that the amount so withheld may not exceed the maximum amount permitted to be withheld under section 1673(b) of title 15), and to pay such share of premiums to the insurer, except that the Secretary may provide by regulation for appropriate circumstances under which an employer may withhold less than such employee's share of such premiums.

(4) A law that prohibits an insurer from imposing requirements on a State agency, which has been assigned the rights of an individual eligible for medical assistance under this subchapter and covered for health benefits from the insurer, that are different from requirements applicable to an agent or assignee of any other individual so covered.

(5) A law that requires an insurer, in any case in which a child has health coverage through the insurer of a noncustodial parent -

(A) to provide such information to the custodial parent as may be necessary for the child to obtain benefits through such coverage;

(B) to permit the custodial parent (or provider, with the

custodial parent's approval) to submit claims for covered services without the approval of the noncustodial parent; and

(C) to make payment on claims submitted in accordance with subparagraph (B) directly to such custodial parent, the provider, or the State agency.

(6) A law that permits the State agency under this subchapter to garnish the wages, salary, or other employment income of, and requires withholding amounts from State tax refunds to, any person who -

(A) is required by court or administrative order to provide coverage of the costs of health services to a child who is eligible for medical assistance under this subchapter,

(B) has received payment from a third party for the costs of such services to such child, but

(C) has not used such payments to reimburse, as appropriate, either the other parent or guardian of such child or the provider of such services,

to the extent necessary to reimburse the State agency for expenditures for such costs under its plan under this subchapter, but any claims for current or past-due child support shall take priority over any such claims for the costs of such services.

Sec. 1396i. Certification and approval of rural health clinics and intermediate care facilities for mentally retarded

-STATUTE-

(a) (1) Whenever the Secretary certifies a facility in a State to be qualified as a rural health clinic under subchapter XVIII of this chapter, such facility shall be deemed to meet the standards for certification as a rural health clinic for purposes of providing rural health clinic services under this title.

(2) The Secretary shall notify the State agency administering the medical assistance plan of his approval or disapproval of any facility in that State which has applied for certification by him as a qualified rural health clinic.

(b) (1) The Secretary may cancel approval of any intermediate care

facility for the mentally retarded at any time if he finds on the basis of a determination made by him as provided in section 1396a(a)(33)(B) of this title that a facility fails to meet the requirements contained in section 1396a(a)(31) of this title or section 1396d(d) of this title, or if he finds grounds for termination of his agreement with the facility pursuant to section 1395cc(b) of this title. In that event the Secretary shall notify the State agency and the intermediate care facility for the mentally retarded that approval of eligibility of the facility to participate in the programs established by this subchapter and subchapter XVIII of this chapter shall be terminated at a time specified by the Secretary. The approval of eligibility of any such facility to participate in such programs may not be reinstated unless the Secretary finds that the reason for termination has been removed and there is reasonable assurance that it will not recur.

(2) Any intermediate care facility for the mentally retarded which is dissatisfied with a determination by the Secretary that it no longer qualifies as a (FOOTNOTE 1) intermediate care facility for the mentally retarded for purposes of this subchapter, shall be entitled to a hearing by the Secretary to the same extent as is provided in section 405(b) of this title and to judicial review of the Secretary's final decision after such hearing as is provided in section 405(g) of this title, except that, in so applying such sections and in applying section 405(l) of this title thereto, any reference therein to the Commissioner of Social Security or the Social Security Administration shall be considered a reference to the Secretary or the Department of Health and Human Services, respectively. Any agreement between such facility and the State agency shall remain in effect until the period for filing a request for a hearing has expired or, if a request has been filed, until a decision has been made by the Secretary; except that the agreement shall not be extended if the Secretary makes a written determination, specifying the reasons therefor, that the continuation of provider status constitutes an immediate and serious threat to the health and safety of patients, and the Secretary certifies that the facility has been notified of its deficiencies and has failed to correct them.

(FOOTNOTE 1) So in original. Probably should be ''an''.

Sec. 1396m. Withholding of Federal share of payments for certain medicare providers

-STATUTE-

(a) Adjustment of Federal matching payments

The Secretary may adjust, in accordance with this section, the Federal matching payment to a State with respect to expenditures for medical assistance for care or services furnished in any quarter by -

(1) an institution (A) which has or previously had in effect an agreement with the Secretary under section 1395cc of this title; and (B) (i) from which the Secretary has been unable to recover overpayments made under subchapter XVIII of this chapter, or (ii) from which the Secretary has been unable to collect the information necessary to enable him to determine the amount (if any) of the overpayments made to such institution under subchapter XVIII of this chapter; and

(2) any person (A) who (i) has previously accepted payment on the basis of an assignment under section 1395u(b) (3) (B) (ii) of this title, and (ii) during the annual period immediately preceding such quarter submitted no claims for payment under subchapter XVIII of this chapter, or submitted claims for payment under subchapter XVIII of this chapter which aggregated less than the amount of overpayments made to him, and (B) (i) from whom the Secretary has been unable to recover overpayments received in violation of the terms of such assignment, or (ii) from whom the Secretary has been unable to collect the information necessary to

enable him to determine the amount (if any) of the overpayments made to such person under subchapter XVIII of this chapter.

(b) Reductions in payments to and by States

The Secretary may (subject to the remaining provisions of this section) reduce payment to a State under this subchapter for any quarter by an amount equal to the lesser of the Federal matching share of payments to any institution or person specified in subsection (a) of this section, or the total overpayments to such institution or person under subchapter XVIII of this chapter, and may require the State to reduce its payment to such institution or person by such amount.

(c) Notice

The Secretary shall not make any adjustment in the payment to a State, nor require any adjustment in the payment to an institution or person, pursuant to subsection (b) of this section until after he has provided adequate notice (which shall be not less than 60 days) to the State agency and the institution or person.

(d) Regulations

CHAPTER 7 - SOCIAL SECURITY

SUBCHAPTER XIX - GRANTS TO STATES FOR MEDICAL ASSISTANCE PROGRAMS

-HEAD-

Sec. 1396n. Compliance with State plan and payment provisions

-STATUTE-

(a) Activities deemed as compliance

A State shall not be deemed to be out of compliance with the requirements of paragraphs (1), (10), or (23) of section 1396a(a) of this title solely by reason of the fact that the State (or any political subdivision thereof) -

(1) has entered into -

(A) a contract with an organization which has agreed to provide care and services in addition to those offered under the State plan to individuals eligible for medical assistance who reside in the geographic area served by such organization and who elect to obtain such care and services from such organization, or by reason of the fact that the plan provides for payment for rural health clinic services only if those services are provided by a rural health clinic; or

(B) arrangements through a competitive bidding process or otherwise for the purchase of laboratory services referred to in section 1396d(a) (3) of this title or medical devices if the Secretary has found that -

(i) adequate services or devices will be available under such arrangements, and

(ii) any such laboratory services will be provided only through laboratories -

(I) which meet the applicable requirements of section 1395x(e) (9) of this title or paragraphs (16) and (17) of section 1395x(s) of this title, and such additional requirements as the Secretary may require, and

(II) no more than 75 percent of whose charges for such services are for services provided to individuals who are entitled to benefits under this subchapter or under part A or part B of subchapter XVIII of this chapter; or

(2) restricts for a reasonable period of time the provider or providers from which an individual (eligible for medical assistance for items or services under the State plan) can receive such items or services, if -

(A) the State has found, after notice and opportunity for a hearing (in accordance with procedures established by the State), that the individual has utilized such items or services at a frequency or amount not medically necessary (as determined in accordance with utilization guidelines established by the State), and

(B) under such restriction, individuals eligible for medical assistance for such services have reasonable access (taking into account geographic location and reasonable travel time) to such services of adequate quality.

(b) Waivers to promote cost-effectiveness and efficiency

The Secretary, to the extent he finds it to be cost-effective and efficient and not inconsistent with the purposes of this subchapter, may waive such requirements of section 1396a of this title (other than subsection (s)) (other than sections 1396a(a) (15), 1396a(bb), and 1396a(a) (10) (A) of this title insofar as it requires provision of the care and services described in section 1396d(a) (2) (C) of this title) as may be necessary for a State -

(1) to implement a primary care case-management system or a specialty physician services arrangement which restricts the provider from (or through) whom an individual (eligible for medical assistance under this subchapter) can obtain medical care services (other than in emergency circumstances), if such restriction does not substantially impair access to such services of adequate quality where medically necessary,

(2) to allow a locality to act as a central broker in assisting individuals (eligible for medical assistance under this subchapter) in selecting among competing health care plans, if such restriction does not substantially impair access to services of adequate quality where medically necessary,

(3) to share (through provision of additional services) with recipients of medical assistance under the State plan cost savings resulting from use by the recipient of more cost-effective medical care, and

(4) to restrict the provider from (or through) whom an individual (eligible for medical assistance under this subchapter) can obtain services (other than in emergency circumstances) to providers or practitioners who undertake to provide such services and who meet, accept, and comply with the reimbursement, quality, and utilization standards under the State plan, which standards shall be consistent with the requirements of section 1396r-4 of this title and are consistent with access, quality, and efficient and economic provision of covered care and services, if such restriction does not discriminate among classes of providers on grounds unrelated to their demonstrated effectiveness and efficiency in providing those services and if providers under such restriction are paid on a timely basis in the same manner as health care practitioners must be paid under section 1396a(a)(37)(A) of this title.

No waiver under this subsection may restrict the choice of the individual in receiving services under section 1396d(a)(4)(C) of this title.

(c) Waiver respecting medical assistance requirement in State plan; scope, etc.; "habilitation services" defined; imposition of certain regulatory limits prohibited; computation of expenditures for certain disabled patients; coordinated services; substitution of participants

(1) The Secretary may by waiver provide that a State plan approved under this subchapter may include as "medical assistance" under such plan payment for part or all of the cost of home or community-based services (other than room and board) approved by the Secretary which are provided pursuant to a written plan of care to individuals with respect to whom there has been a determination that but for the provision of such services the individuals would require the level of care provided in a hospital or a nursing facility or intermediate care facility for the mentally retarded the cost of which could be reimbursed under the State plan. For purposes of this subsection, the term "room and board" shall not include an amount established under a method determined by the State to reflect the portion of costs of rent and food attributable to an unrelated personal caregiver who is residing in the same household with an individual who, but for the assistance of such caregiver, would require admission to a hospital, nursing facility, or intermediate care facility for the mentally retarded.

(2) A waiver shall not be granted under this subsection unless the State provides assurances satisfactory to the Secretary that -

(A) necessary safeguards (including adequate standards for provider participation) have been taken to protect the health and welfare of individuals provided services under the waiver and to assure financial accountability for funds expended with respect to such services;

(B) the State will provide, with respect to individuals who -

(i) are entitled to medical assistance for inpatient hospital services, nursing facility services, or services in an intermediate care facility for the mentally retarded under the State plan,

(ii) may require such services, and

(iii) may be eligible for such home or community-based care under such waiver,

for an evaluation of the need for inpatient hospital services, nursing facility services, or services in an intermediate care facility for the mentally retarded;

(C) such individuals who are determined to be likely to require the level of care provided in a hospital, nursing facility, or intermediate care facility for the mentally retarded are informed of the feasible alternatives, if available under the waiver, at the choice of such individuals, to the provision of inpatient hospital services, nursing facility services, or services in an intermediate care facility for the mentally retarded;

(D) under such waiver the average per capita expenditure estimated by the State in any fiscal year for medical assistance provided with respect to such individuals does not exceed 100 percent of the average per capita expenditure that the State reasonably estimates would have been made in that fiscal year for expenditures under the State plan for such individuals if the waiver had not been granted; and

(E) the State will provide to the Secretary annually, consistent with a data collection plan designed by the Secretary, information on the impact of the waiver granted under this subsection on the type and amount of medical assistance provided under the State plan and on the health and welfare of recipients.

(3) A waiver granted under this subsection may include a waiver of the requirements of section 1396a(a)(1) of this title (relating to statewideness), section 1396a(a)(10)(B) of this title (relating to comparability), and section 1396a(a)(10)(C)(i)(III) of this title (relating to income and resource rules applicable in the community). A waiver under this subsection shall be for an initial term of three years and, upon the request of a State, shall be extended for additional five-year periods unless the Secretary determines that for the previous waiver period the assurances provided under paragraph (2) have not been met. A waiver may provide, with respect to post-eligibility treatment of income of all individuals receiving services under that waiver, that the maximum amount of the individual's income which may be disregarded for any month for the maintenance needs of the individual may be an amount greater than the maximum allowed for that purpose under regulations in effect on July 1, 1985.

(4) A waiver granted under this subsection may, consistent with paragraph (2) -

(A) limit the individuals provided benefits under such waiver to individuals with respect to whom the State has determined that

there is a reasonable expectation that the amount of medical assistance provided with respect to the individual under such waiver will not exceed the amount of such medical assistance provided for such individual if the waiver did not apply, and

(B) provide medical assistance to individuals (to the extent consistent with written plans of care, which are subject to the approval of the State) for case management services, homemaker/home health aide services and personal care services, adult day health services, habilitation services, respite care, and such other services requested by the State as the Secretary may approve and for day treatment or other partial hospitalization services, psychosocial rehabilitation services, and clinic services (whether or not furnished in a facility) for individuals with chronic mental illness.

Except as provided under paragraph (2)(D), the Secretary may not restrict the number of hours or days of respite care in any period which a State may provide under a waiver under this subsection.

(5) For purposes of paragraph (4)(B), the term "habilitation services" -

(A) means services designed to assist individuals in acquiring, retaining, and improving the self-help, socialization, and adaptive skills necessary to reside successfully in home and community based settings; and

(B) includes (except as provided in subparagraph (C)) prevocational, educational, and supported employment services; but

(C) does not include -

(i) special education and related services (as defined in paragraphs (16) and (17) of section 1401(a) (FOOTNOTE 1) of title 20) which otherwise are available to the individual through a local educational agency; and

(FOOTNOTE 1) See References in Text note below.

(ii) vocational rehabilitation services which otherwise are available to the individual through a program funded under section 730 of title 29.

(6) The Secretary may not require, as a condition of approval of a waiver under this section under paragraph (2)(D), that the actual total expenditures for home and community-based services under the waiver (and a claim for Federal financial participation in expenditures for the services) cannot exceed the approved estimates for these services. The Secretary may not deny Federal financial payment with respect to services under such a waiver on the ground that, in order to comply with paragraph (2)(D), a State has failed to comply with such a requirement.

(7)(A) In making estimates under paragraph (2)(D) in the case of a waiver that applies only to individuals with a particular illness or condition who are inpatients in, or who would require the level of care provided in, hospitals, nursing facilities, or intermediate care facilities for the mentally retarded, the State may determine the average per capita expenditure that would have been made in a fiscal year for those individuals under the State plan separately from the expenditures for other individuals who are inpatients in, or who would require the level of care provided in, those respective facilities.

(B) In making estimates under paragraph (2)(D) in the case of a waiver that applies only to individuals with developmental disabilities who are inpatients in a nursing facility and whom the

State has determined, on the basis of an evaluation under paragraph (2) (B), to need the level of services provided by an intermediate care facility for the mentally retarded, the State may determine the average per capita expenditures that would have been made in a fiscal year for those individuals under the State plan on the basis of the average per capita expenditures under the State plan for services to individuals who are inpatients in an intermediate care facility for the mentally retarded, without regard to the availability of beds for such inpatients.

(C) In making estimates under paragraph (2) (D) in the case of a waiver to the extent that it applies to individuals with mental retardation or a related condition who are resident in an intermediate care facility for the mentally retarded the participation of which under the State plan is terminated, the State may determine the average per capita expenditures that would have been made in a fiscal year for those individuals without regard to any such termination.

(8) The State agency administering the plan under this subchapter may, whenever appropriate, enter into cooperative arrangements with the State agency responsible for administering the program for children with special health care needs under subchapter V of this chapter in order to assure improved access to coordinated services to meet the needs of such children.

(9) In the case of any waiver under this subsection which contains a limit on the number of individuals who shall receive home or community-based services, the State may substitute additional individuals to receive such services to replace any individuals who die or become ineligible for services under the State plan.

(10) The Secretary shall not limit to fewer than 200 the number of individuals in the State who may receive home and community-based services under a waiver under this subsection.

(d) Home and community-based services for elderly

(1) Subject to paragraph (2), the Secretary shall grant a waiver to provide that a State plan approved under this subchapter shall include as "medical assistance" under such plan payment for part or all of the cost of home or community-based services (other than room and board) which are provided pursuant to a written plan of care to individuals 65 years of age or older with respect to whom there has been a determination that but for the provision of such services the individuals would be likely to require the level of care provided in a skilled nursing facility or intermediate care facility the cost of which could be reimbursed under the State plan. For purposes of this subsection, the term "room and board" shall not include an amount established under a method determined by the State to reflect the portion of costs of rent and food attributable to an unrelated personal caregiver who is residing in the same household with an individual who, but for the assistance of such caregiver, would require admission to a hospital, nursing facility, or intermediate care facility for the mentally retarded.

(2) A waiver shall not be granted under this subsection unless the State provides assurances satisfactory to the Secretary that -

(A) necessary safeguards (including adequate standards for provider participation) have been taken to protect the health and welfare of individuals provided services under the waiver and to assure financial accountability for funds expended with respect to such services;

(B) with respect to individuals 65 years of age or older who -  
    (i) are entitled to medical assistance for skilled nursing or intermediate care facility services under the State plan,  
    (ii) may require such services, and  
    (iii) may be eligible for such home or community-based services under such waiver,  
the State will provide for an evaluation of the need for such skilled nursing facility or intermediate care facility services; and

(C) such individuals who are determined to be likely to require the level of care provided in a skilled nursing facility or intermediate care facility are informed of the feasible alternatives to the provision of skilled nursing facility or intermediate care facility services, which such individuals may choose if available under the waiver.

Each State with a waiver under this subsection shall provide to the Secretary annually, consistent with a reasonable data collection plan designed by the Secretary, information on the impact of the waiver granted under this subsection on the type and amount of medical assistance provided under the State plan and on the health and welfare of recipients.

(3) A waiver granted under this subsection may include a waiver of the requirements of section 1396a(a)(1) of this title (relating to statewideness), section 1396a(a)(10)(B) of this title (relating to comparability), and section 1396a(a)(10)(C)(i)(III) of this title (relating to income and resource rules applicable in the community). Subject to a termination by the State (with notice to the Secretary) at any time, a waiver under this subsection shall be for an initial term of 3 years and, upon the request of a State, shall be extended for additional 5-year periods unless the Secretary determines that for the previous waiver period the assurances provided under paragraph (2) have not been met. A waiver may provide, with respect to post-eligibility treatment of income of all individuals receiving services under the waiver, that the maximum amount of the individual's income which may be disregarded for any month is equal to the amount that may be allowed for that purpose under a waiver under subsection (c) of this section.

(4) A waiver under this subsection may, consistent with paragraph (2), provide medical assistance to individuals for case management services, homemaker/home health aide services and personal care services, adult day health services, respite care, and other medical and social services that can contribute to the health and well-being of individuals and their ability to reside in a community-based care setting.

(5) (A) In the case of a State having a waiver approved under this subsection, notwithstanding any other provision of section 1396b of this title to the contrary, the total amount expended by the State for medical assistance with respect to skilled nursing facility services, intermediate care facility services, and home and community-based services under the State plan for individuals 65 years of age or older during a waiver year under this subsection may not exceed the projected amount determined under subparagraph (B).

(B) For purposes of subparagraph (A), the projected amount under this subparagraph is the sum of the following:

(i) The aggregate amount of the State's medical assistance

under this subchapter for skilled nursing facility services and intermediate care facility services furnished to individuals who have attained the age of 65 for the base year increased by a percentage which is equal to the lesser of 7 percent times the number of years (rounded to the nearest quarter of a year) beginning after the base year and ending at the end of the waiver year involved or the sum of -

(I) the percentage increase (based on an appropriate market-basket index representing the costs of elements of such services) between the beginning of the base year and the beginning of the waiver year involved, plus

(II) the percentage increase between the beginning of the base year and the beginning of the waiver year involved in the number of residents in the State who have attained the age of 65, plus

(III) 2 percent for each year (rounded to the nearest quarter of a year) beginning after the base year and ending at the end of the waiver year.

(ii) The aggregate amount of the State's medical assistance under this subchapter for home and community-based services for individuals who have attained the age of 65 for the base year increased by a percentage which is equal to the lesser of 7 percent times the number of years (rounded to the nearest quarter of a year) beginning after the base year and ending at the end of the waiver year involved or the sum of -

(I) the percentage increase (based on an appropriate market-basket index representing the costs of elements of such services) between the beginning of the base year and the beginning of the waiver year involved, plus

(II) the percentage increase between the beginning of the base year and the beginning of the waiver year involved in the number of residents in the State who have attained the age of 65, plus

(III) 2 percent for each year (rounded to the nearest quarter of a year) beginning after the base year and ending at the end of the waiver year.

(iii) The Secretary shall develop and promulgate by regulation (by not later than October 1, 1989) -

(I) a method, based on an index of appropriately weighted indicators of changes in the wages and prices of the mix of goods and services which comprise both skilled nursing facility services and intermediate care facility services (regardless of the source of payment for such services), for projecting the percentage increase for purposes of clause (i) (I);

(II) a method, based on an index of appropriately weighted indicators of changes in the wages and prices of the mix of goods and services which comprise home and community-based services (regardless of the source of payment for such services), for projecting the percentage increase for purposes of clause (ii) (I); and

(III) a method for projecting, on a State specific basis, the percentage increase in the number of residents in each State who are over 65 years of age for any period.

The Secretary shall develop (by not later than October 1, 1989) a method for projecting, on a State-specific basis, the percentage increase in the number of residents in each State who are over 65 years of age for any period. Effective on and after the date the

Secretary promulgates the regulation under clause (iii), any reference in this subparagraph to the ''lesser of 7 percent'' shall be deemed to be a reference to the ''greater of 7 percent''.

(iv) If there is enacted after December 22, 1987, an Act which amends this subchapter whose provisions become effective on or after such date and which results in an increase in the aggregate amount of medical assistance under this subchapter for nursing facility services and home and community-based services for individuals who have attained the age of 65 years, the Secretary, at the request of a State with a waiver under this subsection for a waiver year or years and in close consultation with the State, shall adjust the projected amount computed under this subparagraph for the waiver year or years to take into account such increase.

(C) In this paragraph:

(i) The term ''home and community-based services'' includes services described in sections 1396d(a)(7) and 1396d(a)(8) of this title, services described in subsection (c)(4)(B) of this section, services described in paragraph (4), and personal care services.

(ii)(I) Subject to subclause (II), the term ''base year'' means the most recent year (ending before December 22, 1987) for which actual final expenditures under this subchapter have been reported to, and accepted by, the Secretary.

(II) For purposes of subparagraph (C), in the case of a State that does not report expenditures on the basis of the age categories described in such subparagraph for a year ending before December 22, 1987, the term ''base year'' means fiscal year 1989.

(iii) The term ''intermediate care facility services'' does not include services furnished in an institution certified in accordance with section 1396d(d) of this title.

(6)(A) A determination by the Secretary to deny a request for a waiver (or extension of waiver) under this subsection shall be subject to review to the extent provided under section 1316(b) of this title.

(B) Notwithstanding any other provision of this chapter, if the Secretary denies a request of the State for an extension of a waiver under this subsection, any waiver under this subsection in effect on the date such request is made shall remain in effect for a period of not less than 90 days after the date on which the Secretary denies such request (or, if the State seeks review of such determination in accordance with subparagraph (A), the date on which a final determination is made with respect to such review).

(e) Waiver for children infected with AIDS or drug dependent at birth

(1)(A) Subject to paragraph (2), the Secretary shall grant a waiver to provide that a State plan approved under this subchapter shall include as ''medical assistance'' under such plan payment for part or all of the cost of nursing care, respite care, physicians' services, prescribed drugs, medical devices and supplies, transportation services, and such other services requested by the State as the Secretary may approve which are provided pursuant to a written plan of care to a child described in subparagraph (B) with respect to whom there has been a determination that but for the provision of such services the infants would be likely to require

the level of care provided in a hospital or nursing facility the cost of which could be reimbursed under the State plan.

(B) Children described in this subparagraph are individuals under 5 years of age who -

(i) at the time of birth were infected with (or tested positively for) the etiologic agent for acquired immune deficiency syndrome (AIDS),

(ii) have such syndrome, or

(iii) at the time of birth were dependent on heroin, cocaine, or phencyclidine,

and with respect to whom adoption or foster care assistance is (or will be) made available under part E of subchapter IV of this chapter.

(2) A waiver shall not be granted under this subsection unless the State provides assurances satisfactory to the Secretary that -

(A) necessary safeguards (including adequate standards for provider participation) have been taken to protect the health and welfare of individuals provided services under the waiver and to assure financial accountability for funds expended with respect to such services;

(B) under such waiver the average per capita expenditure estimated by the State in any fiscal year for medical assistance provided with respect to such individuals does not exceed 100 percent of the average per capita expenditure that the State reasonably estimates would have been made in that fiscal year for expenditures under the State plan for such individuals if the waiver had not been granted; and

(C) the State will provide to the Secretary annually, consistent with a data collection plan designed by the Secretary, information on the impact of the waiver granted under this subsection on the type and amount of medical assistance provided under the State plan and on the health and welfare of recipients.

(3) A waiver granted under this subsection may include a waiver of the requirements of section 1396a(a)(1) of this title (relating to statewideness) and section 1396a(a)(10)(B) of this title (relating to comparability). A waiver under this subsection shall be for an initial term of 3 years and, upon the request of a State, shall be extended for additional five-year periods unless the Secretary determines that for the previous waiver period the assurances provided under paragraph (2) have not been met.

(4) The provisions of paragraph (6) of subsection (d) of this section shall apply to this subsection in the same manner as it applies to subsection (d) of this section.

(f) Monitor of implementation of waivers; termination of waiver for noncompliance; time limitation for action on requests for plan approval, amendments, or waivers

(1) The Secretary shall monitor the implementation of waivers granted under this section to assure that the requirements for such waiver are being met and shall, after notice and opportunity for a hearing, terminate any such waiver where he finds noncompliance has occurred.

(2) A request to the Secretary from a State for approval of a proposed State plan or plan amendment or a waiver of a requirement of this subchapter submitted by the State pursuant to a provision of this subchapter shall be deemed granted unless the Secretary, within 90 days after the date of its submission to the Secretary, either denies such request in writing or informs the State agency

in writing with respect to any additional information which is needed in order to make a final determination with respect to the request. After the date the Secretary receives such additional information, the request shall be deemed granted unless the Secretary, within 90 days of such date, denies such request.

(g) Optional targeted case management services

(1) A State may provide, as medical assistance, case management services under the plan without regard to the requirements of section 1396a(a)(1) of this title and section 1396a(a)(10)(B) of this title. The provision of case management services under this subsection shall not restrict the choice of the individual to receive medical assistance in violation of section 1396a(a)(23) of this title. A State may limit the provision of case management services under this subsection to individuals with acquired immune deficiency syndrome (AIDS), or with AIDS-related conditions, or with either, or to individuals described in section 1396a(z)(1)(A) of this title and a State may limit the provision of case management services under this subsection to individuals with chronic mental illness. The State may limit the case managers available with respect to case management services for eligible individuals with developmental disabilities or with chronic mental illness in order to ensure that the case managers for such individuals are capable of ensuring that such individuals receive needed services.

(2) For purposes of this subsection, the term "case management services" means services which will assist individuals eligible under the plan in gaining access to needed medical, social, educational, and other services.

(h) Period of waivers; continuations

No waiver under this section (other than a waiver under subsection (c), (d), or (e) of this section) may extend over a period of longer than two years unless the State requests continuation of such waiver, and such request shall be deemed granted unless the Secretary, within 90 days after the date of its submission to the Secretary, either denies such request in writing or informs the State agency in writing with respect to any additional information which is needed in order to make a final determination with respect to the request. After the date the Secretary receives such additional information, the request shall be deemed granted unless the Secretary, within 90 days of such date, denies such request.

Subject to subsection (g) of this section, the State plan shall provide that in the case of individuals described in subparagraph (A) or (E)(i) of section 1396a(a)(10) of this title who are eligible under the plan -

(1) no enrollment fee, premium, or similar charge will be imposed under the plan (except for a premium imposed under subsection (c) of this section);

(2) no deduction, cost sharing or similar charge will be imposed under the plan with respect to -

(A) services furnished to individuals under 18 years of age (and, at the option of the State, individuals under 21, 20, or 19 years of age, or any reasonable category of individuals 18 years of age or over),

(B) services furnished to pregnant women, if such services relate to the pregnancy or to any other medical condition which may complicate the pregnancy (or, at the option of the State, any services furnished to pregnant women),

(C) services furnished to any individual who is an inpatient in a hospital, nursing facility, intermediate care facility for the mentally retarded, or other medical institution, if such individual is required, as a condition of receiving services in such institution under the State plan, to spend for costs of medical care all but a minimal amount of his income required for personal needs,

(D) emergency services (as defined by the Secretary), family planning services and supplies described in section 1396d(a)(4)(C) of this title, or

(E) services furnished to an individual who is receiving hospice care (as defined in section 1396d(o) of this title); and

(3) any deduction, cost sharing, or similar charge imposed under the plan with respect to other such individuals or other care and services will be nominal in amount (as determined by the Secretary in regulations which shall, if the definition of 'nominal' under the regulations in effect on July 1, 1982 is changed, take into account the level of cash assistance provided in such State and such other criteria as the Secretary determines to be appropriate); except that a deduction, cost-sharing, or similar charge of up to twice the nominal amount established for outpatient services may be imposed by a State under a waiver

granted by the Secretary for services received at a hospital emergency room if the services are not emergency services (referred to in paragraph (2) (D)) and the State has established to the satisfaction of the Secretary that individuals eligible for services under the plan have actually available and accessible to them alternative sources of nonemergency, outpatient services.

- (b) Imposition of certain charges under plan in case of individuals other than those described in section 1396a(a) (10) (A) or (E)

The State plan shall provide that in the case of individuals other than those described in subparagraph (A) or (E) of section 1396a(a) (10) of this title who are eligible under the plan -

(1) there may be imposed an enrollment fee, premium, or similar charge, which (as determined in accordance with standards prescribed by the Secretary) is related to the individual's income,

(2) no deduction, cost sharing, or similar charge will be imposed under the plan with respect to -

(A) services furnished to individuals under 18 years of age (and, at the option of the State, individuals under 21, 20, or 19 years of age, or any reasonable category of individuals 18 years of age or over),

(B) services furnished to pregnant women, if such services relate to the pregnancy or to any other medical condition which may complicate the pregnancy (or, at the option of the State, any services furnished to pregnant women),

(C) services furnished to any individual who is an inpatient in a hospital, nursing facility, intermediate care facility for the mentally retarded, or other medical institution, if such individual is required, as a condition of receiving services in such institution under the State plan, to spend for costs of medical care all but a minimal amount of his income required for personal needs,

(D) emergency services (as defined by the Secretary), family planning services and supplies described in section 1396d(a) (4) (C) of this title, or

(E) services furnished to an individual who is receiving hospice care (as defined in section 1396d(o) of this title); and

(3) any deduction, cost sharing, or similar charge imposed under the plan with respect to other such individuals or other care and services will be nominal in amount (as determined by the Secretary in regulations which shall, if the definition of 'nominal' under the regulations in effect on July 1, 1982 is changed, take into account the level of cash assistance provided in such State and such other criteria as the Secretary determines to be appropriate); except that a deduction, cost-sharing, or similar charge of up to twice the nominal amount established for outpatient services may be imposed by a State under a waiver granted by the Secretary for services received at a hospital emergency room if the services are not emergency services (referred to in paragraph (2) (D)) and the State has established to the satisfaction of the Secretary that individuals eligible for services under the plan have actually available and accessible to them alternative sources of nonemergency, outpatient services.

- (c) Imposition of monthly premium; persons affected; amount;

prepayment; failure to pay; use of funds from other programs

(1) The State plan of a State may at the option of the State provide for imposing a monthly premium (in an amount that does not exceed the limit established under paragraph (2)) with respect to an individual described in subparagraph (A) or (B) of section 1396a(l)(1) of this title who is receiving medical assistance on the basis of section 1396a(a)(10)(A)(ii)(IX) of this title and whose family income (as determined in accordance with the methodology specified in section 1396a(l)(3) of this title) equals or exceeds 150 percent of the income official poverty line (as defined by the Office of Management and Budget, and revised annually in accordance with section 9902(2) of this title) applicable to a family of the size involved.

(2) In no case may the amount of any premium imposed under paragraph (1) exceed 10 percent of the amount by which the family income (less expenses for the care of a dependent child) of an individual exceeds 150 percent of the line described in paragraph (1).

(3) A State shall not require prepayment of a premium imposed pursuant to paragraph (1) and shall not terminate eligibility of an individual for medical assistance under this subchapter on the basis of failure to pay any such premium until such failure continues for a period of not less than 60 days. The State may waive payment of any such premium in any case where the State determines that requiring such payment would create an undue hardship.

(4) A State may permit State or local funds available under other programs to be used for payment of a premium imposed under paragraph (1). Payment of a premium with such funds shall not be counted as income to the individual with respect to whom such payment is made.

(d) Premiums for qualified disabled and working individuals described in section 1396d(s)

With respect to a qualified disabled and working individual described in section 1396d(s) of this title whose income (as determined under paragraph (3) of that section) exceeds 150 percent of the official poverty line referred to in that paragraph, the State plan of a State may provide for the charging of a premium (expressed as a percentage of the medicare cost-sharing described in section 1396d(p)(3)(A)(i) of this title provided with respect to the individual) according to a sliding scale under which such percentage increases from 0 percent to 100 percent, in reasonable increments (as determined by the Secretary), as the individual's income increases from 150 percent of such poverty line to 200 percent of such poverty line.

(e) Prohibition of denial of services on basis of individual's inability to pay certain charges

The State plan shall require that no provider participating under the State plan may deny care or services to an individual eligible for such care or services under the plan on account of such individual's inability to pay a deduction, cost sharing, or similar charge. The requirements of this subsection shall not extinguish the liability of the individual to whom the care or services were furnished for payment of the deduction, cost sharing, or similar charge.

(f) Charges imposed under waiver authority of Secretary

No deduction, cost sharing, or similar charge may be imposed

under any waiver authority of the Secretary, except as provided in subsections (a) (3) and (b) (3) of this section, unless such waiver is for a demonstration project which the Secretary finds after public notice and opportunity for comment -

(1) will test a unique and previously untested use of copayments,

(2) is limited to a period of not more than two years,

(3) will provide benefits to recipients of medical assistance which can reasonably be expected to be equivalent to the risks to the recipients,

(4) is based on a reasonable hypothesis which the demonstration is designed to test in a methodologically sound manner, including the use of control groups of similar recipients of medical assistance in the area, and

(5) is voluntary, or makes provision for assumption of liability for preventable damage to the health of recipients of medical assistance resulting from involuntary participation.

(g) Individuals provided medical assistance under section 1396a(a) (10) (A) (ii) (XV) or (XVI)

With respect to individuals provided medical assistance only under subclause (XV) or (XVI) of section 1396a(a) (10) (A) (ii) of this title -

(1) a State may (in a uniform manner for individuals described in either such subclause) -

(A) require such individuals to pay premiums or other cost-sharing charges set on a sliding scale based on income that the State may determine; and

(B) require payment of 100 percent of such premiums for such year in the case of such an individual who has income for a year that exceeds 250 percent of the income official poverty line (referred to in subsection (c) (1) of this section) applicable to a family of the size involved, except that in the case of such an individual who has income for a year that does not exceed 450 percent of such poverty line, such requirement may only apply to the extent such premiums do not exceed 7.5 percent of such income; and

(2) such State shall require payment of 100 percent of such premiums for a year by such an individual whose adjusted gross income (as defined in section 62 of the Internal Revenue Code of 1986) for such year exceeds \$75,000, except that a State may choose to subsidize such premiums by using State funds which may not be federally matched under this subchapter.

In the case of any calendar year beginning after 2000, the dollar amount specified in paragraph (2) shall be increased in accordance with the provisions of section 415(i) (2) (A) (ii) of this title.

(I) the total, cumulative uncompensated value of all assets transferred by the individual (or individual's spouse) on or after the look-back date specified in subparagraph (B) (i), divided by

(iii) The number of months of ineligibility otherwise determined under clause (i) or (ii) with respect to the disposal of an asset shall be reduced -

(ii) any portion of the trust from which, or any income on the corpus from which, no payment could under any circumstances be made to the individual shall be considered, as of the date of establishment of the trust (or, if later, the date on which payment to the individual was foreclosed) to be assets disposed by the individual for purposes of subsection (c) of this section, and the value of the trust shall be determined for purposes of such subsection by including the amount of any payments made from such portion of the trust after such date.

(iv) To the extent that amounts remaining in the beneficiary's account upon the death of the beneficiary are not retained by the trust, the trust pays to the State from such remaining amounts in the account an amount equal to the total amount of medical assistance paid on behalf of the beneficiary under the State plan under this subchapter.

(5) The State agency shall establish procedures (in accordance with standards specified by the Secretary) under which the agency waives the application of this subsection with respect to an individual if the individual establishes that such application would work an undue hardship on the individual as determined on the basis of criteria established by the Secretary.

(6) The term "trust" includes any legal instrument or device that is similar to a trust but includes an annuity only to such extent and in such manner as the Secretary specifies.

(e) Definitions

In this section, the following definitions shall apply:

TITLE 42 - THE PUBLIC HEALTH AND WELFARE

CHAPTER 7 - SOCIAL SECURITY

SUBCHAPTER XIX - GRANTS TO STATES FOR MEDICAL ASSISTANCE PROGRAMS

-HEAD-

Sec. 1396r. Requirements for nursing facilities

-STATUTE-

(a) "'Nursing facility'" defined

In this subchapter, the term "'nursing facility'" means an institution (or a distinct part of an institution) which -

(1) is primarily engaged in providing to residents -

(A) skilled nursing care and related services for residents who require medical or nursing care,

(B) rehabilitation services for the rehabilitation of injured, disabled, or sick persons, or

(C) on a regular basis, health-related care and services to individuals who because of their mental or physical condition require care and services (above the level of room and board) which can be made available to them only through institutional facilities,

and is not primarily for the care and treatment of mental diseases;

(2) has in effect a transfer agreement (meeting the requirements of section 1395x(1) of this title) with one or more hospitals having agreements in effect under section 1395cc of this title; and

(3) meets the requirements for a nursing facility described in

subsections (b), (c), and (d) of this section. Such term also includes any facility which is located in a State on an Indian reservation and is certified by the Secretary as meeting the requirements of paragraph (1) and subsections (b), (c), and (d) of this section.

(b) Requirements relating to provision of services

(1) Quality of life

(A) In general

A nursing facility must care for its residents in such a manner and in such an environment as will promote maintenance or enhancement of the quality of life of each resident.

(B) Quality assessment and assurance

A nursing facility must maintain a quality assessment and assurance committee, consisting of the director of nursing services, a physician designated by the facility, and at least 3 other members of the facility's staff, which (i) meets at least quarterly to identify issues with respect to which quality assessment and assurance activities are necessary and (ii) develops and implements appropriate plans of action to correct identified quality deficiencies. A State or the Secretary may not require disclosure of the records of such committee except insofar as such disclosure is related to the compliance of such committee with the requirements of this subparagraph.

(2) Scope of services and activities under plan of care

A nursing facility must provide services and activities to attain or maintain the highest practicable physical, mental, and psychosocial well-being of each resident in accordance with a written plan of care which -

(A) describes the medical, nursing, and psychosocial needs of the resident and how such needs will be met;

(B) is initially prepared, with the participation to the extent practicable of the resident or the resident's family or legal representative, by a team which includes the resident's attending physician and a registered professional nurse with responsibility for the resident; and

(C) is periodically reviewed and revised by such team after each assessment under paragraph (3).

(3) Residents' assessment

(A) Requirement

A nursing facility must conduct a comprehensive, accurate, standardized, reproducible assessment of each resident's functional capacity, which assessment -

(i) describes the resident's capability to perform daily life functions and significant impairments in functional capacity;

(ii) is based on a uniform minimum data set specified by the Secretary under subsection (f)(6)(A) of this section;

(iii) uses an instrument which is specified by the State under subsection (e)(5) of this section; and

(iv) includes the identification of medical problems.

(B) Certification

(i) In general

Each such assessment must be conducted or coordinated (with the appropriate participation of health professionals) by a registered professional nurse who signs and certifies the completion of the assessment. Each individual who completes

a portion of such an assessment shall sign and certify as to the accuracy of that portion of the assessment.

(ii) Penalty for falsification

(I) An individual who willfully and knowingly certifies under clause (i) a material and false statement in a resident assessment is subject to a civil money penalty of not more than \$1,000 with respect to each assessment.

(II) An individual who willfully and knowingly causes another individual to certify under clause (i) a material and false statement in a resident assessment is subject to a civil money penalty of not more than \$5,000 with respect to each assessment.

(III) The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under this clause in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title.

(iii) Use of independent assessors

If a State determines, under a survey under subsection (g) of this section or otherwise, that there has been a knowing and willful certification of false assessments under this paragraph, the State may require (for a period specified by the State) that resident assessments under this paragraph be conducted and certified by individuals who are independent of the facility and who are approved by the State.

(C) Frequency

(i) In general

Such an assessment must be conducted -

(I) promptly upon (but no later than 14 days after the date of) admission for each individual admitted on or after October 1, 1990, and by not later than October 1, 1991, for each resident of the facility on that date;

(II) promptly after a significant change in the resident's physical or mental condition; and

(III) in no case less often than once every 12 months.

(ii) Resident review

The nursing facility must examine each resident no less frequently than once every 3 months and, as appropriate, revise the resident's assessment to assure the continuing accuracy of the assessment.

(D) Use

The results of such an assessment shall be used in developing, reviewing, and revising the resident's plan of care under paragraph (2).

(E) Coordination

Such assessments shall be coordinated with any State-required preadmission screening program to the maximum extent practicable in order to avoid duplicative testing and effort. In addition, a nursing facility shall notify the State mental health authority or State mental retardation or developmental disability authority, as applicable, promptly after a significant change in the physical or mental condition of a resident who is mentally ill or mentally retarded.

(F) Requirements relating to preadmission screening for mentally ill and mentally retarded individuals

Except as provided in clauses (ii) and (iii) of subsection (e) (7) (A) of this section, a nursing facility must not admit,

on or after January 1, 1989, any new resident who -

(i) is mentally ill (as defined in subsection (e) (7) (G) (i) of this section) unless the State mental health authority has determined (based on an independent physical and mental evaluation performed by a person or entity other than the State mental health authority) prior to admission that, because of the physical and mental condition of the individual, the individual requires the level of services provided by a nursing facility, and, if the individual requires such level of services, whether the individual requires specialized services for mental illness, or

(ii) is mentally retarded (as defined in subsection (e) (7) (G) (ii) of this section) unless the State mental retardation or developmental disability authority has determined prior to admission that, because of the physical and mental condition of the individual, the individual requires the level of services provided by a nursing facility, and, if the individual requires such level of services, whether the individual requires specialized services for mental retardation.

A State mental health authority and a State mental retardation or developmental disability authority may not delegate (by subcontract or otherwise) their responsibilities under this subparagraph to a nursing facility (or to an entity that has a direct or indirect affiliation or relationship with such a facility).

(4) Provision of services and activities

(A) In general

To the extent needed to fulfill all plans of care described in paragraph (2), a nursing facility must provide (or arrange for the provision of) -

(i) nursing and related services and specialized rehabilitative services to attain or maintain the highest practicable physical, mental, and psychosocial well-being of each resident;

(ii) medically-related social services to attain or maintain the highest practicable physical, mental, and psychosocial well-being of each resident;

(iii) pharmaceutical services (including procedures that assure the accurate acquiring, receiving, dispensing, and administering of all drugs and biologicals) to meet the needs of each resident;

(iv) dietary services that assure that the meals meet the daily nutritional and special dietary needs of each resident;

(v) an on-going program, directed by a qualified professional, of activities designed to meet the interests and the physical, mental, and psychosocial well-being of each resident;

(vi) routine dental services (to the extent covered under the State plan) and emergency dental services to meet the needs of each resident; and

(vii) treatment and services required by mentally ill and mentally retarded residents not otherwise provided or arranged for (or required to be provided or arranged for) by the State.

The services provided or arranged by the facility must meet professional standards of quality.

(B) Qualified persons providing services

Services described in clauses (i), (ii), (iii), (iv), and (vi) of subparagraph (A) must be provided by qualified persons in accordance with each resident's written plan of care.

(C) Required nursing care; facility waivers

(i) General requirements

With respect to nursing facility services provided on or after October 1, 1990, a nursing facility -

(I) except as provided in clause (ii), must provide 24-hour licensed nursing services which are sufficient to meet the nursing needs of its residents, and

(II) except as provided in clause (ii), must use the services of a registered professional nurse for at least 8 consecutive hours a day, 7 days a week.

(ii) Waiver by State

To the extent that a facility is unable to meet the requirements of clause (i), a State may waive such requirements with respect to the facility if -

(I) the facility demonstrates to the satisfaction of the State that the facility has been unable, despite diligent efforts (including offering wages at the community prevailing rate for nursing facilities), to recruit appropriate personnel,

(II) the State determines that a waiver of the requirement will not endanger the health or safety of individuals staying in the facility,

(III) the State finds that, for any such periods in which licensed nursing services are not available, a registered professional nurse or a physician is obligated to respond immediately to telephone calls from the facility,

(IV) the State agency granting a waiver of such requirements provides notice of the waiver to the State long-term care ombudsman (established under section 307(a)(12) (FOOTNOTE 1) of the Older Americans Act of 1965) and the protection and advocacy system in the State for the mentally ill and the mentally retarded, and

(FOOTNOTE 1) See References in Text note below.

(V) the nursing facility that is granted such a waiver by a State notifies residents of the facility (or, where appropriate, the guardians or legal representatives of such residents) and members of their immediate families of the waiver.

A waiver under this clause shall be subject to annual review and to the review of the Secretary and subject to clause (iii) shall be accepted by the Secretary for purposes of this subchapter to the same extent as is the State's certification of the facility. In granting or renewing a waiver, a State may require the facility to use other qualified, licensed personnel.

(iii) Assumption of waiver authority by Secretary

If the Secretary determines that a State has shown a clear pattern and practice of allowing waivers in the absence of diligent efforts by facilities to meet the staffing requirements, the Secretary shall assume and exercise the authority of the State to grant waivers.

(5) Required training of nurse aides

(A) In general

(i) Except as provided in clause (ii), a nursing facility must not use on a full-time basis any individual as a nurse aide in the facility on or after October 1, 1990, for more than 4 months unless the individual -

(I) has completed a training and competency evaluation program, or a competency evaluation program, approved by the State under subsection (e) (1) (A) of this section, and

(II) is competent to provide nursing or nursing-related services.

(ii) A nursing facility must not use on a temporary, per diem, leased, or on any other basis other than as a permanent employee any individual as a nurse aide in the facility on or after January 1, 1991, unless the individual meets the requirements described in clause (i).

(B) Offering competency evaluation programs for current employees

A nursing facility must provide, for individuals used as a nurse aide by the facility as of January 1, 1990, for a competency evaluation program approved by the State under subsection (e) (1) of this section and such preparation as may be necessary for the individual to complete such a program by October 1, 1990.

(C) Competency

The nursing facility must not permit an individual, other than in a training and competency evaluation program approved by the State, to serve as a nurse aide or provide services of a type for which the individual has not demonstrated competency and must not use such an individual as a nurse aide unless the facility has inquired of any State registry established under subsection (e) (2) (A) of this section that the facility believes will include information concerning the individual.

(D) Re-training required

For purposes of subparagraph (A), if, since an individual's most recent completion of a training and competency evaluation program, there has been a continuous period of 24 consecutive months during none of which the individual performed nursing or nursing-related services for monetary compensation, such individual shall complete a new training and competency evaluation program, or a new competency evaluation program.

(E) Regular in-service education

The nursing facility must provide such regular performance review and regular in-service education as assures that individuals used as nurse aides are competent to perform services as nurse aides, including training for individuals providing nursing and nursing-related services to residents with cognitive impairments.

(F) "Nurse aide" defined

In this paragraph, the term "nurse aide" means any individual providing nursing or nursing-related services to residents in a nursing facility, but does not include an individual -

(i) who is a licensed health professional (as defined in subparagraph (G)) or a registered dietitian, or

(ii) who volunteers to provide such services without monetary compensation.

(G) Licensed health professional defined

In this paragraph, the term "licensed health professional"

means a physician, physician assistant, nurse practitioner, physical, speech, or occupational therapist, physical or occupational therapy assistant, registered professional nurse, licensed practical nurse, or licensed or certified social worker.

(6) Physician supervision and clinical records

A nursing facility must -

(A) require that the health care of every resident be provided under the supervision of a physician (or, at the option of a State, under the supervision of a nurse practitioner, clinical nurse specialist, or physician assistant who is not an employee of the facility but who is working in collaboration with a physician);

(B) provide for having a physician available to furnish necessary medical care in case of emergency; and

(C) maintain clinical records on all residents, which records include the plans of care (described in paragraph (2)) and the residents' assessments (described in paragraph (3)), as well as the results of any pre-admission screening conducted under subsection (e) (7) of this section.

(7) Required social services

In the case of a nursing facility with more than 120 beds, the facility must have at least one social worker (with at least a bachelor's degree in social work or similar professional qualifications) employed full-time to provide or assure the provision of social services.

(c) Requirements relating to residents' rights

(1) General rights

(A) Specified rights

A nursing facility must protect and promote the rights of each resident, including each of the following rights:

(i) Free choice

The right to choose a personal attending physician, to be fully informed in advance about care and treatment, to be fully informed in advance of any changes in care or treatment that may affect the resident's well-being, and (except with respect to a resident adjudged incompetent) to participate in planning care and treatment or changes in care and treatment.

(ii) Free from restraints

The right to be free from physical or mental abuse, corporal punishment, involuntary seclusion, and any physical or chemical restraints imposed for purposes of discipline or convenience and not required to treat the resident's medical symptoms. Restraints may only be imposed -

(I) to ensure the physical safety of the resident or other residents, and

(II) only upon the written order of a physician that specifies the duration and circumstances under which the restraints are to be used (except in emergency circumstances specified by the Secretary until such an order could reasonably be obtained).

(iii) Privacy

The right to privacy with regard to accommodations, medical treatment, written and telephonic communications, visits, and meetings of family and of resident groups.

(iv) Confidentiality

The right to confidentiality of personal and clinical

records and to access to current clinical records of the resident upon request by the resident or the resident's legal representative, within 24 hours (excluding hours occurring during a weekend or holiday) after making such a request.

(v) Accommodation of needs

The right -

(I) to reside and receive services with reasonable accommodation of individual needs and preferences, except where the health or safety of the individual or other residents would be endangered, and

(II) to receive notice before the room or roommate of the resident in the facility is changed.

(vi) Grievances

The right to voice grievances with respect to treatment or care that is (or fails to be) furnished, without discrimination or reprisal for voicing the grievances and the right to prompt efforts by the facility to resolve grievances the resident may have, including those with respect to the behavior of other residents.

(vii) Participation in resident and family groups

The right of the resident to organize and participate in resident groups in the facility and the right of the resident's family to meet in the facility with the families of other residents in the facility.

(viii) Participation in other activities

The right of the resident to participate in social, religious, and community activities that do not interfere with the rights of other residents in the facility.

(ix) Examination of survey results

The right to examine, upon reasonable request, the results of the most recent survey of the facility conducted by the Secretary or a State with respect to the facility and any plan of correction in effect with respect to the facility.

(x) Refusal of certain transfers

The right to refuse a transfer to another room within the facility, if a purpose of the transfer is to relocate the resident from a portion of the facility that is not a skilled nursing facility (for purposes of subchapter XVIII of this chapter) to a portion of the facility that is such a skilled nursing facility.

(xi) Other rights

Any other right established by the Secretary.

Clause (iii) shall not be construed as requiring the provision of a private room. A resident's exercise of a right to refuse transfer under clause (x) shall not affect the resident's eligibility or entitlement to medical assistance under this subchapter or a State's entitlement to Federal medical assistance under this subchapter with respect to services furnished to such a resident.

(B) Notice of rights

A nursing facility must -

(i) inform each resident, orally and in writing at the time of admission to the facility, of the resident's legal rights during the stay at the facility and of the requirements and procedures for establishing eligibility for medical assistance under this subchapter, including the right to request an assessment under section 1396r-5(c) (1) (B) of this

title;

(ii) make available to each resident, upon reasonable request, a written statement of such rights (which statement is updated upon changes in such rights) including the notice (if any) of the State developed under subsection (e)(6) of this section;

(iii) inform each resident who is entitled to medical assistance under this subchapter -

(I) at the time of admission to the facility or, if later, at the time the resident becomes eligible for such assistance, of the items and services (including those specified under section 1396a(a)(28)(B) of this title) that are included in nursing facility services under the State plan and for which the resident may not be charged (except as permitted in section 1396o of this title), and of those other items and services that the facility offers and for which the resident may be charged and the amount of the charges for such items and services, and

(II) of changes in the items and services described in subclause (I) and of changes in the charges imposed for items and services described in that subclause; and

(iv) inform each other resident, in writing before or at the time of admission and periodically during the resident's stay, of services available in the facility and of related charges for such services, including any charges for services not covered under subchapter XVIII of this chapter or by the facility's basic per diem charge.

The written description of legal rights under this subparagraph shall include a description of the protection of personal funds under paragraph (6) and a statement that a resident may file a complaint with a State survey and certification agency respecting resident abuse and neglect and misappropriation of resident property in the facility.

(C) Rights of incompetent residents

In the case of a resident adjudged incompetent under the laws of a State, the rights of the resident under this subchapter shall devolve upon, and, to the extent judged necessary by a court of competent jurisdiction, be exercised by, the person appointed under State law to act on the resident's behalf.

(D) Use of psychopharmacologic drugs

Psychopharmacologic drugs may be administered only on the orders of a physician and only as part of a plan (included in the written plan of care described in paragraph (2)) designed to eliminate or modify the symptoms for which the drugs are prescribed and only if, at least annually an independent, external consultant reviews the appropriateness of the drug plan of each resident receiving such drugs.

(2) Transfer and discharge rights

(A) In general

A nursing facility must permit each resident to remain in the facility and must not transfer or discharge the resident from the facility unless -

(i) the transfer or discharge is necessary to meet the resident's welfare and the resident's welfare cannot be met in the facility;

(ii) the transfer or discharge is appropriate because the resident's health has improved sufficiently so the resident

no longer needs the services provided by the facility;

(iii) the safety of individuals in the facility is endangered;

(iv) the health of individuals in the facility would otherwise be endangered;

(v) the resident has failed, after reasonable and appropriate notice, to pay (or to have paid under this subchapter or subchapter XVIII of this chapter on the resident's behalf) for a stay at the facility; or

(vi) the facility ceases to operate.

In each of the cases described in clauses (i) through (iv), the basis for the transfer or discharge must be documented in the resident's clinical record. In the cases described in clauses (i) and (ii), the documentation must be made by the resident's physician, and in the case described in clause (iv) the documentation must be made by a physician. For purposes of clause (v), in the case of a resident who becomes eligible for assistance under this subchapter after admission to the facility, only charges which may be imposed under this subchapter shall be considered to be allowable.

(B) Pre-transfer and pre-discharge notice

(i) In general

Before effecting a transfer or discharge of a resident, a nursing facility must -

(I) notify the resident (and, if known, an immediate family member of the resident or legal representative) of the transfer or discharge and the reasons therefor,

(II) record the reasons in the resident's clinical record (including any documentation required under subparagraph (A)), and

(III) include in the notice the items described in clause (iii).

(ii) Timing of notice

The notice under clause (i) (I) must be made at least 30 days in advance of the resident's transfer or discharge except -

(I) in a case described in clause (iii) or (iv) of subparagraph (A);

(II) in a case described in clause (ii) of subparagraph (A), where the resident's health improves sufficiently to allow a more immediate transfer or discharge;

(III) in a case described in clause (i) of subparagraph (A), where a more immediate transfer or discharge is necessitated by the resident's urgent medical needs; or

(IV) in a case where a resident has not resided in the facility for 30 days.

In the case of such exceptions, notice must be given as many days before the date of the transfer or discharge as is practicable.

(iii) Items included in notice

Each notice under clause (i) must include -

(I) for transfers or discharges effected on or after October 1, 1989, notice of the resident's right to appeal the transfer or discharge under the State process established under subsection (e) (3) of this section;

(II) the name, mailing address, and telephone number of the State long-term care ombudsman (established under title

III or VII of the Older Americans Act of 1965 (42 U.S.C. 3021 et seq., 3058 et seq.) in accordance with section 712 of the Act (42 U.S.C. 3058g));

(III) in the case of residents with developmental disabilities, the mailing address and telephone number of the agency responsible for the protection and advocacy system for developmentally disabled individuals established under subtitle C of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (42 U.S.C. 15041 et seq.); and

(IV) in the case of mentally ill residents (as defined in subsection (e) (7) (G) (i) of this section), the mailing address and telephone number of the agency responsible for the protection and advocacy system for mentally ill individuals established under the Protection and Advocacy for Mentally Ill Individuals Act (FOOTNOTE 2) (42 U.S.C. 10801 et seq.).

(FOOTNOTE 2) See References in Text note below.

(C) Orientation

A nursing facility must provide sufficient preparation and orientation to residents to ensure safe and orderly transfer or discharge from the facility.

(D) Notice on bed-hold policy and readmission

(i) Notice before transfer

Before a resident of a nursing facility is transferred for hospitalization or therapeutic leave, a nursing facility must provide written information to the resident and an immediate family member or legal representative concerning -

(I) the provisions of the State plan under this subchapter regarding the period (if any) during which the resident will be permitted under the State plan to return and resume residence in the facility, and

(II) the policies of the facility regarding such a period, which policies must be consistent with clause (iii).

(ii) Notice upon transfer

At the time of transfer of a resident to a hospital or for therapeutic leave, a nursing facility must provide written notice to the resident and an immediate family member or legal representative of the duration of any period described in clause (i).

(iii) Permitting resident to return

A nursing facility must establish and follow a written policy under which a resident -

(I) who is eligible for medical assistance for nursing facility services under a State plan,

(II) who is transferred from the facility for hospitalization or therapeutic leave, and

(III) whose hospitalization or therapeutic leave exceeds a period paid for under the State plan for the holding of a bed in the facility for the resident, will be permitted to be readmitted to the facility immediately upon the first availability of a bed in a semiprivate room in the facility if, at the time of readmission, the resident requires the services provided by the facility.

(E) Information respecting advance directives

A nursing facility must comply with the requirement of

section 1396a(w) of this title (relating to maintaining written policies and procedures respecting advance directives).

(F) Continuing rights in case of voluntary withdrawal from participation

(i) In general

In the case of a nursing facility that voluntarily withdraws from participation in a State plan under this subchapter but continues to provide services of the type provided by nursing facilities -

(I) the facility's voluntary withdrawal from participation is not an acceptable basis for the transfer or discharge of residents of the facility who were residing in the facility on the day before the effective date of the withdrawal (including those residents who were not entitled to medical assistance as of such day);

(II) the provisions of this section continue to apply to such residents until the date of their discharge from the facility; and

(III) in the case of each individual who begins residence in the facility after the effective date of such withdrawal, the facility shall provide notice orally and in a prominent manner in writing on a separate page at the time the individual begins residence of the information described in clause (ii) and shall obtain from each such individual at such time an acknowledgment of receipt of such information that is in writing, signed by the individual, and separate from other documents signed by such individual.

Nothing in this subparagraph shall be construed as affecting any requirement of a participation agreement that a nursing facility provide advance notice to the State or the Secretary, or both, of its intention to terminate the agreement.

(ii) Information for new residents

The information described in this clause for a resident is the following:

(I) The facility is not participating in the program under this subchapter with respect to that resident.

(II) The facility may transfer or discharge the resident from the facility at such time as the resident is unable to pay the charges of the facility, even though the resident may have become eligible for medical assistance for nursing facility services under this subchapter.

(iii) Continuation of payments and oversight authority

Notwithstanding any other provision of this subchapter, with respect to the residents described in clause (i) (I), a participation agreement of a facility described in clause (i) is deemed to continue in effect under such plan after the effective date of the facility's voluntary withdrawal from participation under the State plan for purposes of -

(I) receiving payments under the State plan for nursing facility services provided to such residents;

(II) maintaining compliance with all applicable requirements of this subchapter; and

(III) continuing to apply the survey, certification, and enforcement authority provided under subsections (g) and

(h) of this section (including involuntary termination of a

participation agreement deemed continued under this clause).

(iv) No application to new residents

This paragraph (other than subclause (III) of clause (i)) shall not apply to an individual who begins residence in a facility on or after the effective date of the withdrawal from participation under this subparagraph.

(3) Access and visitation rights

A nursing facility must -

(A) permit immediate access to any resident by any representative of the Secretary, by any representative of the State, by an ombudsman or agency described in subclause (II), (III), or (IV) of paragraph (2) (B) (iii), or by the resident's individual physician;

(B) permit immediate access to a resident, subject to the resident's right to deny or withdraw consent at any time, by immediate family or other relatives of the resident;

(C) permit immediate access to a resident, subject to reasonable restrictions and the resident's right to deny or withdraw consent at any time, by others who are visiting with the consent of the resident;

(D) permit reasonable access to a resident by any entity or individual that provides health, social, legal, or other services to the resident, subject to the resident's right to deny or withdraw consent at any time; and

(E) permit representatives of the State ombudsman (described in paragraph (2) (B) (iii) (II)), with the permission of the resident (or the resident's legal representative) and consistent with State law, to examine a resident's clinical records.

(4) Equal access to quality care

(A) In general

A nursing facility must establish and maintain identical policies and practices regarding transfer, discharge, and the provision of services required under the State plan for all individuals regardless of source of payment.

(B) Construction

(i) Nothing prohibiting any charges for non-medicaid patients

Subparagraph (A) shall not be construed as prohibiting a nursing facility from charging any amount for services furnished, consistent with the notice in paragraph (1) (B) describing such charges.

(ii) No additional services required

Subparagraph (A) shall not be construed as requiring a State to offer additional services on behalf of a resident than are otherwise provided under the State plan.

(5) Admissions policy

(A) Admissions

With respect to admissions practices, a nursing facility must

-

(i) (I) not require individuals applying to reside or residing in the facility to waive their rights to benefits under this subchapter or subchapter XVIII of this chapter, (II) not require oral or written assurance that such individuals are not eligible for, or will not apply for, benefits under this subchapter or subchapter XVIII of this chapter, and (III) prominently display in the facility

written information, and provide to such individuals oral and written information, about how to apply for and use such benefits and how to receive refunds for previous payments covered by such benefits;

(ii) not require a third party guarantee of payment to the facility as a condition of admission (or expedited admission) to, or continued stay in, the facility; and

(iii) in the case of an individual who is entitled to medical assistance for nursing facility services, not charge, solicit, accept, or receive, in addition to any amount otherwise required to be paid under the State plan under this subchapter, any gift, money, donation, or other consideration as a precondition of admitting (or expediting the admission of) the individual to the facility or as a requirement for the individual's continued stay in the facility.

(B) Construction

(i) No preemption of stricter standards

Subparagraph (A) shall not be construed as preventing States or political subdivisions therein from prohibiting, under State or local law, the discrimination against individuals who are entitled to medical assistance under the State plan with respect to admissions practices of nursing facilities.

(ii) Contracts with legal representatives

Subparagraph (A)(ii) shall not be construed as preventing a facility from requiring an individual, who has legal access to a resident's income or resources available to pay for care in the facility, to sign a contract (without incurring personal financial liability) to provide payment from the resident's income or resources for such care.

(iii) Charges for additional services requested

Subparagraph (A)(iii) shall not be construed as preventing a facility from charging a resident, eligible for medical assistance under the State plan, for items or services the resident has requested and received and that are not specified in the State plan as included in the term "'nursing facility services'".

(iv) Bona fide contributions

Subparagraph (A)(iii) shall not be construed as prohibiting a nursing facility from soliciting, accepting, or receiving a charitable, religious, or philanthropic contribution from an organization or from a person unrelated to the resident (or potential resident), but only to the extent that such contribution is not a condition of admission, expediting admission, or continued stay in the facility.

(6) Protection of resident funds

(A) In general

The nursing facility -

(i) may not require residents to deposit their personal funds with the facility, and

(ii) upon the written authorization of the resident, must hold, safeguard, and account for such personal funds under a system established and maintained by the facility in accordance with this paragraph.

(A)(ii), the facility must manage and account for the personal

funds of the resident deposited with the facility as follows:

With respect to any other personal funds, the facility must maintain such funds in a non-interest bearing account or petty cash fund.

(ii) Accounting and records

The facility must assure a full and complete separate accounting of each such resident's personal funds, maintain a written record of all financial transactions involving the personal funds of a resident deposited with the facility, and afford the resident (or a legal representative of the resident) reasonable access to such record.

(iii) Notice of certain balances

The facility must notify each resident receiving medical assistance under the State plan under this subchapter when the amount in the resident's account reaches \$200 less than the dollar amount determined under section 1382(a)(3)(B) of this title and the fact that if the amount in the account (in addition to the value of the resident's other nonexempt resources) reaches the amount determined under such section the resident may lose eligibility for such medical assistance or for benefits under subchapter XVI of this chapter.

(iv) Conveyance upon death

Upon the death of a resident with such an account, the facility must convey promptly the resident's personal funds (and a final accounting of such funds) to the individual administering the resident's estate.

(C) Assurance of financial security

The facility must purchase a surety bond, or otherwise provide assurance satisfactory to the Secretary, to assure the security of all personal funds of residents deposited with the facility.

(D) Limitation on charges to personal funds

The facility may not impose a charge against the personal funds of a resident for any item or service for which payment is made under this subchapter or subchapter XVIII of this chapter.

(7) Limitation on charges in case of medicaid-eligible individuals

(A) In general

A nursing facility may not impose charges, for certain medicaid-eligible individuals for nursing facility services covered by the State under its plan under this subchapter, that exceed the payment amounts established by the State for such services under this subchapter.

(B) "Certain medicaid-eligible individual" defined

In subparagraph (A), the term "certain medicaid-eligible individual" means an individual who is entitled to medical assistance for nursing facility services in the facility under this subchapter but with respect to whom such benefits are not being paid because, in determining the amount of the individual's income to be applied monthly to payment for the

costs of such services, the amount of such income exceeds the payment amounts established by the State for such services under this subchapter.

(8) Posting of survey results

A nursing facility must post in a place readily accessible to residents, and family members and legal representatives of residents, the results of the most recent survey of the facility conducted under subsection (g) of this section.

(d) Requirements relating to administration and other matters

(1) Administration

(C) Nursing facility administrator

The administrator of a nursing facility must meet standards established by the Secretary under subsection (f) (4) of this section.

(2) Licensing and Life Safety Code

(A) Licensing

A nursing facility must be licensed under applicable State and local law.

(B) Life Safety Code

A nursing facility must meet such provisions of such edition (as specified by the Secretary in regulation) of the Life Safety Code of the National Fire Protection Association as are applicable to nursing homes; except that -

(i) the Secretary may waive, for such periods as he deems appropriate, specific provisions of such Code which if rigidly applied would result in unreasonable hardship upon a facility, but only if such waiver would not adversely affect the health and safety of residents or personnel, and

(ii) the provisions of such Code shall not apply in any State if the Secretary finds that in such State there is in effect a fire and safety code, imposed by State law, which adequately protects residents of and personnel in nursing facilities.

(3) Sanitary and infection control and physical environment

A nursing facility must -

(A) establish and maintain an infection control program designed to provide a safe, sanitary, and comfortable environment in which residents reside and to help prevent the development and transmission of disease and infection, and

(B) Other

A nursing facility must meet such other requirements relating to the health and safety of residents or relating to the physical facilities thereof as the Secretary may find necessary.

(e) State requirements relating to nursing facility requirements

As a condition of approval of its plan under this subchapter, a State must provide for the following:

(1) Specification and review of nurse aide training and competency evaluation programs and of nurse aide competency evaluation programs

The State must -

(A) by not later than January 1, 1989, specify those training and competency evaluation programs, and those competency evaluation programs, that the State approves for purposes of subsection (b) (5) of this section and that meet the requirements established under subsection (f) (2) of this section, and

(B) by not later than January 1, 1990, provide for the review and reapproval of such programs, at a frequency and using a methodology consistent with the requirements established under subsection (f) (2) (A) (iii) of this section.

The failure of the Secretary to establish requirements under subsection (f) (2) of this section shall not relieve any State of its responsibility under this paragraph.

(2) Nurse aide registry

(A) In general

By not later than January 1, 1989, the State shall establish and maintain a registry of all individuals who have satisfactorily completed a nurse aide training and competency evaluation program, approved under paragraph (1) in the State, or any individual described in subsection (f) (2) (B) (ii) of this section or in subparagraph (B), (C), or (D) of section 6901(b) (4) of the Omnibus Budget Reconciliation Act of 1989.

(B) Information in registry

The registry under subparagraph (A) shall provide (in accordance with regulations of the Secretary) for the inclusion of specific documented findings by a State under subsection

(g) (1) (C) of this section of resident neglect or abuse or misappropriation of resident property involving an individual listed in the registry, as well as any brief statement of the individual disputing the findings. The State shall make available to the public information in the registry. In the case of inquiries to the registry concerning an individual listed in the registry, any information disclosed concerning such a finding shall also include disclosure of any such statement in the registry relating to the finding or a clear and accurate summary of such a statement.

(C) Prohibition against charges

A State may not impose any charges on a nurse aide relating to the registry established and maintained under subparagraph (A).

(3) State appeals process for transfers and discharges

The State, for transfers and discharges from nursing facilities effected on or after October 1, 1989, must provide for a fair mechanism, meeting the guidelines established under subsection (f) (3) of this section, for hearing appeals on transfers and discharges of residents of such facilities; but the failure of the Secretary to establish such guidelines under such subsection shall not relieve any State of its responsibility under this paragraph.

(4) Nursing facility administrator standards

By not later than July 1, 1989, the State must have implemented and enforced the nursing facility administrator standards developed under subsection (f) (4) of this section respecting the qualification of administrators of nursing facilities.

(5) Specification of resident assessment instrument

Effective July 1, 1990, the State shall specify the instrument to be used by nursing facilities in the State in complying with the requirement of subsection (b) (3) (A) (iii) of this section. Such instrument shall be -

(A) one of the instruments designated under subsection (f) (6) (B) of this section, or

(B) an instrument which the Secretary has approved as being consistent with the minimum data set of core elements, common definitions, and utilization guidelines specified by the Secretary under subsection (f) (6) (A) of this section.

(6) Notice of medicaid rights

Each State, as a condition of approval of its plan under this subchapter, effective April 1, 1988, must develop (and periodically update) a written notice of the rights and obligations of residents of nursing facilities (and spouses of such residents) under this subchapter.

(7) State requirements for preadmission screening and resident review

(A) Preadmission screening

(i) In general

Effective January 1, 1989, the State must have in effect a preadmission screening program, for making determinations (using any criteria developed under subsection (f) (8) of this section) described in subsection (b) (3) (F) of this section for mentally ill and mentally retarded individuals (as defined in subparagraph (G)) who are admitted to nursing facilities on or after January 1, 1989. The failure of the Secretary to develop minimum criteria under subsection (f) (8)

of this section shall not relieve any State of its responsibility to have a preadmission screening program under this subparagraph or to perform resident reviews under subparagraph (B).

(ii) Clarification with respect to certain readmissions

The preadmission screening program under clause (i) need not provide for determinations in the case of the readmission to a nursing facility of an individual who, after being admitted to the nursing facility, was transferred for care in a hospital.

(iii) Exception for certain hospital discharges

The preadmission screening program under clause (i) shall not apply to the admission to a nursing facility of an individual -

(I) who is admitted to the facility directly from a hospital after receiving acute inpatient care at the hospital,

(II) who requires nursing facility services for the condition for which the individual received care in the hospital, and

(III) whose attending physician has certified, before admission to the facility, that the individual is likely to require less than 30 days of nursing facility services.

(B) State requirement for resident review

(i) For mentally ill residents

As of April 1, 1990, in the case of each resident of a nursing facility who is mentally ill, the State mental health authority must review and determine (using any criteria developed under subsection (f) (8) of this section and based on an independent physical and mental evaluation performed by a person or entity other than the State mental health authority) -

(I) whether or not the resident, because of the resident's physical and mental condition, requires the level of services provided by a nursing facility or requires the level of services of an inpatient psychiatric hospital for individuals under age 21 (as described in section 1396d(h) of this title) or of an institution for mental diseases providing medical assistance to individuals 65 years of age or older; and

(II) whether or not the resident requires specialized services for mental illness.

(ii) For mentally retarded residents

As of April 1, 1990, in the case of each resident of a nursing facility who is mentally retarded, the State mental retardation or developmental disability authority must review and determine (using any criteria developed under subsection (f) (8) of this section) -

(I) whether or not the resident, because of the resident's physical and mental condition, requires the level of services provided by a nursing facility or requires the level of services of an intermediate care facility described under section 1396d(d) of this title; and

(II) whether or not the resident requires specialized services for mental retardation.

(iii) Review required upon change in resident's condition

A review and determination under clause (i) or (ii) must be conducted promptly after a nursing facility has notified the State mental health authority or State mental retardation or developmental disability authority, as applicable, under subsection (b)(3)(E) of this section with respect to a mentally ill or mentally retarded resident, that there has been a significant change in the resident's physical or mental condition.

(iv) Prohibition of delegation

A State mental health authority, a State mental retardation or developmental disability authority, and a State may not delegate (by subcontract or otherwise) their responsibilities under this subparagraph to a nursing facility (or to an entity that has a direct or indirect affiliation or relationship with such a facility).

(C) Response to preadmission screening and resident review  
As of April 1, 1990, the State must meet the following requirements:

(i) Long-term residents not requiring nursing facility services, but requiring specialized services

In the case of a resident who is determined, under subparagraph (B), not to require the level of services provided by a nursing facility, but to require specialized services for mental illness or mental retardation, and who has continuously resided in a nursing facility for at least 30 months before the date of the determination, the State must, in consultation with the resident's family or legal representative and care-givers -

(I) inform the resident of the institutional and noninstitutional alternatives covered under the State plan for the resident,

(II) offer the resident the choice of remaining in the facility or of receiving covered services in an alternative appropriate institutional or noninstitutional setting,

(III) clarify the effect on eligibility for services under the State plan if the resident chooses to leave the facility (including its effect on readmission to the facility), and

(IV) regardless of the resident's choice, provide for (or arrange for the provision of) such specialized services for the mental illness or mental retardation.

A State shall not be denied payment under this subchapter for nursing facility services for a resident described in this clause because the resident does not require the level of services provided by such a facility, if the resident chooses to remain in such a facility.

(ii) Other residents not requiring nursing facility services, but requiring specialized services

In the case of a resident who is determined, under subparagraph (B), not to require the level of services provided by a nursing facility, but to require specialized services for mental illness or mental retardation, and who has not continuously resided in a nursing facility for at least 30 months before the date of the determination, the State must, in consultation with the resident's family or legal representative and care-givers -

(I) arrange for the safe and orderly discharge of the

resident from the facility, consistent with the requirements of subsection (c)(2) of this section,

(II) prepare and orient the resident for such discharge, and

(III) provide for (or arrange for the provision of) such specialized services for the mental illness or mental retardation.

(iii) Residents not requiring nursing facility services and not requiring specialized services

In the case of a resident who is determined, under subparagraph (B), not to require the level of services provided by a nursing facility and not to require specialized services for mental illness or mental retardation, the State must -

(I) arrange for the safe and orderly discharge of the resident from the facility, consistent with the requirements of subsection (c)(2) of this section, and

(II) prepare and orient the resident for such discharge.

(iv) Annual report

Each State shall report to the Secretary annually concerning the number and disposition of residents described in each of clauses (ii) and (iii).

(D) Denial of payment

(i) For failure to conduct preadmission screening or review

No payment may be made under section 1396b(a) of this title with respect to nursing facility services furnished to an individual for whom a determination is required under subsection (b)(3)(F) of this section or subparagraph (B) but for whom the determination is not made.

(ii) For certain residents not requiring nursing facility level of services

No payment may be made under section 1396b(a) of this title with respect to nursing facility services furnished to an individual (other than an individual described in subparagraph (C)(i)) who does not require the level of services provided by a nursing facility.

(E) Permitting alternative disposition plans

With respect to residents of a nursing facility who are mentally retarded or mentally ill and who are determined under subparagraph (B) not to require the level of services of such a facility, but who require specialized services for mental illness or mental retardation, a State and the nursing facility shall be considered to be in compliance with the requirements of subparagraphs (A) through (C) of this paragraph if, before April 1, 1989, the State and the Secretary have entered into an agreement relating to the disposition of such residents of the facility and the State is in compliance with such agreement. Such an agreement may provide for the disposition of the residents after the date specified in subparagraph (C). The State may revise such an agreement, subject to the approval of the Secretary, before October 1, 1991, but only if, under the revised agreement, all residents subject to the agreement who do not require the level of services of such a facility are discharged from the facility by not later than April 1, 1994.

(F) Appeals procedures

Each State, as a condition of approval of its plan under this subchapter, effective January 1, 1989, must have in effect an

appeals process for individuals adversely affected by determinations under subparagraph (A) or (B).

(G) Definitions

In this paragraph and in subsection (b) (3) (F) of this section:

(i) An individual is considered to be "'mentally ill'" if the individual has a serious mental illness (as defined by the Secretary in consultation with the National Institute of Mental Health) and does not have a primary diagnosis of dementia (including Alzheimer's disease or a related disorder) or a diagnosis (other than a primary diagnosis) of dementia and a primary diagnosis that is not a serious mental illness.

(ii) An individual is considered to be "'mentally retarded'" if the individual is mentally retarded or a person with a related condition (as described in section 1396d(d) of this title).

(iii) The term "'specialized services'" has the meaning given such term by the Secretary in regulations, but does not include, in the case of a resident of a nursing facility, services within the scope of services which the facility must provide or arrange for its residents under subsection (b) (4) of this section.

(f) Responsibilities of Secretary relating to nursing facility requirements

(1) General responsibility

It is the duty and responsibility of the Secretary to assure that requirements which govern the provision of care in nursing facilities under State plans approved under this subchapter, and the enforcement of such requirements, are adequate to protect the health, safety, welfare, and rights of residents and to promote the effective and efficient use of public moneys.

(2) Requirements for nurse aide training and competency evaluation programs and for nurse aide competency evaluation programs

(ii) requirements for the approval of nurse aide competency evaluation programs, including requirement relating to the areas to be covered in such a program, including at least basic nursing skills, personal care skills, recognition of mental health and social service needs, care of cognitively impaired residents, basic restorative services, and

residents' rights, and procedures for determination of competency;

(iii) requirements respecting the minimum frequency and methodology to be used by a State in reviewing such programs' compliance with the requirements for such programs; and

(iv) requirements, under both such programs, that -

(I) provide procedures for determining competency that permit a nurse aide, at the nurse aide's option, to establish competency through procedures or methods other than the passing of a written examination and to have the competency evaluation conducted at the nursing facility at which the aide is (or will be) employed (unless the facility is described in subparagraph (B)(iii)(I)),

(II) prohibit the imposition on a nurse aide who is employed by (or who has received an offer of employment from) a facility on the date on which the aide begins either such program of any charges (including any charges for textbooks and other required course materials and any charges for the competency evaluation) for either such program, and

(III) in the case of a nurse aide not described in subclause (II) who is employed by (or who has received an offer of employment from) a facility not later than 12 months after completing either such program, the State shall provide for the reimbursement of costs incurred in completing such program on a prorata basis during the period in which the nurse aide is so employed.

(B) Approval of certain programs

Such requirements -

(i) may permit approval of programs offered by or in facilities, as well as outside facilities (including employee organizations), and of programs in effect on December 22, 1987;

(ii) shall permit a State to find that an individual who has completed (before July 1, 1989) a nurse aide training and competency evaluation program shall be deemed to have completed such a program approved under subsection (b)(5) of this section if the State determines that, at the time the program was offered, the program met the requirements for approval under such paragraph; and

(iii) subject to subparagraph (C), shall prohibit approval of such a program -

(I) offered by or in a nursing facility which, within the previous 2 years -

(a) has operated under a waiver under subsection

(b)(4)(C)(ii) of this section that was granted on the basis of a demonstration that the facility is unable to provide the nursing care required under subsection

(b)(4)(C)(i) of this section for a period in excess of 48 hours during a week;

(b) has been subject to an extended (or partial extended) survey under section 1395i-3(g)(2)(B)(i) of this title or subsection (g)(2)(B)(i) of this section; or

(c) has been assessed a civil money penalty described in section 1395i-3(h)(2)(B)(ii) of this title or subsection (h)(2)(A)(ii) of this section of not less than \$5,000, or has been subject to a remedy described in

subsection (h) (1) (B) (i) of this section, clauses (FOOTNOTE 3) (i), (iii), or (iv) of subsection (h) (2) (A) of this section, clauses (FOOTNOTE 3) (i) or (iii) of section 1395i-3(h) (2) (B) of this title, or section 1395i-3(h) (4) of this title, or

(FOOTNOTE 3) So in original. Probably should be ''clause''.

(II) offered by or in a nursing facility unless the State makes the determination, upon an individual's completion of the program, that the individual is competent to provide nursing and nursing-related services in nursing facilities.

A State may not delegate (through subcontract or otherwise) its responsibility under clause (iii) (II) to the nursing facility.

(C) Waiver authorized

Clause (iii) (I) of subparagraph (B) shall not apply to a program offered in (but not by) a nursing facility (or skilled nursing facility for purposes of subchapter XVIII of this chapter) in a State if the State -

(i) determines that there is no other such program offered within a reasonable distance of the facility,

(ii) assures, through an oversight effort, that an adequate environment exists for operating the program in the facility, and

(iii) provides notice of such determination and assurances to the State long-term care ombudsman.

(3) Federal guidelines for State appeals process for transfers and discharges

For purposes of subsections (c) (2) (B) (iii) and (e) (3) of this section, by not later than October 1, 1988, the Secretary shall establish guidelines for minimum standards which State appeals processes under subsection (e) (3) of this section must meet to provide a fair mechanism for hearing appeals on transfers and discharges of residents from nursing facilities.

(4) Secretarial standards qualification of administrators

For purposes of subsections (d) (1) (C) and (e) (4) of this section, the Secretary shall develop, by not later than March 1, 1988, standards to be applied in assuring the qualifications of administrators of nursing facilities.

(5) Criteria for administration

The Secretary shall establish criteria for assessing a nursing facility's compliance with the requirement of subsection (d) (1) of this section with respect to -

(A) its governing body and management,

(B) agreements with hospitals regarding transfers of residents to and from the hospitals and to and from other nursing facilities,

(C) disaster preparedness,

(D) direction of medical care by a physician,

(E) laboratory and radiological services,

(F) clinical records, and

(G) resident and advocate participation.

(6) Specification of resident assessment data set and instruments

The Secretary shall -

(A) not later than January 1, 1989, specify a minimum data set of core elements and common definitions for use by nursing facilities in conducting the assessments required under subsection (b) (3) of this section, and establish guidelines for

utilization of the data set; and

(B) by not later than April 1, 1990, designate one or more instruments which are consistent with the specification made under subparagraph (A) and which a State may specify under subsection (e) (5) (A) of this section for use by nursing facilities in complying with the requirements of subsection (b) (3) (A) (iii) of this section.

- (7) List of items and services furnished in nursing facilities not chargeable to the personal funds of a resident  
(A) Regulations required

Pursuant to the requirement of section 21(b) of the Medicare-Medicaid Anti-Fraud and Abuse Amendments of 1977, the Secretary shall issue regulations, on or before the first day of the seventh month to begin after December 22, 1987, that define those costs which may be charged to the personal funds of residents in nursing facilities who are individuals receiving medical assistance with respect to nursing facility services under this subchapter and those costs which are to be included in the payment amount under this subchapter for nursing facility services.

(B) Rule if failure to publish regulations

If the Secretary does not issue the regulations under subparagraph (A) on or before the date required in that subparagraph, in the case of a resident of a nursing facility who is eligible to receive benefits for nursing facility services under this subchapter, for purposes of section 1396a(a) (28) (B) of this title, the Secretary shall be deemed to have promulgated regulations under this paragraph which provide that the costs which may not be charged to the personal funds of such resident (and for which payment is considered to be made under this subchapter) include, at a minimum, the costs for routine personal hygiene items and services furnished by the facility.

- (8) Federal minimum criteria and monitoring for preadmission screening and resident review

(A) Minimum criteria

The Secretary shall develop, by not later than October 1, 1988, minimum criteria for States to use in making determinations under subsections (b) (3) (F) and (e) (7) (B) of this section and in permitting individuals adversely affected to appeal such determinations, and shall notify the States of such criteria.

(B) Monitoring compliance

The Secretary shall review, in a sufficient number of cases to allow reasonable inferences, each State's compliance with the requirements of subsection (e) (7) (C) (ii) of this section (relating to discharge and placement for active treatment of certain residents).

- (9) Criteria for monitoring State waivers

The Secretary shall develop, by not later than October 1, 1988, criteria and procedures for monitoring State performances in granting waivers pursuant to subsection (b) (4) (C) (ii) of this section.

- (g) Survey and certification process

- (1) State and Federal responsibility

(A) In general

Under each State plan under this subchapter, the State shall

be responsible for certifying, in accordance with surveys conducted under paragraph (2), the compliance of nursing facilities (other than facilities of the State) with the requirements of subsections (b), (c), and (d) of this section. The Secretary shall be responsible for certifying, in accordance with surveys conducted under paragraph (2), the compliance of State nursing facilities with the requirements of such subsections.

(B) Educational program

Each State shall conduct periodic educational programs for the staff and residents (and their representatives) of nursing facilities in order to present current regulations, procedures, and policies under this section.

(C) Investigation of allegations of resident neglect and abuse and misappropriation of resident property

The State shall provide, through the agency responsible for surveys and certification of nursing facilities under this subsection, for a process for the receipt and timely review and investigation of allegations of neglect and abuse and misappropriation of resident property by a nurse aide of a resident in a nursing facility or by another individual used by the facility in providing services to such a resident. The State shall, after notice to the individual involved and a reasonable opportunity for a hearing for the individual to rebut allegations, make a finding as to the accuracy of the allegations. If the State finds that a nurse aide has neglected or abused a resident or misappropriated resident property in a facility, the State shall notify the nurse aide and the registry of such finding. If the State finds that any other individual used by the facility has neglected or abused a resident or misappropriated resident property in a facility, the State shall notify the appropriate licensure authority. A State shall not make a finding that an individual has neglected a resident if the individual demonstrates that such neglect was caused by factors beyond the control of the individual.

(D) Removal of name from nurse aide registry

(i) In general

In the case of a finding of neglect under subparagraph (C), the State shall establish a procedure to permit a nurse aide to petition the State to have his or her name removed from the registry upon a determination by the State that -

(I) the employment and personal history of the nurse aide does not reflect a pattern of abusive behavior or neglect; and

(II) the neglect involved in the original finding was a singular occurrence.

(ii) Timing of determination

In no case shall a determination on a petition submitted under clause (i) be made prior to the expiration of the 1-year period beginning on the date on which the name of the petitioner was added to the registry under subparagraph (C).

(E) Construction

The failure of the Secretary to issue regulations to carry out this subsection shall not relieve a State of its responsibility under this subsection.

(2) Surveys

(A) Annual standard survey

(i) In general

Each nursing facility shall be subject to a standard survey, to be conducted without any prior notice to the facility. Any individual who notifies (or causes to be notified) a nursing facility of the time or date on which such a survey is scheduled to be conducted is subject to a civil money penalty of not to exceed \$2,000. The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title. The Secretary shall review each State's procedures for scheduling and conduct of standard surveys to assure that the State has taken all reasonable steps to avoid giving notice of such a survey through the scheduling procedures and the conduct of the surveys themselves.

(ii) Contents

Each standard survey shall include, for a case-mix stratified sample of residents -

(I) a survey of the quality of care furnished, as measured by indicators of medical, nursing, and rehabilitative care, dietary and nutrition services, activities and social participation, and sanitation, infection control, and the physical environment,

(II) written plans of care provided under subsection (b) (2) of this section and an audit of the residents' assessments under subsection (b) (3) of this section to determine the accuracy of such assessments and the adequacy of such plans of care, and

(III) a review of compliance with residents' rights under subsection (c) of this section.

(iii) Frequency

(I) In general

Each nursing facility shall be subject to a standard survey not later than 15 months after the date of the previous standard survey conducted under this subparagraph. The statewide average interval between standard surveys of a nursing facility shall not exceed 12 months.

(II) Special surveys

If not otherwise conducted under subclause (I), a standard survey (or an abbreviated standard survey) may be conducted within 2 months of any change of ownership, administration, management of a nursing facility, or director of nursing in order to determine whether the change has resulted in any decline in the quality of care furnished in the facility.

(B) Extended surveys

(i) In general

Each nursing facility which is found, under a standard survey, to have provided substandard quality of care shall be subject to an extended survey. Any other facility may, at the Secretary's or State's discretion, be subject to such an extended survey (or a partial extended survey).

(ii) Timing

The extended survey shall be conducted immediately after the standard survey (or, if not practicable, not later than 2

weeks after the date of completion of the standard survey).

(iii) Contents

In such an extended survey, the survey team shall review and identify the policies and procedures which produced such substandard quality of care and shall determine whether the facility has complied with all the requirements described in subsections (b), (c), and (d) of this section. Such review shall include an expansion of the size of the sample of residents' assessments reviewed and a review of the staffing, of in-service training, and, if appropriate, of contracts with consultants.

(iv) Construction

Nothing in this paragraph shall be construed as requiring an extended or partial extended survey as a prerequisite to imposing a sanction against a facility under subsection (h) of this section on the basis of findings in a standard survey.

(C) Survey protocol

Standard and extended surveys shall be conducted -

(i) based upon a protocol which the Secretary has developed, tested, and validated by not later than January 1, 1990, and

(ii) by individuals, of a survey team, who meet such minimum qualifications as the Secretary establishes by not later than such date.

The failure of the Secretary to develop, test, or validate such protocols or to establish such minimum qualifications shall not relieve any State of its responsibility (or the Secretary of the Secretary's responsibility) to conduct surveys under this subsection.

(D) Consistency of surveys

Each State shall implement programs to measure and reduce inconsistency in the application of survey results among surveyors.

(E) Survey teams

(i) In general

Surveys under this subsection shall be conducted by a multidisciplinary team of professionals (including a registered professional nurse).

(ii) Prohibition of conflicts of interest

A State may not use as a member of a survey team under this subsection an individual who is serving (or has served within the previous 2 years) as a member of the staff of, or as a consultant to, the facility surveyed respecting compliance with the requirements of subsections (b), (c), and (d) of this section, or who has a personal or familial financial interest in the facility being surveyed.

(iii) Training

The Secretary shall provide for the comprehensive training of State and Federal surveyors in the conduct of standard and extended surveys under this subsection, including the auditing of resident assessments and plans of care. No individual shall serve as a member of a survey team unless the individual has successfully completed a training and testing program in survey and certification techniques that has been approved by the Secretary.

(3) Validation surveys

(A) In general

The Secretary shall conduct onsite surveys of a representative sample of nursing facilities in each State, within 2 months of the date of surveys conducted under paragraph (2) by the State, in a sufficient number to allow inferences about the adequacies of each State's surveys conducted under paragraph (2). In conducting such surveys, the Secretary shall use the same survey protocols as the State is required to use under paragraph (2). If the State has determined that an individual nursing facility meets the requirements of subsections (b), (c), and (d) of this section, but the Secretary determines that the facility does not meet such requirements, the Secretary's determination as to the facility's noncompliance with such requirements is binding and supersedes that of the State survey.

(B) Scope

With respect to each State, the Secretary shall conduct surveys under subparagraph (A) each year with respect to at least 5 percent of the number of nursing facilities surveyed by the State in the year, but in no case less than 5 nursing facilities in the State.

(C) Reduction in administrative costs for substandard performance

If the Secretary finds, on the basis of such surveys, that a State has failed to perform surveys as required under paragraph (2) or that a State's survey and certification performance otherwise is not adequate, the Secretary may provide for the training of survey teams in the State and shall provide for a reduction of the payment otherwise made to the State under section 1396b(a)(2)(D) of this title with respect to a quarter equal to 33 percent multiplied by a fraction, the denominator of which is equal to the total number of residents in nursing facilities surveyed by the Secretary that quarter and the numerator of which is equal to the total number of residents in nursing facilities which were found pursuant to such surveys to be not in compliance with any of the requirements of subsections (b), (c), and (d) of this section. A State that is dissatisfied with the Secretary's findings under this subparagraph may obtain reconsideration and review of the findings under section 1316 of this title in the same manner as a State may seek reconsideration and review under that section of the Secretary's determination under section 1316(a)(1) of this title.

(D) Special surveys of compliance

Where the Secretary has reason to question the compliance of a nursing facility with any of the requirements of subsections (b), (c), and (d) of this section, the Secretary may conduct a survey of the facility and, on the basis of that survey, make independent and binding determinations concerning the extent to which the nursing facility meets such requirements.

(4) Investigation of complaints and monitoring nursing facility compliance

Each State shall maintain procedures and adequate staff to -

(A) investigate complaints of violations of requirements by nursing facilities, and

(B) monitor, on-site, on a regular, as needed basis, a nursing facility's compliance with the requirements of

subsections (b), (c), and (d) of this section, if -

- (i) the facility has been found not to be in compliance with such requirements and is in the process of correcting deficiencies to achieve such compliance;
- (ii) the facility was previously found not to be in compliance with such requirements, has corrected deficiencies to achieve such compliance, and verification of continued compliance is indicated; or
- (iii) the State has reason to question the compliance of the facility with such requirements.

A State may maintain and utilize a specialized team (including an attorney, an auditor, and appropriate health care professionals) for the purpose of identifying, surveying, gathering and preserving evidence, and carrying out appropriate enforcement actions against substandard nursing facilities.

(5) Disclosure of results of inspections and activities

(A) Public information

Each State, and the Secretary, shall make available to the public -

- (i) information respecting all surveys and certifications made respecting nursing facilities, including statements of deficiencies, within 14 calendar days after such information is made available to those facilities, and approved plans of correction,
- (ii) copies of cost reports of such facilities filed under this subchapter or under subchapter XVIII of this chapter,
- (iii) copies of statements of ownership under section 1320a-3 of this title, and
- (iv) information disclosed under section 1320a-5 of this title.

(B) Notice to ombudsman

Each State shall notify the State long-term care ombudsman (established under title III or VII of the Older Americans Act of 1965 (42 U.S.C. 3021 et seq., 3058 et seq.) in accordance with section 712 of the Act (42 U.S.C. 3058g)) of the State's findings of noncompliance with any of the requirements of subsections (b), (c), and (d) of this section, or of any adverse action taken against a nursing facility under paragraphs (FOOTNOTE 4) (1), (2), or (3) of subsection (h) of this section, with respect to a nursing facility in the State. (FOOTNOTE 4) So in original. Probably should be 'paragraph'.

(C) Notice to physicians and nursing facility administrator licensing board

If a State finds that a nursing facility has provided substandard quality of care, the State shall notify -

- (i) the attending physician of each resident with respect to which such finding is made, and
- (ii) any State board responsible for the licensing of the nursing facility administrator of the facility.

(D) Access to fraud control units

Each State shall provide its State medicaid fraud and abuse control unit (established under section 1396b(q) of this title) with access to all information of the State agency responsible for surveys and certifications under this subsection.

(h) Enforcement process

(1) In general

If a State finds, on the basis of a standard, extended, or

partial extended survey under subsection (g) (2) of this section or otherwise, that a nursing facility no longer meets a requirement of subsection (b), (c), or (d) of this section, and further finds that the facility's deficiencies -

(A) immediately jeopardize the health or safety of its residents, the State shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in paragraph (2) (A) (iii), or terminate the facility's participation under the State plan and may provide, in addition, for one or more of the other remedies described in paragraph (2); or

(B) do not immediately jeopardize the health or safety of its residents, the State may -

(i) terminate the facility's participation under the State plan,

(ii) provide for one or more of the remedies described in paragraph (2), or

(iii) do both.

Nothing in this paragraph shall be construed as restricting the remedies available to a State to remedy a nursing facility's deficiencies. If a State finds that a nursing facility meets the requirements of subsections (b), (c), and (d) of this section, but, as of a previous period, did not meet such requirements, the State may provide for a civil money penalty under paragraph (2) (A) (ii) for the days in which it finds that the facility was not in compliance with such requirements.

(2) Specified remedies

(A) Listing

Except as provided in subparagraph (B) (ii), each State shall establish by law (whether statute or regulation) at least the following remedies:

(i) Denial of payment under the State plan with respect to any individual admitted to the nursing facility involved after such notice to the public and to the facility as may be provided for by the State.

(ii) A civil money penalty assessed and collected, with interest, for each day in which the facility is or was out of compliance with a requirement of subsection (b), (c), or (d) of this section. Funds collected by a State as a result of imposition of such a penalty (or as a result of the imposition by the State of a civil money penalty for activities described in subsections (b) (3) (B) (ii) (I), (b) (3) (B) (ii) (II), or (g) (2) (A) (i) of this section) shall be applied to the protection of the health or property of residents of nursing facilities that the State or the Secretary finds deficient, including payment for the costs of relocation of residents to other facilities, maintenance of operation of a facility pending correction of deficiencies or closure, and reimbursement of residents for personal funds lost.

(iii) The appointment of temporary management to oversee the operation of the facility and to assure the health and safety of the facility's residents, where there is a need for temporary management while -

(I) there is an orderly closure of the facility, or

(II) improvements are made in order to bring the facility into compliance with all the requirements of subsections

(b), (c), and (d) of this section.

The temporary management under this clause shall not be terminated under subclause (II) until the State has determined that the facility has the management capability to ensure continued compliance with all the requirements of subsections (b), (c), and (d) of this section.

(iv) The authority, in the case of an emergency, to close the facility, to transfer residents in that facility to other facilities, or both.

The State also shall specify criteria, as to when and how each of such remedies is to be applied, the amounts of any fines, and the severity of each of these remedies, to be used in the imposition of such remedies. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the remedies and shall provide for the imposition of incrementally more severe fines for repeated or uncorrected deficiencies. In addition, the State may provide for other specified remedies, such as directed plans of correction.

(B) Deadline and guidance

(i) Except as provided in clause (ii), as a condition for approval of a State plan for calendar quarters beginning on or after October 1, 1989, each State shall establish the remedies described in clauses (i) through (iv) of subparagraph (A) by not later than October 1, 1989. The Secretary shall provide, through regulations by not later than October 1, 1988, guidance to States in establishing such remedies; but the failure of the Secretary to provide such guidance shall not relieve a State of the responsibility for establishing such remedies.

(ii) A State may establish alternative remedies (other than termination of participation) other than those described in clauses (i) through (iv) of subparagraph (A), if the State demonstrates to the Secretary's satisfaction that the alternative remedies are as effective in deterring noncompliance and correcting deficiencies as those described in subparagraph (A).

(C) Assuring prompt compliance

If a nursing facility has not complied with any of the requirements of subsections (b), (c), and (d) of this section, within 3 months after the date the facility is found to be out of compliance with such requirements, the State shall impose the remedy described in subparagraph (A)(i) for all individuals who are admitted to the facility after such date.

(D) Repeated noncompliance

In the case of a nursing facility which, on 3 consecutive standard surveys conducted under subsection (g)(2) of this section, has been found to have provided substandard quality of care, the State shall (regardless of what other remedies are provided) -

(i) impose the remedy described in subparagraph (A)(i), and

(ii) monitor the facility under subsection (g)(4)(B) of

this section,

until the facility has demonstrated, to the satisfaction of the State, that it is in compliance with the requirements of subsections (b), (c), and (d) of this section, and that it will remain in compliance with such requirements.

(E) Funding

The reasonable expenditures of a State to provide for temporary management and other expenses associated with implementing the remedies described in clauses (iii) and (iv) of subparagraph (A) shall be considered, for purposes of section 1396b(a)(7) of this title, to be necessary for the proper and efficient administration of the State plan.

(F) Incentives for high quality care

In addition to the remedies specified in this paragraph, a State may establish a program to reward, through public recognition, incentive payments, or both, nursing facilities that provide the highest quality care to residents who are entitled to medical assistance under this subchapter. For purposes of section 1396b(a)(7) of this title, proper expenses incurred by a State in carrying out such a program shall be considered to be expenses necessary for the proper and efficient administration of the State plan under this subchapter.

(3) Secretarial authority

(A) For State nursing facilities

With respect to a State nursing facility, the Secretary shall have the authority and duties of a State under this subsection, including the authority to impose remedies described in clauses (i), (ii), and (iii) of paragraph (2)(A).

(B) Other nursing facilities

With respect to any other nursing facility in a State, if the Secretary finds that a nursing facility no longer meets a requirement of subsection (b), (c), (d), or (e) of this section, and further finds that the facility's deficiencies -

(i) immediately jeopardize the health or safety of its residents, the Secretary shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in subparagraph (C)(iii), or terminate the facility's participation under the State plan and may provide, in addition, for one or more of the other remedies described in subparagraph (C); or

(ii) do not immediately jeopardize the health or safety of its residents, the Secretary may impose any of the remedies described in subparagraph (C).

Nothing in this subparagraph shall be construed as restricting the remedies available to the Secretary to remedy a nursing facility's deficiencies. If the Secretary finds that a nursing facility meets such requirements but, as of a previous period, did not meet such requirements, the Secretary may provide for a civil money penalty under subparagraph (C)(ii) for the days on which he finds that the facility was not in compliance with such requirements.

(C) Specified remedies

The Secretary may take the following actions with respect to a finding that a facility has not met an applicable requirement:

(i) Denial of payment

The Secretary may deny any further payments to the State for medical assistance furnished by the facility to all individuals in the facility or to individuals admitted to the facility after the effective date of the finding.

(ii) Authority with respect to civil money penalties

The Secretary may impose a civil money penalty in an amount

not to exceed \$10,000 for each day of noncompliance. The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title.

(iii) Appointment of temporary management

In consultation with the State, the Secretary may appoint temporary management to oversee the operation of the facility and to assure the health and safety of the facility's residents, where there is a need for temporary management while -

- (I) there is an orderly closure of the facility, or
- (II) improvements are made in order to bring the facility into compliance with all the requirements of subsections (b), (c), and (d) of this section.

The temporary management under this clause shall not be terminated under subclause (II) until the Secretary has determined that the facility has the management capability to ensure continued compliance with all the requirements of subsections (b), (c), and (d) of this section.

The Secretary shall specify criteria, as to when and how each of such remedies is to be applied, the amounts of any fines, and the severity of each of these remedies, to be used in the imposition of such remedies. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the remedies and shall provide for the imposition of incrementally more severe fines for repeated or uncorrected deficiencies. In addition, the Secretary may provide for other specified remedies, such as directed plans of correction.

(D) Continuation of payments pending remediation

The Secretary may continue payments, over a period of not longer than 6 months after the effective date of the findings, under this subchapter with respect to a nursing facility not in compliance with a requirement of subsection (b), (c), or (d) of this section, if -

- (i) the State survey agency finds that it is more appropriate to take alternative action to assure compliance of the facility with the requirements than to terminate the certification of the facility, and
- (ii) the State has submitted a plan and timetable for corrective action to the Secretary for approval and the Secretary approves the plan of corrective action.

The Secretary shall establish guidelines for approval of corrective actions requested by States under this subparagraph.

(4) Effective period of denial of payment

A finding to deny payment under this subsection shall terminate when the State or Secretary (or both, as the case may be) finds that the facility is in substantial compliance with all the requirements of subsections (b), (c), and (d) of this section.

(5) Immediate termination of participation for facility where

State or Secretary finds noncompliance and immediate jeopardy

If either the State or the Secretary finds that a nursing facility has not met a requirement of subsection (b), (c), or (d) of this section, and finds that the failure immediately jeopardizes the health or safety of its residents, the State or

the Secretary, respectively (FOOTNOTE 5) shall notify the other of such finding, and the State or the Secretary, respectively, shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in paragraph (2) (A) (iii) or (3) (C) (iii), or terminate the facility's participation under the State plan. If the facility's participation in the State plan is terminated by either the State or the Secretary, the State shall provide for the safe and orderly transfer of the residents eligible under the State plan consistent with the requirements of subsection (c) (2) of this section.

(FOOTNOTE 5) So in original. Probably should be followed by a comma.

(6) Special rules where State and Secretary do not agree on finding of noncompliance

(A) State finding of noncompliance and no Secretarial finding of noncompliance

If the Secretary finds that a nursing facility has met all the requirements of subsections (b), (c), and (d) of this section, but a State finds that the facility has not met such requirements and the failure does not immediately jeopardize the health or safety of its residents, the State's findings shall control and the remedies imposed by the State shall be applied.

(B) Secretarial finding of noncompliance and no State finding of noncompliance

If the Secretary finds that a nursing facility has not met all the requirements of subsections (b), (c), and (d) of this section, and that the failure does not immediately jeopardize the health or safety of its residents, but the State has not made such a finding, the Secretary -

(i) may impose any remedies specified in paragraph (3) (C) with respect to the facility, and

(ii) shall (pending any termination by the Secretary) permit continuation of payments in accordance with paragraph (3) (D).

(7) Special rules for timing of termination of participation where remedies overlap

If both the Secretary and the State find that a nursing facility has not met all the requirements of subsections (b), (c), and (d) of this section, and neither finds that the failure immediately jeopardizes the health or safety of its residents -

(A) (i) if both find that the facility's participation under the State plan should be terminated, the State's timing of any termination shall control so long as the termination date does not occur later than 6 months after the date of the finding to terminate;

(ii) if the Secretary, but not the State, finds that the facility's participation under the State plan should be terminated, the Secretary shall (pending any termination by the Secretary) permit continuation of payments in accordance with paragraph (3) (D); or

(iii) if the State, but not the Secretary, finds that the facility's participation under the State plan should be terminated, the State's decision to terminate, and timing of such termination, shall control; and

(B) (i) if the Secretary or the State, but not both,

establishes one or more remedies which are additional or alternative to the remedy of terminating the facility's participation under the State plan, such additional or alternative remedies shall also be applied, or

(ii) if both the Secretary and the State establish one or more remedies which are additional or alternative to the remedy of terminating the facility's participation under the State plan, only the additional or alternative remedies of the Secretary shall apply.

(8) Construction

The remedies provided under this subsection are in addition to those otherwise available under State or Federal law and shall not be construed as limiting such other remedies, including any remedy available to an individual at common law. The remedies described in clauses (i), (iii), and (iv) of paragraph (2)(A) may be imposed during the pendency of any hearing. The provisions of this subsection shall apply to a nursing facility (or portion thereof) notwithstanding that the facility (or portion thereof) also is a skilled nursing facility for purposes of subchapter XVIII of this chapter.

(9) Sharing of information

Notwithstanding any other provision of law, all information concerning nursing facilities required by this section to be filed with the Secretary or a State agency shall be made available by such facilities to Federal or State employees for purposes consistent with the effective administration of programs established under this subchapter and subchapter XVIII of this chapter, including investigations by State medicaid fraud control units.

(i) Construction

Where requirements or obligations under this section are identical to those provided under section 1395i-3 of this title, the fulfillment of those requirements or obligations under section 1395i-3 of this title shall be considered to be the fulfillment of the corresponding requirements or obligations under this section.

(e) Termination of provider agreements; disallowance of percentage amounts for purposes of Federal financial participation

(1) If the Secretary, at the conclusion of the 6-month plan of correction described in subsection (a)(1) of this section, determines that the State has substantially failed to correct the deficiencies described in subsection (a) of this section, the Secretary may terminate the facility's provider agreement in accordance with the provisions of section 1396i(b) of this title.

(2) In the case of a reduction plan described in subsection (a)(2) of this section, if the Secretary determines, at the conclusion of the initial 6-month period or any 6-month interval thereafter, that the State has substantially failed to meet the requirements of subsection (c) of this section, the Secretary shall

- (A) terminate the facility's provider agreement in accordance with the provisions of section 1396i(b) of this title; or

(B) if the State has failed to meet such requirements despite good faith efforts, disallow, for purposes of Federal financial participation, an amount equal to 5 percent of the cost of care for all eligible individuals in the facility for each month for which the State fails to meet such requirements.

(f) Applicability of section limited to plans approved by January 1, 1990

The provisions of this section shall apply only to plans of correction and reduction plans approved by the Secretary by January 1, 1990.

TITLE 42 - THE PUBLIC HEALTH AND WELFARE

CHAPTER 7 - SOCIAL SECURITY

SUBCHAPTER XIX - GRANTS TO STATES FOR MEDICAL ASSISTANCE PROGRAMS

-HEAD-

Sec. 1396r-4. Adjustment in payment for inpatient hospital services furnished by disproportionate share hospitals

-STATUTE-

(a) Implementation of requirement

(1) A State plan under this subchapter shall not be considered to meet the requirement of section 1396a(a)(13)(A)(iv) of this title

(insofar as it requires payments to hospitals to take into account the situation of hospitals which serve a disproportionate number of low income patients with special needs), as of July 1, 1988, unless the State has submitted to the Secretary, by not later than such date, an amendment to such plan that -

(A) specifically defines the hospitals so described (and includes in such definition any disproportionate share hospital described in subsection (b) (1) of this section which meets the requirements of subsection (d) of this section), and

(B) provides, effective for inpatient hospital services provided not later than July 1, 1988, for an appropriate increase in the rate or amount of payment for such services provided by such hospitals, consistent with subsection (c) of this section.

(2) (A) In order to be considered to have met such requirement of section 1396a(a) (13) (A) of this title as of July 1, 1989, the State must submit to the Secretary by not later than April 1, 1989, the State plan amendment described in paragraph (1), consistent with subsection (c) of this section, effective for inpatient hospital services provided on or after July 1, 1989.

(B) In order to be considered to have met such requirement of section 1396a(a) (13) (A) of this title as of July 1, 1990, the State must submit to the Secretary by not later than April 1, 1990, the State plan amendment described in paragraph (1), consistent with subsections (c) and (f) of this section, effective for inpatient hospital services provided on or after July 1, 1990.

(C) If a State plan under this subchapter provides for payments for inpatient hospital services on a prospective basis (whether per diem, per case, or otherwise), in order for the plan to be considered to have met such requirement of section 1396a(a) (13) (A) of this title as of July 1, 1989, the State must submit to the Secretary by not later than April 1, 1989, a State plan amendment that provides, in the case of hospitals defined by the State as disproportionate share hospitals under paragraph (1) (A), for an outlier adjustment in payment amounts for medically necessary inpatient hospital services provided on or after July 1, 1989, involving exceptionally high costs or exceptionally long lengths of stay for individuals under one year of age.

(D) A State plan under this subchapter shall not be considered to meet the requirements of section 1396a(a) (13) (A) (iv) of this title (insofar as it requires payments to hospitals to take into account the situation of hospitals that serve a disproportionate number of low-income patients with special needs), as of October 1, 1998, unless the State has submitted to the Secretary by such date a description of the methodology used by the State to identify and to make payments to disproportionate share hospitals, including children's hospitals, on the basis of the proportion of low-income and medicaid patients (including such patients who receive benefits through a managed care entity) served by such hospitals. The State shall provide an annual report to the Secretary describing the disproportionate share payments to each such disproportionate share hospital.

(3) The Secretary shall, not later than 90 days after the date a State submits an amendment under this subsection, review each such amendment for compliance with such requirement and by such date shall approve or disapprove each such amendment. If the Secretary disapproves such an amendment, the State shall immediately submit a revised amendment which meets such requirement.

(4) The requirement of this subsection may not be waived under section 1396n(b)(4) of this title.

(b) Hospitals deemed disproportionate share

(1) For purposes of subsection (a)(1) of this section, a hospital which meets the requirements of subsection (d) of this section is deemed to be a disproportionate share hospital if -

(A) the hospital's medicaid inpatient utilization rate (as defined in paragraph (2)) is at least one standard deviation above the mean medicaid inpatient utilization rate for hospitals receiving medicaid payments in the State; or

(B) the hospital's low-income utilization rate (as defined in paragraph (3)) exceeds 25 percent.

(2) For purposes of paragraph (1)(A), the term "'medicaid inpatient utilization rate'" means, for a hospital, a fraction (expressed as a percentage), the numerator of which is the hospital's number of inpatient days attributable to patients who (for such days) were eligible for medical assistance under a State plan approved under this subchapter in a period (regardless of whether such patients receive medical assistance on a fee-for-service basis or through a managed care entity), and the denominator of which is the total number of the hospital's inpatient days in that period. In this paragraph, the term "'inpatient day'" includes each day in which an individual (including a newborn) is an inpatient in the hospital, whether or not the individual is in a specialized ward and whether or not the individual remains in the hospital for lack of suitable placement elsewhere.

(3) For purposes of paragraph (1)(B), the term "'low-income utilization rate'" means, for a hospital, the sum of -

(A) the fraction (expressed as a percentage) -

(i) the numerator of which is the sum (for a period) of (I) the total revenues paid the hospital for patient services under a State plan under this subchapter (regardless of whether the services were furnished on a fee-for-service basis or through a managed care entity) and (II) the amount of the cash subsidies for patient services received directly from State and local governments, and

(ii) the denominator of which is the total amount of revenues of the hospital for patient services (including the amount of such cash subsidies) in the period; and

(B) a fraction (expressed as a percentage) -

(i) the numerator of which is the total amount of the hospital's charges for inpatient hospital services which are attributable to charity care in a period, less the portion of any cash subsidies described in clause (i)(II) of subparagraph (A) in the period reasonably attributable to inpatient hospital services, and

(ii) the denominator of which is the total amount of the hospital's charges for inpatient hospital services in the hospital in the period.

The numerator under subparagraph (B)(i) shall not include contractual allowances and discounts (other than for indigent patients not eligible for medical assistance under a State plan approved under this subchapter).

(4) The Secretary may not restrict a State's authority to designate hospitals as disproportionate share hospitals under this section. The previous sentence shall not be construed to affect

the authority of the Secretary to reduce payments pursuant to section 1396b(w) (1) (A) (iii) of this title if the Secretary determines that, as a result of such designations, there is in effect a hold harmless provision described in section 1396b(w) (4) of this title.

(c) Payment adjustment

Subject to subsections (f) and (g) of this section, in order to be consistent with this subsection, a payment adjustment for a disproportionate share hospital must either -

(1) be in an amount equal to at least the product of (A) the amount paid under the State plan to the hospital for operating costs for inpatient hospital services (of the kind described in section 1395ww(a) (4) of this title), and (B) the hospital's disproportionate share adjustment percentage (established under section 1395ww(d) (5) (F) (iv) of this title);

(2) provide for a minimum specified additional payment amount (or increased percentage payment) and (without regard to whether the hospital is described in subparagraph (A) or (B) of subsection (b) (1) of this section) for an increase in such a payment amount (or percentage payment) in proportion to the percentage by which the hospital's medicaid utilization rate (as defined in subsection (b) (2) of this section) exceeds one standard deviation above the mean medicaid inpatient utilization rate for hospitals receiving medicaid payments in the State or the hospital's low-income utilization rate (as defined in paragraph (FOOTNOTE 1) (b) (3) of this section); or

(FOOTNOTE 1) So in original. Probably should be ''subsection''.

(3) provide for a minimum specified additional payment amount (or increased percentage payment) that varies according to type of hospital under a methodology that -

(A) applies equally to all hospitals of each type; and

(B) results in an adjustment for each type of hospital that is reasonably related to the costs, volume, or proportion of services provided to patients eligible for medical assistance under a State plan approved under this subchapter or to low-income patients,

except that, for purposes of paragraphs (1) (B) and (2) (A) of subsection (a) of this section, the payment adjustment for a disproportionate share hospital is consistent with this subsection if the appropriate increase in the rate or amount of payment is equal to at least one-third of the increase otherwise applicable under this subsection (in the case of such paragraph (1) (B)) and at least two-thirds of such increase (in the case of paragraph (2) (A)). In the case of a hospital described in subsection (d) (2) (A) (i) of this section (relating to children's hospitals), in computing the hospital's disproportionate share adjustment percentage for purposes of paragraph (1) (B) of this subsection, the disproportionate patient percentage (defined in section 1395ww(d) (5) (F) (vi) of this title) shall be computed by substituting for the fraction described in subclause (I) of such section the fraction described in subclause (II) of that section. If a State elects in a State plan amendment under subsection (a) of this section to provide the payment adjustment described in paragraph (2), the State must include in the amendment a detailed description of the specific methodology to be used in determining the specified additional payment amount (or increased percentage payment) to be made to each hospital qualifying for such a payment

adjustment and must publish at least annually the name of each hospital qualifying for such a payment adjustment and the amount of such payment adjustment made for each such hospital.

(d) Requirements to qualify as disproportionate share hospital

(1) Except as provided in paragraph (2), no hospital may be defined or deemed as a disproportionate share hospital under a State plan under this subchapter or under subsection (b) of this section unless the hospital has at least 2 obstetricians who have staff privileges at the hospital and who have agreed to provide obstetric services to individuals who are entitled to medical assistance for such services under such State plan.

(2) (A) Paragraph (1) shall not apply to a hospital -

(i) the inpatients of which are predominantly individuals under 18 years of age; or

(ii) which does not offer nonemergency obstetric services to the general population as of December 22, 1987.

(B) In the case of a hospital located in a rural area (as defined for purposes of section 1395ww of this title), in paragraph (1) the term "obstetrician" includes any physician with staff privileges at the hospital to perform nonemergency obstetric procedures.

(3) No hospital may be defined or deemed as a disproportionate share hospital under a State plan under this subchapter or under subsection (b) or (e) of this section unless the hospital has a medicaid inpatient utilization rate (as defined in subsection (b) (2) of this section) of not less than 1 percent.

(e) Special rule

(1) A State plan shall be considered to meet the requirement of section 1396a(a) (13) (A) (iv) of this title (insofar as it requires payments to hospitals to take into account the situation of hospitals which serve a disproportionate number of low income patients with special needs) without regard to the requirement of subsection (a) of this section if (A) (i) the plan provided for payment adjustments based on a pooling arrangement involving a majority of the hospitals participating under the plan for disproportionate share hospitals as of January 1, 1984, or (ii) the plan as of January 1, 1987, provided for payment adjustments based on a statewide pooling arrangement involving all acute care hospitals and the arrangement provides for reimbursement of the total amount of uncompensated care provided by each participating hospital, (B) the aggregate amount of the payment adjustments under the plan for such hospitals is not less than the aggregate amount of such adjustments otherwise required to be made under such subsection, and (C) the plan meets the requirement of subsection (d) (3) of this section and such payment adjustments are made consistent with the last sentence of subsection (c) of this section.

(2) In the case of a State that used a health insuring organization before January 1, 1986, to administer a portion of its plan on a statewide basis, beginning on July 1, 1988 -

(A) the requirements of subsections (b) and (c) of this section (other than the last sentence of subsection (c) of this section) shall not apply if the aggregate amount of the payment adjustments under the plan for disproportionate share hospitals (as defined under the State plan) is not less than the aggregate amount of payment adjustments otherwise required to be made if such subsections applied,

(B) subsection (d) (2) (B) of this section shall apply to

hospitals located in urban areas, as well as in rural areas,  
(C) subsection (d)(3) of this section shall apply, and  
(D) subsection (g) of this section shall apply.  
(f) Limitation on Federal financial participation  
(1) In general  
Payment under section 1396b(a) of this title shall not be made to a State with respect to any payment adjustment made under this section for hospitals in a State for quarters in a fiscal year in excess of the disproportionate share hospital (in this subsection referred to as ''DSH'') allotment for the State for the fiscal year, as specified in paragraphs (2) and (3).  
(2) State DSH allotments for fiscal years 1998 through 2002  
Subject to paragraph (4), the DSH allotment for a State for each fiscal year during the period beginning with fiscal year 1998 and ending with fiscal year 2002 is determined in accordance with the following table:

 (3) State DSH allotments for fiscal year 2003 and thereafter

(A) In general

The DSH allotment for any State for fiscal year 2003 and each succeeding fiscal year is equal to the DSH allotment for the State for the preceding fiscal year under paragraph (2) or this paragraph, increased, subject to subparagraph (B) and paragraph (5) by the percentage change in the consumer price index for all urban consumers (all items; U.S. city average), for the previous fiscal year.

(B) Limitation

The DSH allotment for a State shall not be increased under subparagraph (A) for a fiscal year to the extent that such an increase would result in the DSH allotment for the year exceeding the greater of -

- (i) the DSH allotment for the previous year, or
- (ii) 12 percent of the total amount of expenditures under

the State plan for medical assistance during the fiscal year.  
(4) Special rule for fiscal years 2001 and 2002

(A) In general

Notwithstanding paragraph (2), the DSH allotment for any State for -

(i) fiscal year 2001, shall be the DSH allotment determined under paragraph (2) for fiscal year 2000 increased, subject to subparagraph (B) and paragraph (5), by the percentage change in the consumer price index for all urban consumers (all items; U.S. city average) for fiscal year 2000; and

(ii) fiscal year 2002, shall be the DSH allotment determined under clause (i) increased, subject to subparagraph (B) and paragraph (5), by the percentage change in the consumer price index for all urban consumers (all items; U.S. city average) for fiscal year 2001.

(B) Limitation

Subparagraph (B) of paragraph (3) shall apply to subparagraph (A) of this paragraph in the same manner as that subparagraph (B) applies to paragraph (3) (A).

(C) No application to allotments after fiscal year 2002

The DSH allotment for any State for fiscal year 2003 or any succeeding fiscal year shall be determined under paragraph (3) without regard to the DSH allotments determined under subparagraph (A) of this paragraph.

(5) Special rule for extremely low DSH States

In the case of a State in which the total expenditures under the State plan (including Federal and State shares) for disproportionate share hospital adjustments under this section for fiscal year 1999, as reported to the Administrator of the Health Care Financing Administration as of August 31, 2000, is greater than 0 but less than 1 percent of the State's total amount of expenditures under the State plan for medical assistance during the fiscal year, the DSH allotment for fiscal year 2001 shall be increased to 1 percent of the State's total amount of expenditures under such plan for such assistance during such fiscal year. In subsequent fiscal years, such increased allotment is subject to an increase for inflation as provided in paragraph (3) (A).

(6) "'State'" defined

In this subsection, the term "'State'" means the 50 States and the District of Columbia.

(g) Limit on amount of payment to hospital

(1) Amount of adjustment subject to uncompensated costs

(A) In general

A payment adjustment during a fiscal year shall not be considered to be consistent with subsection (c) of this section with respect to a hospital if the payment adjustment exceeds the costs incurred during the year of furnishing hospital services (as determined by the Secretary and net of payments under this subchapter, other than under this section, and by uninsured patients) by the hospital to individuals who either are eligible for medical assistance under the State plan or have no health insurance (or other source of third party coverage) for services provided during the year. For purposes of the preceding sentence, payments made to a hospital for services provided to indigent patients made by a State or a unit of local government within a State shall not be considered

to be a source of third party payment.

(B) Limit to public hospitals during transition period

With respect to payment adjustments during a State fiscal year that begins before January 1, 1995, subparagraph (A) shall apply only to hospitals owned or operated by a State (or by an instrumentality or a unit of government within a State).

(C) Modifications for private hospitals

With respect to hospitals that are not owned or operated by a State (or by an instrumentality or a unit of government within a State), the Secretary may make such modifications to the manner in which the limitation on payment adjustments is applied to such hospitals as the Secretary considers appropriate.

(2) Additional amount during transition period for certain hospitals with high disproportionate share

(A) In general

In the case of a hospital with high disproportionate share (as defined in subparagraph (B)), a payment adjustment during a State fiscal year that begins before January 1, 1995, shall be considered consistent with subsection (c) of this section if the payment adjustment does not exceed 200 percent of the costs of furnishing hospital services described in paragraph (1) (A) during the year, but only if the Governor of the State certifies to the satisfaction of the Secretary that the hospital's applicable minimum amount is used for health services during the year. In determining the amount that is used for such services during a year, there shall be excluded any amounts received under the Public Health Service Act (42 U.S.C. 201 et seq.), subchapter V of this chapter, subchapter XVIII of this chapter, or from third party payors (not including the State plan under this subchapter) that are used for providing such services during the year.

(B) "Hospital with high disproportionate share" defined

In subparagraph (A), a hospital is a "hospital with high disproportionate share" if -

- (i) the hospital is owned or operated by a State (or by an instrumentality or a unit of government within a State); and
- (ii) the hospital -

(I) meets the requirement described in subsection

(b) (1) (A) of this section, or

(II) has the largest number of inpatient days

attributable to individuals entitled to benefits under the State plan of any hospital in such State for the previous State fiscal year.

(C) "Applicable minimum amount" defined

In subparagraph (A), the "applicable minimum amount" for a hospital for a fiscal year is equal to the difference between the amount of the hospital's payment adjustment for the fiscal year and the costs to the hospital of furnishing hospital services described in paragraph (1) (A) during the fiscal year.

(h) Limitation on certain State DSH expenditures

(1) In general

Payment under section 1396b(a) of this title shall not be made to a State with respect to any payment adjustments made under this section for quarters in a fiscal year (beginning with fiscal year 1998) to institutions for mental diseases or other mental health facilities, to the extent the aggregate of such

adjustments in the fiscal year exceeds the lesser of the following:

(A) 1995 IMD DSH payment adjustments

The total State DSH expenditures that are attributable to fiscal year 1995 for payments to institutions for mental diseases and other mental health facilities (based on reporting data specified by the State on HCFA Form 64 as mental health DSH, and as approved by the Secretary).

(B) Applicable percentage of 1995 total DSH payment allotment

The amount of such payment adjustments which are equal to the applicable percentage of the Federal share of payment adjustments made to hospitals in the State under subsection (c) of this section that are attributable to the 1995 DSH allotment for the State for payments to institutions for mental diseases and other mental health facilities (based on reporting data specified by the State on HCFA Form 64 as mental health DSH, and as approved by the Secretary).

(2) Applicable percentage

(A) In general

For purposes of paragraph (1), the applicable percentage with respect to -

(i) each of fiscal years 1998, 1999, and 2000, is the percentage determined under subparagraph (B); or

(ii) a succeeding fiscal year is the lesser of the percentage determined under subparagraph (B) or the following percentage:

(I) For fiscal year 2001, 50 percent.

(II) For fiscal year 2002, 40 percent.

(III) For each succeeding fiscal year, 33 percent.

(B) 1995 percentage

The percentage determined under this subparagraph is the ratio (determined as a percentage) of -

(i) the Federal share of payment adjustments made to hospitals in the State under subsection (c) of this section that are attributable to the 1995 DSH allotment for the State (as reported by the State not later than January 1, 1997, on HCFA Form 64, and as approved by the Secretary) for payments to institutions for mental diseases and other mental health facilities, to

(ii) the State 1995 DSH spending amount.

(C) State 1995 DSH spending amount

For purposes of subparagraph (B)(ii), the "State 1995 DSH spending amount", with respect to a State, is the Federal medical assistance percentage (for fiscal year 1995) of the payment adjustments made under subsection (c) of this section under the State plan that are attributable to the fiscal year 1995 DSH allotment for the State (as reported by the State not later than January 1, 1997, on HCFA Form 64, and as approved by the Secretary).

(i) Requirement for direct payment

(1) In general

No payment may be made under section 1396b(a)(1) of this title with respect to a payment adjustment made under this section, for services furnished by a hospital on or after October 1, 1997, with respect to individuals eligible for medical assistance under the State plan who are enrolled with a managed care entity (as defined in section 1396u-2(a)(1)(B) of this title) or under any

other managed care arrangement unless a payment, equal to the amount of the payment adjustment -

(A) is made directly to the hospital by the State; and

(B) is not used to determine the amount of a prepaid capitation payment under the State plan to the entity or arrangement with respect to such individuals.

(2) Exception for current arrangements

Paragraph (1) shall not apply to a payment adjustment provided pursuant to a payment arrangement in effect on July 1, 1997.

(B) the methodology and standards for determining and evaluating income and resources.

In the case of any State which is providing medical assistance to its residents under a waiver granted under section 1315 of this title, the Secretary shall require the State to meet the requirements of this section in the same manner as the State would be required to meet such requirement if the State had in effect a plan approved under this subchapter.

(2) Attribution of income

In determining the income of an institutionalized spouse or community spouse for purposes of the post-eligibility income determination described in subsection (d) of this section, except as otherwise provided in this section and regardless of any State laws relating to community property or the division of marital property, the following rules apply:

(A) Non-trust property

Subject to subparagraphs (C) and (D), in the case of income not from a trust, unless the instrument providing the income otherwise specifically provides -

(i) if payment of income is made solely in the name of the institutionalized spouse or the community spouse, the income

shall be considered available only to that respective spouse;

(ii) if payment of income is made in the names of the institutionalized spouse and the community spouse, one-half of the income shall be considered available to each of them; and

(C) Property with no instrument

In the case of income not from a trust in which there is no instrument establishing ownership, subject to subparagraph (D), one-half of the income shall be considered to be available to the institutionalized spouse and one-half to the community spouse.

(D) Rebutting ownership

The rules of subparagraphs (A) and (C) are superseded to the extent that an institutionalized spouse can establish, by a preponderance of the evidence, that the ownership interests in income are other than as provided under such subparagraphs.

(c) Rules for treatment of resources

(1) Computation of spousal share at time of institutionalization

(A) Total joint resources

There shall be computed (as of the beginning of the first continuous period of institutionalization (beginning on or after September 30, 1989) of the institutionalized spouse) -

If the request is not part of an application for medical assistance under this subchapter, the State may, at its option as a condition of providing the assessment, require payment of a fee not exceeding the reasonable expenses of providing and documenting the assessment. At the time of providing the copy of the assessment, the State shall include a notice indicating that the spouse will have a right to a fair hearing under subsection (e) (2) of this section.

(2) Attribution of resources at time of initial eligibility determination

In determining the resources of an institutionalized spouse at the time of application for benefits under this subchapter, regardless of any State laws relating to community property or the division of marital property -

(A) except as provided in subparagraph (B), all the resources held by either the institutionalized spouse, community spouse, or both, shall be considered to be available to the institutionalized spouse, and

(B) resources shall be considered to be available to an institutionalized spouse, but only to the extent that the amount of such resources exceeds the amount computed under subsection (f) (2) (A) of this section (as of the time of application for benefits).

(B) the institutionalized spouse lacks the ability to execute an assignment due to physical or mental impairment but the State has the right to bring a support proceeding against a community spouse without such assignment; or

(C) the State determines that denial of eligibility would work an undue hardship.

(4) Separate treatment of resources after eligibility for benefits established

During the continuous period in which an institutionalized spouse is in an institution and after the month in which an institutionalized spouse is determined to be eligible for benefits under this subchapter, no resources of the community spouse shall be deemed available to the institutionalized spouse.

(B) a request by either the institutionalized spouse, or the community spouse, or a representative acting on behalf of either spouse,

each State shall notify both spouses (in the case described in subparagraph (A)) or the spouse making the request (in the case described in subparagraph (B)) of the amount of the community spouse monthly income allowance (described in subsection

(d)(1)(B) of this section), of the amount of any family allowances (described in subsection (d)(1)(C) of this section), of the method for computing the amount of the community spouse resources allowance permitted under subsection (f) of this section, and of the spouse's right to a fair hearing under this subsection respecting ownership or availability of income or resources, and the determination of the community spouse monthly income or resource allowance.

(2) Fair hearing

(A) In general

If either the institutionalized spouse or the community spouse is dissatisfied with a determination of -

- (i) the community spouse monthly income allowance;
- (ii) the amount of monthly income otherwise available to the community spouse (as applied under subsection (d) (2) (B) of this section);

- (iii) the computation of the spousal share of resources under subsection (c) (1) of this section;

- (iv) the attribution of resources under subsection (c) (2) of this section; or

- (v) the determination of the community spouse resource allowance (as defined in subsection (f) (2) of this section); such spouse is entitled to a fair hearing described in section 1396a(a) (3) of this title with respect to such determination if an application for benefits under this subchapter has been made on behalf of the institutionalized spouse. Any such hearing respecting the determination of the community spouse resource allowance shall be held within 30 days of the date of the request for the hearing.

(B) Revision of minimum monthly maintenance needs allowance

If either such spouse establishes that the community spouse needs income, above the level otherwise provided by the minimum monthly maintenance needs allowance, due to exceptional circumstances resulting in significant financial duress, there shall be substituted, for the minimum monthly maintenance needs allowance in subsection (d) (2) (A) of this section, an amount adequate to provide such additional income as is necessary.

(C) Revision of community spouse resource allowance

If either such spouse establishes that the community spouse resource allowance (in relation to the amount of income generated by such an allowance) is inadequate to raise the community spouse's income to the minimum monthly maintenance needs allowance, there shall be substituted, for the community spouse resource allowance under subsection (f) (2) of this section, an amount adequate to provide such a minimum monthly maintenance needs allowance.

(f) Permitting transfer of resources to community spouse

(1) In general

An institutionalized spouse may, without regard to section 1396p(c) (1) of this title, transfer an amount equal to the community spouse resource allowance (as defined in paragraph (2)), but only to the extent the resources of the institutionalized spouse are transferred to (or for the sole benefit of) the community spouse. The transfer under the preceding sentence shall be made as soon as practicable after the date of the initial determination of eligibility, taking into account such time as may be necessary to obtain a court order under paragraph (3).

(2) Community spouse resource allowance defined

In paragraph (1), the "community spouse resource allowance" for a community spouse is an amount (if any) by which -

(A) the greatest of -

- (i) \$12,000 (subject to adjustment under subsection (g) of this section), or, if greater (but not to exceed the amount specified in clause (ii) (II)) an amount specified under the State plan,

- (ii) the lesser of (I) the spousal share computed under subsection (c) (1) of this section, or (II) \$60,000 (subject to adjustment under subsection (g) of this section),

(iii) the amount established under subsection (e) (2) of this section; or

(iv) the amount transferred under a court order under paragraph (3);  
exceeds

(B) the amount of the resources otherwise available to the community spouse (determined without regard to such an allowance).

(3) Transfers under court orders

If a court has entered an order against an institutionalized spouse for the support of the community spouse, section 1396p of this title shall not apply to amounts of resources transferred pursuant to such order for the support of the spouse or a family member (as defined in subsection (d) (1) of this section).

(g) Indexing dollar amounts

For services furnished during a calendar year after 1989, the dollar amounts specified in subsections (d) (3) (C), (f) (2) (A) (i), and (f) (2) (A) (ii) (II) of this section shall be increased by the same percentage as the percentage increase in the consumer price index for all urban consumers (all items; U.S. city average) between September 1988 and the September before the calendar year involved.

(h) Definitions

In this section:

(1) The term "institutionalized spouse" means an individual who -

(A) is in a medical institution or nursing facility or who (at the option of the State) is described in section 1396a(a) (10) (A) (ii) (VI) of this title, and

(B) is married to a spouse who is not in a medical institution or nursing facility;  
but does not include any such individual who is not likely to meet the requirements of subparagraph (A) for at least 30 consecutive days.

(2) The term "community spouse" means the spouse of an institutionalized spouse.

-HEAD-

Sec. 1396r-6. Extension of eligibility for medical assistance

-STATUTE-

(a) Initial 6-month extension

(1) Requirement

Notwithstanding any other provision of this subchapter, each State plan approved under this subchapter must provide that each family which was receiving aid pursuant to a plan of the State approved under part A of subchapter IV of this chapter in at least 3 of the 6 months immediately preceding the month in which such family becomes ineligible for such aid, because of hours of, or income from, employment of the caretaker relative (as defined in subsection (e) of this section) or because of section 602(a)(8)(B)(ii)(II) (FOOTNOTE 1) of this title (providing for a time-limited earned income disregard), shall, subject to paragraph (3) and without any reapplication for benefits under the plan, remain eligible for assistance under the plan approved under this subchapter during the immediately succeeding 6-month period in accordance with this subsection.

(FOOTNOTE 1) See References in Text note below.

(2) Notice of benefits

Each State, in the notice of termination of aid under part A of subchapter IV of this chapter sent to a family meeting the requirements of paragraph (1) -

(A) shall notify the family of its right to extended medical assistance under this subsection and include in the notice a description of the reporting requirement of subsection (b)(2)(B)(i) of this section and of the circumstances (described in paragraph (3)) under which such extension may be terminated; and

(B) shall include a card or other evidence of the family's entitlement to assistance under this subchapter for the period provided in this subsection.

(3) Termination of extension

(A) No dependent child

Subject to subparagraphs (B) and (C), extension of assistance during the 6-month period described in paragraph (1) to a family shall terminate (during such period) at the close of the first month in which the family ceases to include a child, whether or not the child is (or would if needy be) a dependent child under part A of subchapter IV of this chapter.

(B) Notice before termination

No termination of assistance shall become effective under subparagraph (A) until the State has provided the family with notice of the grounds for the termination.

(C) Continuation in certain cases until redetermination

With respect to a child who would cease to receive medical assistance because of subparagraph (A) but who may be eligible for assistance under the State plan because the child is described in clause (i) of section 1396d(a) of this title or clause (i)(IV), (i)(VI), (i)(VII), or (ii)(IX) of section 1396a(a)(10)(A) of this title, the State may not discontinue such assistance under such subparagraph until the State has determined that the child is not eligible for assistance under

the plan.

(4) Scope of coverage

(A) In general

Subject to subparagraph (B), during the 6-month extension period under this subsection, the amount, duration, and scope of medical assistance made available with respect to a family shall be the same as if the family were still receiving aid under the plan approved under part A of subchapter IV of this chapter.

(B) State medicaid ''wrap-around'' option

A State, at its option, may pay a family's expenses for premiums, deductibles, coinsurance, and similar costs for health insurance or other health coverage offered by an employer of the caretaker relative or by an employer of the absent parent of a dependent child. In the case of such coverage offered by an employer of the caretaker relative -

(i) the State may require the caretaker relative, as a condition of extension of coverage under this subsection for the caretaker and the caretaker's family, to make application for such employer coverage, but only if -

(I) the caretaker relative is not required to make financial contributions for such coverage (whether through payroll deduction, payment of deductibles, coinsurance, or similar costs, or otherwise), and

(II) the State provides, directly or otherwise, for payment of any of the premium amount, deductible, coinsurance, or similar expense that the employee is otherwise required to pay; and

(ii) the State shall treat the coverage under such an employer plan as a third party liability (under section 1396a(a)(25) of this title).

Payments for premiums, deductibles, coinsurance, and similar expenses under this subparagraph shall be considered, for purposes of section 1396b(a) of this title, to be payments for medical assistance.

(b) Additional 6-month extension

(1) Requirement

Notwithstanding any other provision of this subchapter, each State plan approved under this subchapter shall provide that the State shall offer to each family, which has received assistance during the entire 6-month period under subsection (a) of this section and which meets the requirement of paragraph (2)(B)(i), in the last month of the period the option of extending coverage under this subsection for the succeeding 6-month period, subject to paragraph (3).

(2) Notice and reporting requirements

(A) Notices

(i) Notice during initial extension period of option and requirements

Each State, during the 3rd and 6th month of any extended assistance furnished to a family under subsection (a) of this section, shall notify the family of the family's option for additional extended assistance under this subsection. Each such notice shall include (I) in the 3rd month notice, a statement of the reporting requirement under subparagraph (B)(i), and, in the 6th month notice, a statement of the reporting requirement under subparagraph (B)(ii), (II) a

statement as to whether any premiums are required for such additional extended assistance, and (III) a description of other out-of-pocket expenses, benefits, reporting and payment procedures, and any pre-existing condition limitations, waiting periods, or other coverage limitations imposed under any alternative coverage options offered under paragraph (4) (D). The 6th month notice under this subparagraph shall describe the amount of any premium required of a particular family for each of the first 3 months of additional extended assistance under this subsection.

(ii) Notice during additional extension period of reporting requirements and premiums

Each State, during the 3rd month of any additional extended assistance furnished to a family under this subsection, shall notify the family of the reporting requirement under subparagraph (B) (ii) and a statement of the amount of any premium required for such extended assistance for the succeeding 3 months.

(B) Reporting requirements

(i) During initial extension period

Each State shall require (as a condition for additional extended assistance under this subsection) that a family receiving extended assistance under subsection (a) of this section report to the State, not later than the 21st day of the 4th month in the period of extended assistance under subsection (a) of this section, on the family's gross monthly earnings and on the family's costs for such child care as is necessary for the employment of the caretaker relative in each of the first 3 months of that period. A State may permit such additional extended assistance under this subsection notwithstanding a failure to report under this clause if the family has established, to the satisfaction of the State, good cause for the failure to report on a timely basis.

(ii) During additional extension period

Each State shall require that a family receiving extended assistance under this subsection report to the State, not later than the 21st day of the 1st month and of the 4th month in the period of additional extended assistance under this subsection, on the family's gross monthly earnings and on the family's costs for such child care as is necessary for the employment of the caretaker relative in each of the 3 preceding months.

(iii) Clarification on frequency of reporting

A State may not require that a family receiving extended assistance under this subsection or subsection (a) of this section report more frequently than as required under clause (i) or (ii).

(3) Termination of extension

(A) In general

Subject to subparagraphs (B) and (C), extension of assistance during the 6-month period described in paragraph (1) to a family shall terminate (during the period) as follows:

(i) No dependent child

The extension shall terminate at the close of the first month in which the family ceases to include a child, whether or not the child is (or would if needy be) a dependent child

under part A of subchapter IV of this chapter.

(ii) Failure to pay any premium

If the family fails to pay any premium for a month under paragraph (5) by the 21st day of the following month, the extension shall terminate at the close of that following month, unless the family has established, to the satisfaction of the State, good cause for the failure to pay such premium on a timely basis.

(iii) Quarterly income reporting and test

The extension under this subsection shall terminate at the close of the 1st or 4th month of the 6-month period if -

(I) the family fails to report to the State, by the 21st day of such month, the information required under paragraph (2)(B)(ii), unless the family has established, to the satisfaction of the State, good cause for the failure to report on a timely basis;

(II) the caretaker relative had no earnings in one or more of the previous 3 months, unless such lack of any earnings was due to an involuntary loss of employment, illness, or other good cause, established to the satisfaction of the State; or

(III) the State determines that the family's average gross monthly earnings (less such costs for such child care as is necessary for the employment of the caretaker relative) during the immediately preceding 3-month period exceed 185 percent of the official poverty line (as defined by the Office of Management and Budget, and revised annually in accordance with section 9902(2) of this title) applicable to a family of the size involved.

Information described in clause (iii)(I) shall be subject to the restrictions on use and disclosure of information provided under section 602(a)(9) (FOOTNOTE 2) of this title. Instead of terminating a family's extension under clause (iii)(I), a State, at its option, may provide for suspension of the extension until the month after the month in which the family reports information required under paragraph (2)(B)(ii), but only if the family's extension has not otherwise been terminated under subclause (II) or (III) of clause (iii). The State shall make determinations under clause (iii)(III) for a family each time a report under paragraph (2)(B)(ii) for the family is received.

(FOOTNOTE 2) See References in Text note below.

(B) Notice before termination

No termination of assistance shall become effective under subparagraph (A) until the State has provided the family with notice of the grounds for the termination, which notice shall include (in the case of termination under subparagraph (A)(iii)(II), relating to no continued earnings) a description of how the family may reestablish eligibility for medical assistance under the State plan. No such termination shall be effective earlier than 10 days after the date of mailing of such notice.

(C) Continuation in certain cases until redetermination

(i) Dependent children

With respect to a child who would cease to receive medical assistance because of subparagraph (A)(i) but who may be eligible for assistance under the State plan because the

child is described in clause (i) of section 1396d(a) of this title or clause (i) (IV), (i) (VI), (i) (VII), or (ii) (IX) of section 1396a(a) (10) (A) of this title, the State may not discontinue such assistance under such subparagraph until the State has determined that the child is not eligible for assistance under the plan.

(ii) Medically needy

With respect to an individual who would cease to receive medical assistance because of clause (ii) or (iii) of subparagraph (A) but who may be eligible for assistance under the State plan because the individual is within a category of person for which medical assistance under the State plan is available under section 1396a(a) (10) (C) of this title (relating to medically needy individuals), the State may not discontinue such assistance under such subparagraph until the State has determined that the individual is not eligible for assistance under the plan.

(4) Coverage

(A) In general

During the extension period under this subsection -

(i) the State plan shall offer to each family medical assistance which (subject to subparagraphs (B) and (C)) is the same amount, duration, and scope as would be made available to the family if it were still receiving aid under the plan approved under part A of subchapter IV of this chapter; and

(ii) the State plan may offer alternative coverage described in subparagraph (D).

(B) Elimination of most non-acute care benefits

At a State's option and notwithstanding any other provision of this subchapter, a State may choose not to provide medical assistance under this subsection with respect to any (or all) of the items and services described in paragraphs (4) (A), (6), (7), (8), (11), (13), (14), (15), (16), (18), (20), and (21) (FOOTNOTE 3) of section 1396d(a) of this title.

(FOOTNOTE 3) See References in Text note below.

(C) State medicaid "wrap-around" option

At a State's option, the State may elect to apply the option described in subsection (a) (4) (B) of this section (relating to "wrap-around" coverage) for families electing medical assistance under this subsection in the same manner as such option applies to families provided extended eligibility for medical assistance under subsection (a) of this section.

(D) Alternative assistance

At a State's option, the State may offer families a choice of health care coverage under one or more of the following, instead of the medical assistance otherwise made available under this subsection:

(i) Enrollment in family option of employer plan

Enrollment of the caretaker relative and dependent children in a family option of the group health plan offered to the caretaker relative.

(ii) Enrollment in family option of State employee plan

(iv) Enrollment in medicaid managed care organization

Enrollment of the caretaker relative and dependent children in a medicaid managed care organization (as defined in section 1396b(m) (1) (A) of this title).

If a State elects to offer an option to enroll a family under this subparagraph, the State shall pay any premiums and other costs for such enrollment imposed on the family and may pay deductibles and coinsurance imposed on the family. A State's payment of premiums for the enrollment of families under this subparagraph (not including any premiums otherwise payable by an employer and less the amount of premiums collected from such families under paragraph (5)) and payment of any deductibles and coinsurance shall be considered, for purposes of section 1396b(a) (1) of this title, to be payments for medical assistance.

(E) Prohibition on cost-sharing for maternity and preventive pediatric care

(i) In general

If a State offers any alternative option under subparagraph (D) for families, under each such option the State must assure that care described in clause (ii) is available without charge to the families through -

(I) payment of any deductibles, coinsurance, and other cost-sharing respecting such care, or

(II) providing coverage under the State plan for such care without any cost-sharing,  
or any combination of such mechanisms.

(ii) Care described

The care described in this clause consists of -

(I) services related to pregnancy (including prenatal, delivery, and post partum services), and

(II) ambulatory preventive pediatric care (including ambulatory early and periodic screening, diagnosis, and treatment services under section 1396d(a) (4) (B) of this title) for each child who meets the age and date of birth requirements to be a qualified child under section 1396d(n) (2) of this title.

(5) Premium

(A) Permitted

Notwithstanding any other provision of this subchapter (including section 1396o of this title), a State may impose a premium for a family for additional extended coverage under this subsection for a premium payment period (as defined in subparagraph (D) (i)), but only if the family's average gross monthly earnings (less the average monthly costs for such child care as is necessary for the employment of the caretaker relative) for the premium base period exceed 100 percent of the official poverty line (as defined by the Office of Management and Budget, and revised annually in accordance with section 9902(2) of this title) applicable to a family of the size involved.

(B) Level may vary by option offered

The level of such premium may vary, for the same family, for

each option offered by a State under paragraph (4) (D) .

(C) Limit on premium

In no case may the amount of any premium under this paragraph for a family for a month in either of the premium payment periods described in subparagraph (D) (i) exceed 3 percent of the family's average gross monthly earnings (less the average monthly costs for such child care as is necessary for the employment of the caretaker relative) during the premium base period (as defined in subparagraph (D) (ii)) .

(D) Definitions

In this paragraph:

(i) A "premium payment period" described in this clause is a 3-month period beginning with the 1st or 4th month of the 6-month additional extension period provided under this subsection.

(ii) The term "premium base period" means, with respect to a particular premium payment period, the period of 3 consecutive months the last of which is 4 months before the beginning of that premium payment period.

(c) Applicability in States and territories

(1) States operating under demonstration projects

In the case of any State which is providing medical assistance to its residents under a waiver granted under section 1315(a) of this title, the Secretary shall require the State to meet the requirements of this section in the same manner as the State would be required to meet such requirement if the State had in effect a plan approved under this subchapter.

(2) Inapplicability in commonwealths and territories

The provisions of this section shall only apply to the 50 States and the District of Columbia.

(d) General disqualification for fraud

(1) Ineligibility for aid

This section shall not apply to an individual who is a member of a family which has received aid under part A of subchapter IV of this chapter if the State makes a finding that, at any time during the last 6 months in which the family was receiving such aid before otherwise being provided extended eligibility under this section, the individual was ineligible for such aid because of fraud.

(2) General disqualifications

For additional provisions relating to fraud and program abuse, see sections 1320a-7, 1320a-7a, and 1320a-7b of this title.

(e) "Caretaker relative" defined

In this section, the term "caretaker relative" has the meaning of such term as used in part A of subchapter IV of this chapter.

(f) Sunset

This section shall not apply with respect to families that cease to be eligible for aid under part A of subchapter IV of this chapter after September 30, 2002.

Sec. 1396r-8. Payment for covered outpatient drugs

-STATUTE-

(a) Requirement for rebate agreement

(1) In general

In order for payment to be available under section 1396b(a) of  
this title for covered outpatient drugs of a manufacturer, the  
manufacturer must have entered into and have in effect a rebate  
agreement described in subsection (b) of this section with the  
Secretary, on behalf of States (except that, the Secretary may  
authorize a State to enter directly into agreements with a  
manufacturer), and must meet the requirements of paragraph (5)  
(with respect to drugs purchased by a covered entity on or after  
the first day of the first month that begins after November 4,  
1992) and paragraph (6). Any agreement between a State and a  
manufacturer prior to April 1, 1991, shall be deemed to have been  
entered into on January 1, 1991, and payment to such manufacturer  
shall be retroactively calculated as if the agreement between the  
manufacturer and the State had been entered into on January 1,  
1991. If a manufacturer has not entered into such an agreement  
before March 1, 1991, such an agreement, subsequently entered  
into, shall become effective as of the date on which the  
agreement is entered into or, at State option, on any date  
thereafter on or before the first day of the calendar quarter  
that begins more than 60 days after the date the agreement is

entered into.

(2) Effective date

Paragraph (1) shall first apply to drugs dispensed under this subchapter on or after January 1, 1991.

(3) Authorizing payment for drugs not covered under rebate agreements

Paragraph (1), and section 1396b(i)(10)(A) of this title, shall not apply to the dispensing of a single source drug or innovator multiple source drug if (A) (i) the State has made a determination that the availability of the drug is essential to the health of beneficiaries under the State plan for medical assistance; (ii) such drug has been given a rating of 1-A by the Food and Drug Administration; and (iii) (I) the physician has obtained approval for use of the drug in advance of its dispensing in accordance with a prior authorization program described in subsection (d) of this section, or (II) the Secretary has reviewed and approved the State's determination under subparagraph (A); or (B) the Secretary determines that in the first calendar quarter of 1991, there were extenuating circumstances.

(4) Effect on existing agreements

In the case of a rebate agreement in effect between a State and a manufacturer on November 5, 1990, such agreement, for the initial agreement period specified therein, shall be considered to be a rebate agreement in compliance with this section with respect to that State, if the State agrees to report to the Secretary any rebates paid pursuant to the agreement and such agreement provides for a minimum aggregate rebate of 10 percent of the State's total expenditures under the State plan for coverage of the manufacturer's drugs under this subchapter. If, after the initial agreement period, the State establishes to the satisfaction of the Secretary that an agreement in effect on November 5, 1990, provides for rebates that are at least as large as the rebates otherwise required under this section, and the State agrees to report any rebates under the agreement to the Secretary, the agreement shall be considered to be a rebate agreement in compliance with the section for the renewal periods of such agreement.

(5) Limitation on prices of drugs purchased by covered entities

(A) Agreement with Secretary

A manufacturer meets the requirements of this paragraph if the manufacturer has entered into an agreement with the Secretary that meets the requirements of section 256b of this title with respect to covered outpatient drugs purchased by a covered entity on or after the first day of the first month that begins after November 4, 1992.

(B) "'Covered entity'" defined

In this subsection, the term "'covered entity'" means an entity described in section 256b(a)(4) of this title.

(C) Establishment of alternative mechanism to ensure against duplicate discounts or rebates

If the Secretary does not establish a mechanism under section 256b(a)(5)(A) of this title within 12 months of November 4, 1992, the following requirements shall apply:

(i) Entities

Each covered entity shall inform the single State agency under section 1396a(a)(5) of this title when it is seeking reimbursement from the State plan for medical assistance

described in section 1396d(a)(12) of this title with respect to a unit of any covered outpatient drug which is subject to an agreement under section 256b(a) of this title.

(ii) State agency

Each such single State agency shall provide a means by which a covered entity shall indicate on any drug reimbursement claims form (or format, where electronic claims management is used) that a unit of the drug that is the subject of the form is subject to an agreement under section 256b of this title, and not submit to any manufacturer a claim for a rebate payment under subsection (b) of this section with respect to such a drug.

(D) Effect of subsequent amendments

In determining whether an agreement under subparagraph (A) meets the requirements of section 256b of this title, the Secretary shall not take into account any amendments to such section that are enacted after November 4, 1992.

(E) Determination of compliance

A manufacturer is deemed to meet the requirements of this paragraph if the manufacturer establishes to the satisfaction of the Secretary that the manufacturer would comply (and has offered to comply) with the provisions of section 256b of this title (as in effect immediately after November 4, 1992) and would have entered into an agreement under such section (as such section was in effect at such time), but for a legislative change in such section after November 4, 1992.

(6) Requirements relating to master agreements for drugs procured by Department of Veterans Affairs and certain other Federal agencies

(A) In general

A manufacturer meets the requirements of this paragraph if the manufacturer complies with the provisions of section 8126 of title 38, including the requirement of entering into a master agreement with the Secretary of Veterans Affairs under such section.

(B) Effect of subsequent amendments

In determining whether a master agreement described in subparagraph (A) meets the requirements of section 8126 of title 38, the Secretary shall not take into account any amendments to such section that are enacted after November 4, 1992.

(C) Determination of compliance

A manufacturer is deemed to meet the requirements of this paragraph if the manufacturer establishes to the satisfaction of the Secretary that the manufacturer would comply (and has offered to comply) with the provisions of section 8126 of title 38, (as in effect immediately after November 4, 1992) and would have entered into an agreement under such section (as such section was in effect at such time), but for a legislative change in such section after November 4, 1992.

(b) Terms of rebate agreement

(1) Periodic rebates

(A) In general

A rebate agreement under this subsection shall require the manufacturer to provide, to each State plan approved under this subchapter, a rebate for a rebate period in an amount specified in subsection (c) of this section for covered outpatient drugs

of the manufacturer dispensed after December 31, 1990, for which payment was made under the State plan for such period. Such rebate shall be paid by the manufacturer not later than 30 days after the date of receipt of the information described in paragraph (2) for the period involved.

(B) Offset against medical assistance

Amounts received by a State under this section (or under an agreement authorized by the Secretary under subsection (a) (1) of this section or an agreement described in subsection (a) (4) of this section) in any quarter shall be considered to be a reduction in the amount expended under the State plan in the quarter for medical assistance for purposes of section 1396b(a) (1) of this title.

(2) State provision of information

(A) State responsibility

Each State agency under this subchapter shall report to each manufacturer not later than 60 days after the end of each rebate period and in a form consistent with a standard reporting format established by the Secretary, information on the total number of units of each dosage form and strength and package size of each covered outpatient drug dispensed after December 31, 1990, for which payment was made under the plan during the period, and shall promptly transmit a copy of such report to the Secretary.

(B) Audits

A manufacturer may audit the information provided (or required to be provided) under subparagraph (A). Adjustments to rebates shall be made to the extent that information indicates that utilization was greater or less than the amount previously specified.

(3) Manufacturer provision of price information

(A) In general

Each manufacturer with an agreement in effect under this section shall report to the Secretary -

(i) not later than 30 days after the last day of each rebate period under the agreement (beginning on or after January 1, 1991), on the average manufacturer price (as defined in subsection (k) (1) of this section) and, (for single source drugs and innovator multiple source drugs), the manufacturer's best price (as defined in subsection (c) (2) (B) of this section) for covered outpatient drugs for the rebate period under the agreement, and

(ii) not later than 30 days after the date of entering into an agreement under this section on the average manufacturer price (as defined in subsection (k) (1) of this section) as of October 1, 1990 (FOOTNOTE 1) for each of the manufacturer's covered outpatient drugs.

(FOOTNOTE 1) So in original. Probably should be followed by a comma.

(B) Verification surveys of average manufacturer price

The Secretary may survey wholesalers and manufacturers that directly distribute their covered outpatient drugs, when necessary, to verify manufacturer prices reported under subparagraph (A). The Secretary may impose a civil monetary penalty in an amount not to exceed \$100,000 on a wholesaler, manufacturer, or direct seller, if the wholesaler, manufacturer, or direct seller of a covered outpatient drug

refuses a request for information about charges or prices by the Secretary in connection with a survey under this subparagraph or knowingly provides false information. The provisions of section 1320a-7a of this title (other than subsections (a) (with respect to amounts of penalties or additional assessments) and (b)) shall apply to a civil money penalty under this subparagraph in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title.

(C) Penalties

(i) Failure to provide timely information

In the case of a manufacturer with an agreement under this section that fails to provide information required under subparagraph (A) on a timely basis, the amount of the penalty shall be increased by \$10,000 for each day in which such information has not been provided and such amount shall be paid to the Treasury, and, if such information is not reported within 90 days of the deadline imposed, the agreement shall be suspended for services furnished after the end of such 90-day period and until the date such information is reported (but in no case shall such suspension be for a period of less than 30 days).

(ii) False information

Any manufacturer with an agreement under this section that knowingly provides false information is subject to a civil money penalty in an amount not to exceed \$100,000 for each item of false information. Such civil money penalties are in addition to other penalties as may be prescribed by law. The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under this subparagraph in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title.

(D) Confidentiality of information

Notwithstanding any other provision of law, information disclosed by manufacturers or wholesalers under this paragraph or under an agreement with the Secretary of Veterans Affairs described in subsection (a) (6) (A) (ii) of this section is confidential and shall not be disclosed by the Secretary or the Secretary of Veterans Affairs or a State agency (or contractor therewith) in a form which discloses the identity of a specific manufacturer or wholesaler, prices charged for drugs by such manufacturer or wholesaler, except -

(i) as the Secretary determines to be necessary to carry out this section,

(ii) to permit the Comptroller General to review the information provided, and

(iii) to permit the Director of the Congressional Budget Office to review the information provided.

(4) Length of agreement

(A) In general

A rebate agreement shall be effective for an initial period of not less than 1 year and shall be automatically renewed for a period of not less than one year unless terminated under subparagraph (B).

(B) Termination

(i) By the Secretary

The Secretary may provide for termination of a rebate agreement for violation of the requirements of the agreement or other good cause shown. Such termination shall not be effective earlier than 60 days after the date of notice of such termination. The Secretary shall provide, upon request, a manufacturer with a hearing concerning such a termination, but such hearing shall not delay the effective date of the termination.

(ii) By a manufacturer

A manufacturer may terminate a rebate agreement under this section for any reason. Any such termination shall not be effective until the calendar quarter beginning at least 60 days after the date the manufacturer provides notice to the Secretary.

(iii) Effectiveness of termination

Any termination under this subparagraph shall not affect rebates due under the agreement before the effective date of its termination.

(iv) Notice to States

In the case of a termination under this subparagraph, the Secretary shall provide notice of such termination to the States within not less than 30 days before the effective date of such termination.

(v) Application to terminations of other agreements

The provisions of this subparagraph shall apply to the terminations of agreements described in section 256b(a)(1) of this title and master agreements described in section 8126(a) of title 38.

(C) Delay before reentry

In the case of any rebate agreement with a manufacturer under this section which is terminated, another such agreement with the manufacturer (or a successor manufacturer) may not be entered into until a period of 1 calendar quarter has elapsed since the date of the termination, unless the Secretary finds good cause for an earlier reinstatement of such an agreement.

(c) Determination of amount of rebate

(1) Basic rebate for single source drugs and innovator multiple source drugs

(A) In general

Except as provided in paragraph (2), the amount of the rebate specified in this subsection for a rebate period (as defined in subsection (k)(8) of this section) with respect to each dosage form and strength of a single source drug or an innovator multiple source drug shall be equal to the product of -

(i) the total number of units of each dosage form and strength paid for under the State plan in the rebate period (as reported by the State); and

(ii) subject to subparagraph (B)(ii), the greater of -

(I) the difference between the average manufacturer price and the best price (as defined in subparagraph (C)) for the dosage form and strength of the drug, or

(II) the minimum rebate percentage (specified in subparagraph (B)(i)) of such average manufacturer price, for the rebate period.

(B) Range of rebates required

(i) Minimum rebate percentage

For purposes of subparagraph (A)(ii)(II), the "minimum

rebate percentage'' for rebate periods beginning -

(I) after December 31, 1990, and before October 1, 1992, is 12.5 percent;

(II) after September 30, 1992, and before January 1, 1994, is 15.7 percent;

(III) after December 31, 1993, and before January 1, 1995, is 15.4 percent;

(IV) after December 31, 1994, and before January 1, 1996, is 15.2 percent; and

(V) after December 31, 1995, is 15.1 percent.

(ii) Temporary limitation on maximum rebate amount

In no case shall the amount applied under subparagraph

(A) (ii) for a rebate period beginning -

(I) before January 1, 1992, exceed 25 percent of the average manufacturer price; or

(II) after December 31, 1991, and before January 1, 1993, exceed 50 percent of the average manufacturer price.

(C) ''Best price'' defined

For purposes of this section -

(i) In general

The term ''best price'' means, with respect to a single source drug or innovator multiple source drug of a manufacturer, the lowest price available from the manufacturer during the rebate period to any wholesaler, retailer, provider, health maintenance organization, nonprofit entity, or governmental entity within the United States, excluding -

(I) any prices charged on or after October 1, 1992, to the Indian Health Service, the Department of Veterans Affairs, a State home receiving funds under section 1741 of title 38, the Department of Defense, the Public Health Service, or a covered entity described in subsection

(a) (5) (B) of this section;

(II) any prices charged under the Federal Supply Schedule of the General Services Administration;

(III) any prices used under a State pharmaceutical assistance program; and

(IV) any depot prices and single award contract prices, as defined by the Secretary, of any agency of the Federal Government.

(ii) Special rules

The term ''best price'' -

(I) shall be inclusive of cash discounts, free goods that are contingent on any purchase requirement, volume discounts, and rebates (other than rebates under this section);

(II) shall be determined without regard to special packaging, labeling, or identifiers on the dosage form or product or package; and

(III) shall not take into account prices that are merely nominal in amount.

(2) Additional rebate for single source and innovator multiple source drugs

(A) In general

The amount of the rebate specified in this subsection for a rebate period, with respect to each dosage form and strength of a single source drug or an innovator multiple source drug,

shall be increased by an amount equal to the product of -

(i) the total number of units of such dosage form and strength dispensed after December 31, 1990, for which payment was made under the State plan for the rebate period; and

(ii) the amount (if any) by which -

(I) the average manufacturer price for the dosage form and strength of the drug for the period, exceeds

(II) the average manufacturer price for such dosage form and strength for the calendar quarter beginning July 1, 1990 (without regard to whether or not the drug has been sold or transferred to an entity, including a division or subsidiary of the manufacturer, after the first day of such quarter), increased by the percentage by which the consumer price index for all urban consumers (United States city average) for the month before the month in which the rebate period begins exceeds such index for September 1990.

(B) Treatment of subsequently approved drugs

In the case of a covered outpatient drug approved by the Food and Drug Administration after October 1, 1990, clause (ii) (II) of subparagraph (A) shall be applied by substituting "the first full calendar quarter after the day on which the drug was first marketed" for "the calendar quarter beginning July 1, 1990" and "the month prior to the first month of the first full calendar quarter after the day on which the drug was first marketed" for "September 1990".

(3) Rebate for other drugs

(A) In general

The amount of the rebate paid to a State for a rebate period with respect to each dosage form and strength of covered outpatient drugs (other than single source drugs and innovator multiple source drugs) shall be equal to the product of -

(i) the applicable percentage (as described in subparagraph (B)) of the average manufacturer price for the dosage form and strength for the rebate period, and

(ii) the total number of units of such dosage form and strength dispensed after December 31, 1990, for which payment was made under the State plan for the rebate period.

(B) "Applicable percentage" defined

For purposes of subparagraph (A) (i), the "applicable percentage" for rebate periods beginning -

(i) before January 1, 1994, is 10 percent, and

(ii) after December 31, 1993, is 11 percent.

(d) Limitations on coverage of drugs

(1) Permissible restrictions

(A) A State may subject to prior authorization any covered outpatient drug. Any such prior authorization program shall comply with the requirements of paragraph (5).

(B) A State may exclude or otherwise restrict coverage of a covered outpatient drug if -

(i) the prescribed use is not for a medically accepted indication (as defined in subsection (k) (6) of this section);

(ii) the drug is contained in the list referred to in paragraph (2);

(iii) the drug is subject to such restrictions pursuant to an agreement between a manufacturer and a State authorized by the Secretary under subsection (a) (1) of this section or in effect pursuant to subsection (a) (4) of this section; or

- (iv) the State has excluded coverage of the drug from its formulary established in accordance with paragraph (4).
- (2) List of drugs subject to restriction
- The following drugs or classes of drugs, or their medical uses, may be excluded from coverage or otherwise restricted:
- (A) Agents when used for anorexia, weight loss, or weight gain.
  - (B) Agents when used to promote fertility.
  - (C) Agents when used for cosmetic purposes or hair growth.
  - (D) Agents when used for the symptomatic relief of cough and colds.
  - (E) Agents when used to promote smoking cessation.
  - (F) Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations.
  - (G) Nonprescription drugs.
  - (H) Covered outpatient drugs which the manufacturer seeks to require as a condition of sale that associated tests or monitoring services be purchased exclusively from the manufacturer or its designee.
  - (I) Barbiturates.
  - (J) Benzodiazepines.

(3) Update of drug listings

The Secretary shall, by regulation, periodically update the list of drugs or classes of drugs described in paragraph (2) or their medical uses, which the Secretary has determined, based on data collected by surveillance and utilization review programs of State medical assistance programs, to be subject to clinical abuse or inappropriate use.

(4) Requirements for formularies

A State may establish a formulary if the formulary meets the following requirements:

- (A) The formulary is developed by a committee consisting of physicians, pharmacists, and other appropriate individuals appointed by the Governor of the State (or, at the option of the State, the State's drug use review board established under subsection (g)(3) of this section).
- (B) Except as provided in subparagraph (C), the formulary includes the covered outpatient drugs of any manufacturer which has entered into and complies with an agreement under subsection (a) of this section (other than any drug excluded from coverage or otherwise restricted under paragraph (2)).
- (C) A covered outpatient drug may be excluded with respect to the treatment of a specific disease or condition for an identified population (if any) only if, based on the drug's labeling (or, in the case of a drug the prescribed use of which is not approved under the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 301 et seq.) but is a medically accepted indication, based on information from the appropriate compendia described in subsection (k)(6) of this section), the excluded drug does not have a significant, clinically meaningful therapeutic advantage in terms of safety, effectiveness, or clinical outcome of such treatment for such population over other drugs included in the formulary and there is a written explanation (available to the public) of the basis for the exclusion.
- (D) The State plan permits coverage of a drug excluded from the formulary (other than any drug excluded from coverage or otherwise restricted under paragraph (2)) pursuant to a prior

authorization program that is consistent with paragraph (5).

(E) The formulary meets such other requirements as the Secretary may impose in order to achieve program savings consistent with protecting the health of program beneficiaries. A prior authorization program established by a State under paragraph (5) is not a formulary subject to the requirements of this paragraph.

(5) Requirements of prior authorization programs

A State plan under this subchapter may require, as a condition of coverage or payment for a covered outpatient drug for which Federal financial participation is available in accordance with this section, with respect to drugs dispensed on or after July 1, 1991, the approval of the drug before its dispensing for any medically accepted indication (as defined in subsection (k)(6) of this section) only if the system providing for such approval -

(A) provides response by telephone or other telecommunication device within 24 hours of a request for prior authorization; and

(B) except with respect to the drugs on the list referred to in paragraph (2), provides for the dispensing of at least 72-hour supply of a covered outpatient prescription drug in an emergency situation (as defined by the Secretary).

(6) Other permissible restrictions

A State may impose limitations, with respect to all such drugs in a therapeutic class, on the minimum or maximum quantities per prescription or on the number of refills, if such limitations are necessary to discourage waste, and may address instances of fraud or abuse by individuals in any manner authorized under this chapter.

(e) Treatment of pharmacy reimbursement limits

(1) In general

During the period beginning on January 1, 1991, and ending on December 31, 1994 -

(A) a State may not reduce the payment limits established by regulation under this subchapter or any limitation described in paragraph (3) with respect to the ingredient cost of a covered outpatient drug or the dispensing fee for such a drug below the limits in effect as of January 1, 1991, and

(B) except as provided in paragraph (2), the Secretary may not modify by regulation the formula established under sections 447.331 through 447.334 of title 42, Code of Federal Regulations, in effect on November 5, 1990, to reduce the limits described in subparagraph (A).

(2) Special rule

If a State is not in compliance with the regulations described in paragraph (1)(B), paragraph (1)(A) shall not apply to such State until such State is in compliance with such regulations.

(3) Effect on State maximum allowable cost limitations

This section shall not supersede or affect provisions in effect prior to January 1, 1991, or after December 31, 1994, relating to any maximum allowable cost limitation established by a State for payment by the State for covered outpatient drugs, and rebates shall be made under this section without regard to whether or not payment by the State for such drugs is subject to such a limitation or the amount of such a limitation.

((4)) (FOOTNOTE 2) Establishment of upper payment limits

(FOOTNOTE 2) See 1993 Amendment note below.

HCFA shall establish a Federal upper reimbursement limit for each multiple source drug for which the FDA has rated three or more products therapeutically and pharmaceutically equivalent, regardless of whether all such additional formulations are rated as such and shall use only such formulations when determining any such upper limit.

(f) Repealed and redesignated

(1) Repealed. Pub. L. 103-66, title XIII, Sec. 13602(a)(1), Aug. 10, 1993, 107 Stat. 613

(2) Redesignated (e)(4)

(g) Drug use review

(1) In general

(A) In order to meet the requirement of section 1396b(i)(10)(B) of this title, a State shall provide, by not later than January 1, 1993, for a drug use review program described in paragraph (2) for covered outpatient drugs in order to assure that prescriptions (i) are appropriate, (ii) are medically necessary, and (iii) are not likely to result in adverse medical results. The program shall be designed to educate physicians and pharmacists to identify and reduce the frequency of patterns of fraud, abuse, gross overuse, or inappropriate or medically unnecessary care, among physicians, pharmacists, and patients, or associated with specific drugs or groups of drugs, as well as potential and actual severe adverse reactions to drugs including education on therapeutic appropriateness, overutilization and underutilization, appropriate use of generic products, therapeutic duplication, drug-disease contraindications, drug-drug interactions, incorrect drug dosage or duration of drug treatment, drug-allergy interactions, and clinical abuse/misuse.

(B) The program shall assess data on drug use against predetermined standards, consistent with the following:

(i) compendia which shall consist of the following:

- (I) American Hospital Formulary Service Drug Information;
- (II) United States Pharmacopeia-Drug Information;
- (III) the DRUGDEX Information System; and
- (IV) American Medical Association Drug Evaluations; and

(ii) the peer-reviewed medical literature.

(C) The Secretary, under the procedures established in section 1396b of this title, shall pay to each State an amount equal to 75 per centum of so much of the sums expended by the State plan during calendar years 1991 through 1993 as the Secretary determines is attributable to the statewide adoption of a drug use review program which conforms to the requirements of this subsection.

(D) States shall not be required to perform additional drug use reviews with respect to drugs dispensed to residents of nursing facilities which are in compliance with the drug regimen review procedures prescribed by the Secretary for such facilities in regulations implementing section 1396r of this title, currently at section 483.60 of title 42, Code of Federal Regulations.

(2) Description of program

Each drug use review program shall meet the following requirements for covered outpatient drugs:

(A) Prospective drug review

(i) The State plan shall provide for a review of drug therapy before each prescription is filled or delivered to an individual receiving benefits under this subchapter, typically

at the point-of-sale or point of distribution. The review shall include screening for potential drug therapy problems due to therapeutic duplication, drug-disease contraindications, drug-drug interactions (including serious interactions with nonprescription or over-the-counter drugs), incorrect drug dosage or duration of drug treatment, drug-allergy interactions, and clinical abuse/misuse. Each State shall use the compendia and literature referred to in paragraph (1) (B) as its source of standards for such review.

(ii) As part of the State's prospective drug use review program under this subparagraph applicable State law shall establish standards for counseling of individuals receiving benefits under this subchapter by pharmacists which includes at least the following:

(I) The pharmacist must offer to discuss with each individual receiving benefits under this subchapter or caregiver of such individual (in person, whenever practicable, or through access to a telephone service which is toll-free for long-distance calls) who presents a prescription, matters which in the exercise of the pharmacist's professional judgment (consistent with State law respecting the provision of such information), the pharmacist deems significant including the following:

(aa) The name and description of the medication.

(bb) The route, dosage form, dosage, route of administration, and duration of drug therapy.

(cc) Special directions and precautions for preparation, administration and use by the patient.

(dd) Common severe side or adverse effects or interactions and therapeutic contraindications that may be encountered, including their avoidance, and the action required if they occur.

(ee) Techniques for self-monitoring drug therapy.

(ff) Proper storage.

(gg) Prescription refill information.

(hh) Action to be taken in the event of a missed dose.

(II) A reasonable effort must be made by the pharmacist to obtain, record, and maintain at least the following information regarding individuals receiving benefits under this subchapter:

(aa) Name, address, telephone number, date of birth (or age) and gender.

(bb) Individual history where significant, including disease state or states, known allergies and drug reactions, and a comprehensive list of medications and relevant devices.

(cc) Pharmacist comments relevant to the individual's drug therapy.

Nothing in this clause shall be construed as requiring a pharmacist to provide consultation when an individual receiving benefits under this subchapter or caregiver of such individual refuses such consultation.

(B) Retrospective drug use review

The program shall provide, through its mechanized drug claims processing and information retrieval systems (approved by the Secretary under section 1396b(r) of this title) or otherwise, for the ongoing periodic examination of claims data and other

records in order to identify patterns of fraud, abuse, gross overuse, or inappropriate or medically unnecessary care, among physicians, pharmacists and individuals receiving benefits under this subchapter, or associated with specific drugs or groups of drugs.

(C) Application of standards

The program shall, on an ongoing basis, assess data on drug use against explicit predetermined standards (using the compendia and literature referred to in subsection (FOOTNOTE 3)

(1) (B) as the source of standards for such assessment) including but not limited to monitoring for therapeutic appropriateness, overutilization and underutilization, appropriate use of generic products, therapeutic duplication, drug-disease contraindications, drug-drug interactions, incorrect drug dosage or duration of drug treatment, and clinical abuse/misuse and, as necessary, introduce remedial strategies, in order to improve the quality of care and to conserve program funds or personal expenditures.

(FOOTNOTE 3) So in original. Probably should be ''paragraph''.

(D) Educational program

The program shall, through its State drug use review board established under paragraph (3), either directly or through contracts with accredited health care educational institutions, State medical societies or State pharmacists associations/societies or other organizations as specified by the State, and using data provided by the State drug use review board on common drug therapy problems, provide for active and ongoing educational outreach programs (including the activities described in paragraph (3) (C) (iii) of this subsection) to educate practitioners on common drug therapy problems with the aim of improving prescribing or dispensing practices.

(3) State drug use review board

(A) Establishment

Each State shall provide for the establishment of a drug use review board (hereinafter referred to as the ''DUR Board'') either directly or through a contract with a private organization.

(B) Membership

The membership of the DUR Board shall include health care professionals who have recognized knowledge and expertise in one or more of the following:

- (i) The clinically appropriate prescribing of covered outpatient drugs.
- (ii) The clinically appropriate dispensing and monitoring of covered outpatient drugs.
- (iii) Drug use review, evaluation, and intervention.
- (iv) Medical quality assurance.

The membership of the DUR Board shall be made up at least 1/3 but no more than 51 percent licensed and actively practicing physicians and at least 1/3 \* \* \* (FOOTNOTE 4) licensed and actively practicing pharmacists.

(FOOTNOTE 4) So in original.

(C) Activities

The activities of the DUR Board shall include but not be limited to the following:

- (i) Retrospective DUR as defined in section (FOOTNOTE 5)

(2) (B) .

(FOOTNOTE 5) So in original. Probably should be ''paragraph''.

(ii) Application of standards as defined in section

(FOOTNOTE 5) (2) (C) .

(iii) Ongoing interventions for physicians and pharmacists, targeted toward therapy problems or individuals identified in the course of retrospective drug use reviews performed under this subsection. Intervention programs shall include, in appropriate instances, at least:

(I) information dissemination sufficient to ensure the ready availability to physicians and pharmacists in the State of information concerning its duties, powers, and basis for its standards;

(II) written, oral, or electronic reminders containing patient-specific or drug-specific (or both) information and suggested changes in prescribing or dispensing practices, communicated in a manner designed to ensure the privacy of patient-related information;

(III) use of face-to-face discussions between health care professionals who are experts in rational drug therapy and selected prescribers and pharmacists who have been targeted for educational intervention, including discussion of optimal prescribing, dispensing, or pharmacy care practices, and follow-up face-to-face discussions; and

(IV) intensified review or monitoring of selected prescribers or dispensers.

The Board shall re-evaluate interventions after an appropriate period of time to determine if the intervention improved the quality of drug therapy, to evaluate the success of the interventions and make modifications as necessary.

(D) Annual report

Each State shall require the DUR Board to prepare a report on an annual basis. The State shall submit a report on an annual basis to the Secretary which shall include a description of the activities of the Board, including the nature and scope of the prospective and retrospective drug use review programs, a summary of the interventions used, an assessment of the impact of these educational interventions on quality of care, and an estimate of the cost savings generated as a result of such program. The Secretary shall utilize such report in evaluating the effectiveness of each State's drug use review program.

(h) Electronic claims management

(1) In general

In accordance with chapter 35 of title 44 (relating to coordination of Federal information policy), the Secretary shall encourage each State agency to establish, as its principal means of processing claims for covered outpatient drugs under this subchapter, a point-of-sale electronic claims management system, for the purpose of performing on-line, real time eligibility verifications, claims data capture, adjudication of claims, and assisting pharmacists (and other authorized persons) in applying for and receiving payment.

(2) Encouragement

In order to carry out paragraph (1) -

(A) for calendar quarters during fiscal years 1991 and 1992, expenditures under the State plan attributable to development of a system described in paragraph (1) shall receive Federal financial participation under section 1396b(a) (3) (A) (i) of this

title (at a matching rate of 90 percent) if the State acquires, through applicable competitive procurement process in the State, the most cost-effective telecommunications network and automatic data processing services and equipment; and

(B) the Secretary may permit, in the procurement described in subparagraph (A) in the application of part 433 of title 42, Code of Federal Regulations, and parts 95, 205, and 307 of title 45, Code of Federal Regulations, the substitution of the State's request for proposal in competitive procurement for advance planning and implementation documents otherwise required.

(i) Omitted

(j) Exemption of organized health care settings

(1) Covered outpatient drugs dispensed by health maintenance organizations, including medicaid managed care organizations that contract under section 1396b(m) of this title, are not subject to the requirements of this section.

(2) The State plan shall provide that a hospital (providing medical assistance under such plan) that dispenses covered outpatient drugs using drug formulary systems, and bills the plan no more than the hospital's purchasing costs for covered outpatient drugs (as determined under the State plan) shall not be subject to the requirements of this section.

(3) Nothing in this subsection shall be construed as providing that amounts for covered outpatient drugs paid by the institutions described in this subsection should not be taken into account for purposes of determining the best price as described in subsection (c) of this section.

(k) Definitions

In this section -

(1) Average manufacturer price

The term "average manufacturer price" means, with respect to a covered outpatient drug of a manufacturer for a rebate period, the average price paid to the manufacturer for the drug in the United States by wholesalers for drugs distributed to the retail pharmacy class of trade, after deducting customary prompt pay discounts.

(2) Covered outpatient drug

Subject to the exceptions in paragraph (3), the term "covered outpatient drug" means -

(A) of those drugs which are treated as prescribed drugs for purposes of section 1396d(a)(12) of this title, a drug which may be dispensed only upon prescription (except as provided in paragraph (5)), and -

(i) which is approved for safety and effectiveness as a prescription drug under section 505 (21 U.S.C. 355) or 507 (FOOTNOTE 6) of the Federal Food, Drug, and Cosmetic Act or which is approved under section 505(j) of such Act (21 U.S.C. 355(j));

(FOOTNOTE 6) See References in Text note below.

(ii) (I) which was commercially used or sold in the United States before October 10, 1962, or which is identical, similar, or related (within the meaning of section 310.6(b)(1) of title 21 of the Code of Federal Regulations) to such a drug, and (II) which has not been the subject of a final determination by the Secretary that it is a "new drug" (within the meaning of section 201(p) of the Federal

Food, Drug, and Cosmetic Act (21 U.S.C. 321(p))) or an action brought by the Secretary under section 301, 302(a), or 304(a) of such Act (21 U.S.C. 331, 332(a), 334(a)) to enforce section 502(f) or 505(a) of such Act (21 U.S.C. 352(f), 355(a)); or

(iii) (I) which is described in section 107(c)(3) of the Drug Amendments of 1962 and for which the Secretary has determined there is a compelling justification for its medical need, or is identical, similar, or related (within the meaning of section 310.6(b)(1) of title 21 of the Code of Federal Regulations) to such a drug, and (II) for which the Secretary has not issued a notice of an opportunity for a hearing under section 505(e) of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 355(e)) on a proposed order of the Secretary to withdraw approval of an application for such drug under such section because the Secretary has determined that the drug is less than effective for some or all conditions of use prescribed, recommended, or suggested in its labeling; and

(B) a biological product, other than a vaccine which -

(i) may only be dispensed upon prescription,

(ii) is licensed under section 262 of this title, and

(iii) is produced at an establishment licensed under such section to produce such product; and

(C) insulin certified under section 506 (FOOTNOTE 6) of the Federal Food, Drug, and Cosmetic Act.

(3) Limiting definition

The term "'covered outpatient drug'" does not include any drug, biological product, or insulin provided as part of, or as incident to and in the same setting as, any of the following (and for which payment may be made under this subchapter as part of payment for the following and not as direct reimbursement for the drug):

(A) Inpatient hospital services.

(B) Hospice services.

(C) Dental services, except that drugs for which the State plan authorizes direct reimbursement to the dispensing dentist are covered outpatient drugs.

(D) Physicians' services.

(E) Outpatient hospital services.

(F) Nursing facility services and services provided by an intermediate care facility for the mentally retarded.

(G) Other laboratory and x-ray services.

(H) Renal dialysis.

Such term also does not include any such drug or product for which a National Drug Code number is not required by the Food and Drug Administration or a drug or biological (FOOTNOTE 7) used for a medical indication which is not a medically accepted indication. Any drug, biological product, or insulin excluded from the definition of such term as a result of this paragraph shall be treated as a covered outpatient drug for purposes of determining the best price (as defined in subsection (c)(1)(C) of this section) for such drug, biological product, or insulin.

(FOOTNOTE 7) So in original. Probably should be "'biological product'".

(4) Nonprescription drugs

If a State plan for medical assistance under this subchapter

includes coverage of prescribed drugs as described in section 1396d(a)(12) of this title and permits coverage of drugs which may be sold without a prescription (commonly referred to as 'over-the-counter' drugs), if they are prescribed by a physician (or other person authorized to prescribe under State law), such a drug shall be regarded as a covered outpatient drug.

(5) Manufacturer

The term 'manufacturer' means any entity which is engaged in

-

(A) the production, preparation, propagation, compounding, conversion, or processing of prescription drug products, either directly or indirectly by extraction from substances of natural origin, or independently by means of chemical synthesis, or by a combination of extraction and chemical synthesis, or

(B) in the packaging, repackaging, labeling, relabeling, or distribution of prescription drug products.

Such term does not include a wholesale distributor of drugs or a retail pharmacy licensed under State law.

(6) Medically accepted indication

The term 'medically accepted indication' means any use for a covered outpatient drug which is approved under the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 301 et seq.) or the use of which is supported by one or more citations included or approved for inclusion in any of the compendia described in subsection (g)(1)(B)(i) of this section.

(7) Multiple source drug; innovator multiple source drug; noninnovator multiple source drug; single source drug

(A) Defined

(i) Multiple source drug

The term 'multiple source drug' means, with respect to a rebate period, a covered outpatient drug (not including any drug described in paragraph (5)) for which there are 2 or more drug products which -

(I) are rated as therapeutically equivalent (under the Food and Drug Administration's most recent publication of 'Approved Drug Products with Therapeutic Equivalence Evaluations'),

(II) except as provided in subparagraph (B), are pharmaceutically equivalent and bioequivalent, as defined in subparagraph (C) and as determined by the Food and Drug Administration, and

CHAPTER 7 - SOCIAL SECURITY  
SUBCHAPTER XIX - GRANTS TO STATES FOR MEDICAL ASSISTANCE PROGRAMS

Sec. 1396s. Program for distribution of pediatric vaccines

-STATUTE-

(a) Establishment of program

(1) In general

In order to meet the requirement of section 1396a(a)(62) of this title, each State shall establish a pediatric vaccine distribution program (which may be administered by the State department of health), consistent with the requirements of this

section, under which -

(A) each vaccine-eligible child (as defined in subsection (b) of this section), in receiving an immunization with a qualified pediatric vaccine (as defined in subsection (h)(8) of this section) from a program-registered provider (as defined in subsection (c) of this section) on or after October 1, 1994, is entitled to receive the immunization without charge for the cost of such vaccine; and

(B) (i) each program-registered provider who administers such a pediatric vaccine to a vaccine-eligible child on or after such date is entitled to receive such vaccine under the program without charge either for the vaccine or its delivery to the provider, and (ii) no vaccine is distributed under the program to a provider unless the provider is a program-registered provider.

(2) Delivery of sufficient quantities of pediatric vaccines to immunize federally vaccine-eligible children

(A) In general

The Secretary shall provide under subsection (d) of this section for the purchase and delivery on behalf of each State meeting the requirement of section 1396a(a)(62) of this title (or, with respect to vaccines administered by an Indian tribe or tribal organization to Indian children, directly to the tribe or organization), without charge to the State, of such quantities of qualified pediatric vaccines as may be necessary for the administration of such vaccines to all federally vaccine-eligible children in the State on or after October 1, 1994. This paragraph constitutes budget authority in advance of appropriations Acts, and represents the obligation of the Federal Government to provide for the purchase and delivery to States of the vaccines (or payment under subparagraph (C)) in accordance with this paragraph.

(B) Special rules where vaccine is unavailable

To the extent that a sufficient quantity of a vaccine is not available for purchase or delivery under subsection (d) of this section, the Secretary shall provide for the purchase and delivery of the available vaccine in accordance with priorities established by the Secretary, with priority given to federally vaccine-eligible children unless the Secretary finds there are other public health considerations.

(C) Special rules where State is a manufacturer

(i) Payments in lieu of vaccines

In the case of a State that manufactures a pediatric vaccine the Secretary, instead of providing the vaccine on behalf of a State under subparagraph (A), shall provide to the State an amount equal to the value of the quantity of such vaccine that otherwise would have been delivered on behalf of the State under such subparagraph, but only if the State agrees that such payments will only be used for purposes relating to pediatric immunizations.

(ii) Determination of value

In determining the amount to pay a State under clause (i) with respect to a pediatric vaccine, the value of the quantity of vaccine shall be determined on the basis of the price in effect for the qualified pediatric vaccine under contracts under subsection (d) of this section. If more than 1 such contract is in effect, the Secretary shall determine

such value on the basis of the average of the prices under the contracts, after weighting each such price in relation to the quantity of vaccine under the contract involved.

(b) Vaccine-eligible children

For purposes of this section:

(1) In general

The term "'vaccine-eligible child'" means a child who is a federally vaccine-eligible child (as defined in paragraph (2)) or a State vaccine-eligible child (as defined in paragraph (3)).

(2) Federally vaccine-eligible child

(A) In general

The term "'federally vaccine-eligible child'" means any of the following children:

(i) A medicaid-eligible child.

(ii) A child who is not insured.

(iii) A child who (I) is administered a qualified pediatric vaccine by a federally-qualified health center (as defined in section 1396d(1)(2)(B) of this title) or a rural health clinic (as defined in section 1396d(1)(1) of this title), and (II) is not insured with respect to the vaccine.

(iv) A child who is an Indian (as defined in subsection (h)(3) of this section).

(B) Definitions

In subparagraph (A):

(i) The term "'medicaid-eligible'" means, with respect to a child, a child who is entitled to medical assistance under a state (FOOTNOTE 1) plan approved under this subchapter.

(FOOTNOTE 1) So in original. Probably should be capitalized.

(ii) The term "'insured'" means, with respect to a child -

(I) for purposes of subparagraph (A)(ii), that the child is enrolled under, and entitled to benefits under, a health insurance policy or plan, including a group health plan, a prepaid health plan, or an employee welfare benefit plan under the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1001 et seq.); and

(II) for purposes of subparagraph (A)(iii)(II) with respect to a pediatric vaccine, that the child is entitled to benefits under such a health insurance policy or plan, but such benefits are not available with respect to the cost of the pediatric vaccine.

(3) State vaccine-eligible child

The term "'State vaccine-eligible child'" means, with respect to a State and a qualified pediatric vaccine, a child who is within a class of children for which the State is purchasing the vaccine pursuant to subsection (d)(4)(B) of this section.

(c) Program-registered providers

(1) Defined

In this section, except as otherwise provided, the term "'program-registered provider'" means, with respect to a State, any health care provider that -

(A) is licensed or otherwise authorized for administration of pediatric vaccines under the law of the State in which the administration occurs (subject to section 254f(e) of this title), without regard to whether or not the provider participates in the plan under this subchapter;

(B) submits to the State an executed provider agreement described in paragraph (2); and

(C) has not been found, by the Secretary or the State, to have violated such agreement or other applicable requirements established by the Secretary or the State consistent with this section.

(2) Provider agreement

A provider agreement for a provider under this paragraph is an agreement (in such form and manner as the Secretary may require) that the provider agrees as follows:

(A) (i) Before administering a qualified pediatric vaccine to a child, the provider will ask a parent of the child such questions as are necessary to determine whether the child is a vaccine-eligible child, but the provider need not independently verify the answers to such questions.

(ii) The provider will, for a period of time specified by the Secretary, maintain records of responses made to the questions.

(iii) The provider will, upon request, make such records available to the State and to the Secretary, subject to section 1396a(a)(7) of this title.

(B) (i) Subject to clause (ii), the provider will comply with the schedule, regarding the appropriate periodicity, dosage, and contraindications applicable to pediatric vaccines, that is established and periodically reviewed and, as appropriate, revised by the advisory committee referred to in subsection (e) of this section, except in such cases as, in the provider's medical judgment subject to accepted medical practice, such compliance is medically inappropriate.

(ii) The provider will provide pediatric vaccines in compliance with applicable State law, including any such law relating to any religious or other exemption.

(C) (i) In administering a qualified pediatric vaccine to a vaccine-eligible child, the provider will not impose a charge for the cost of the vaccine. A program-registered provider is not required under this section to administer such a vaccine to each child for whom an immunization with the vaccine is sought from the provider.

(ii) The provider may impose a fee for the administration of a qualified pediatric vaccine so long as the fee in the case of a federally vaccine-eligible child does not exceed the costs of such administration (as determined by the Secretary based on actual regional costs for such administration).

(iii) The provider will not deny administration of a qualified pediatric vaccine to a vaccine-eligible child due to the inability of the child's parent to pay an administration fee.

(3) Encouraging involvement of providers

Each program under this section shall provide, in accordance with criteria established by the Secretary -

(A) for encouraging the following to become program-registered providers: private health care providers, the Indian Health Service, health care providers that receive funds under title V of the Indian Health Care Improvement Act (25 U.S.C. 1651 et seq.), and health programs or facilities operated by Indian tribes or tribal organizations; and

(B) for identifying, with respect to any population of vaccine-eligible children a substantial portion of whose parents have a limited ability to speak the English language, those program-registered providers who are able to communicate

with the population involved in the language and cultural context that is most appropriate.

(4) State requirements

Except as the Secretary may permit in order to prevent fraud and abuse and for related purposes, a State may not impose additional qualifications or conditions, in addition to the requirements of paragraph (1), in order that a provider qualify as a program-registered provider under this section. This subsection does not limit the exercise of State authority under section 1396n(b) of this title.

(d) Negotiation of contracts with manufacturers

(1) In general

For the purpose of meeting obligations under this section, the Secretary shall negotiate and enter into contracts with manufacturers of pediatric vaccines consistent with the requirements of this subsection and, to the maximum extent practicable, consolidate such contracting with any other contracting activities conducted by the Secretary to purchase vaccines. The Secretary may enter into such contracts under which the Federal Government is obligated to make outlays, the budget authority for which is not provided for in advance in appropriations Acts, for the purchase and delivery of pediatric vaccines under subsection (a) (2) (A) of this section.

(2) Authority to decline contracts

The Secretary may decline to enter into such contracts and may modify or extend such contracts.

(3) Contract price

(A) In general

The Secretary, in negotiating the prices at which pediatric vaccines will be purchased and delivered from a manufacturer under this subsection, shall take into account quantities of vaccines to be purchased by States under the option under paragraph (4) (B).

(B) Negotiation of discounted price for current vaccines

With respect to contracts entered into under this subsection for a pediatric vaccine for which the Centers for Disease Control and Prevention has a contract in effect under section 247b(j) (1) of this title as of May 1, 1993, no price for the purchase of such vaccine for vaccine-eligible children shall be agreed to by the Secretary under this subsection if the price per dose of such vaccine (including delivery costs and any applicable excise tax established under section 4131 of the Internal Revenue Code of 1986) exceeds the price per dose for the vaccine in effect under such a contract as of such date increased by the percentage increase in the consumer price index for all urban consumers (all items; United States city average) from May 1993 to the month before the month in which such contract is entered into.

(C) Negotiation of discounted price for new vaccines

With respect to contracts entered into for a pediatric vaccine not described in subparagraph (B), the price for the purchase of such vaccine shall be a discounted price negotiated by the Secretary that may be established without regard to such subparagraph.

(4) Quantities and terms of delivery

Under such contracts -

(A) the Secretary shall provide, consistent with paragraph

(6), for the purchase and delivery on behalf of States (and tribes and tribal organizations) of quantities of pediatric vaccines for federally vaccine-eligible children; and

(B) each State, at the option of the State, shall be permitted to obtain additional quantities of pediatric vaccines (subject to amounts specified to the Secretary by the State in advance of negotiations) through purchasing the vaccines from the manufacturers at the applicable price negotiated by the Secretary consistent with paragraph (3), if (i) the State agrees that the vaccines will be used to provide immunizations only for children who are not federally vaccine-eligible children and (ii) the State provides to the Secretary such information (at a time and manner specified by the Secretary, including in advance of negotiations under paragraph (1)) as the Secretary determines to be necessary, to provide for quantities of pediatric vaccines for the State to purchase pursuant to this subsection and to determine annually the percentage of the vaccine market that is purchased pursuant to this section and this subparagraph.

The Secretary shall enter into the initial negotiations under the preceding sentence not later than 180 days after August 10, 1993.

(5) Charges for shipping and handling

The Secretary may enter into a contract referred to in paragraph (1) only if the manufacturer involved agrees to submit to the Secretary such reports as the Secretary determines to be appropriate to assure compliance with the contract and if, with respect to a State program under this section that does not provide for the direct delivery of qualified pediatric vaccines, the manufacturer involved agrees that the manufacturer will provide for the delivery of the vaccines on behalf of the State in accordance with such program and will not impose any charges for the costs of such delivery (except to the extent such costs are provided for in the price established under paragraph (3)).

(6) Assuring adequate supply of vaccines

The Secretary, in negotiations under paragraph (1), shall negotiate for quantities of pediatric vaccines such that an adequate supply of such vaccines will be maintained to meet unanticipated needs for the vaccines. For purposes of the preceding sentence, the Secretary shall negotiate for a 6-month supply of vaccines in addition to the quantity that the Secretary otherwise would provide for in such negotiations. In carrying out this paragraph, the Secretary shall consider the potential for outbreaks of the diseases with respect to which the vaccines have been developed.

(7) Multiple suppliers

In the case of the pediatric vaccine involved, the Secretary shall, as appropriate, enter into a contract referred to in paragraph (1) with each manufacturer of the vaccine that meets the terms and conditions of the Secretary for an award of such a contract (including terms and conditions regarding safety and quality). With respect to multiple contracts entered into pursuant to this paragraph, the Secretary may have in effect different prices under each of such contracts and, with respect to a purchase by States pursuant to paragraph (4) (B), the Secretary shall determine which of such contracts will be applicable to the purchase.

(e) Use of pediatric vaccines list

The Secretary shall use, for the purpose of the purchase, delivery, and administration of pediatric vaccines under this section, the list established (and periodically reviewed and as appropriate revised) by the Advisory Committee on Immunization Practices (an advisory committee established by the Secretary, acting through the Director of the Centers for Disease Control and Prevention).

(f) Requirement of State maintenance of immunization laws

In the case of a State that had in effect as of May 1, 1993, a law that requires some or all health insurance policies or plans to provide some coverage with respect to a pediatric vaccine, a State program under this section does not comply with the requirements of this section unless the State certifies to the Secretary that the State has not modified or repealed such law in a manner that reduces the amount of coverage so required.

(g) Termination

This section, and the requirement of section 1396a(a)(62) of this title, shall cease to be in effect beginning on such date as may be prescribed in Federal law providing for immunization services for all children as part of a broad-based reform of the national health care system.

Sec. 1396t. Home and community care for functionally disabled elderly individuals

-STATUTE-

(a) ''Home and community care'' defined

In this subchapter, the term ''home and community care'' means one or more of the following services furnished to an individual who has been determined, after an assessment under subsection (c) of this section, to be a functionally disabled elderly individual,

furnished in accordance with an individual community care plan (established and periodically reviewed and revised by a qualified community care case manager under subsection (d) of this section):

- (1) Homemaker/home health aide services.
- (2) Chore services.
- (3) Personal care services.
- (4) Nursing care services provided by, or under the supervision of, a registered nurse.
- (5) Respite care.
- (6) Training for family members in managing the individual.

- (8) In the case of an individual with chronic mental illness, day treatment or other partial hospitalization, psychosocial rehabilitation services, and clinic services (whether or not furnished in a facility).
- (9) Such other home and community-based services (other than room and board) as the Secretary may approve.

(b) "Functionally disabled elderly individual" defined

(1) In general

In this subchapter, the term "functionally disabled elderly individual" means an individual who -

- (A) is 65 years of age or older,
- (B) is determined to be a functionally disabled individual under subsection (c) of this section, and
- (C) subject to section 1396a(f) of this title (as applied consistent with section 1396a(r)(2) of this title), is receiving supplemental security income benefits under subchapter XVI of this chapter (or under a State plan approved under subchapter XVI of this chapter) or, at the option of the State, is described in section 1396a(a)(10)(C) of this title.

(2) Treatment of certain individuals previously covered under a waiver

(A) In the case of a State which -

(i) at the time of its election to provide coverage for home and community care under this section has a waiver approved under section 1396n(c) or 1396n(d) of this title with respect to individuals 65 years of age or older, and

(ii) subsequently discontinues such waiver, individuals who were eligible for benefits under the waiver as of the date of its discontinuance and who would, but for income or resources, be eligible for medical assistance for home and community care under the plan shall, notwithstanding any other provision of this subchapter, be deemed a functionally disabled elderly individual for so long as the individual would have remained eligible for medical assistance under such waiver.

(B) In the case of a State which used a health insuring organization before January 1, 1986, and which, as of December 31, 1990, had in effect a waiver under section 1315 of this title that provides under the State plan under this subchapter for personal care services for functionally disabled individuals, the term "functionally disabled elderly individual" may include, at the option of the State, an individual who -

(i) is 65 years of age or older or is disabled (as determined under the supplemental security income program under subchapter XVI of this chapter);

(ii) is determined to meet the test of functional disability applied under the waiver as of such date; and

(iii) meets the resource requirement and income standard that apply in the State to individuals described in section 1396a(a)(10)(A)(ii)(V) of this title.

(3) Use of projected income

In applying section 1396b(f)(1) of this title in determining the eligibility of an individual (described in section 1396a(a)(10)(C) of this title) for medical assistance for home and community care, a State may, at its option, provide for the determination of the individual's anticipated medical expenses (to be deducted from income) over a period of up to 6 months.

(c) Determinations of functional disability

(1) In general

In this section, an individual is "'functionally disabled'" if the individual -

(A) is unable to perform without substantial assistance from another individual at least 2 of the following 3 activities of daily living: toileting, transferring, and eating; or

(B) has a primary or secondary diagnosis of Alzheimer's disease and is (i) unable to perform without substantial human assistance (including verbal reminding or physical cueing) or supervision at least 2 of the following 5 activities of daily living: bathing, dressing, toileting, transferring, and eating; or (ii) cognitively impaired so as to require substantial supervision from another individual because he or she engages in inappropriate behaviors that pose serious health or safety hazards to himself or herself or others.

(2) Assessments of functional disability

(A) Requests for assessments

If a State has elected to provide home and community care under this section, upon the request of an individual who is 65 years of age or older and who meets the requirements of subsection (b)(1)(C) of this section (or another person on such individual's behalf), the State shall provide for a comprehensive functional assessment under this subparagraph which -

(i) is used to determine whether or not the individual is functionally disabled,

(ii) is based on a uniform minimum data set specified by the Secretary under subparagraph (C)(i), and

(iii) uses an instrument which has been specified by the State under subparagraph (B).

No fee may be charged for such an assessment.

(B) Specification of assessment instrument

The State shall specify the instrument to be used in the State in complying with the requirement of subparagraph

(A)(iii) which instrument shall be -

(i) one of the instruments designated under subparagraph (C)(ii); or

(ii) an instrument which the Secretary has approved as being consistent with the minimum data set of core elements, common definitions, and utilization guidelines specified by the Secretary in subparagraph (C)(i).

(C) Specification of assessment data set and instruments

The Secretary shall -

(i) not later than July 1, 1991 -

(I) specify a minimum data set of core elements and common definitions for use in conducting the assessments

required under subparagraph (A); and

(II) establish guidelines for use of the data set; and

(ii) by not later than July 1, 1991, designate one or more instruments which are consistent with the specification made under subparagraph (A) and which a State may specify under subparagraph (B) for use in complying with the requirements of subparagraph (A).

(D) Periodic review

Each individual who qualifies as a functionally disabled elderly individual shall have the individual's assessment periodically reviewed and revised not less often than once every 12 months.

(E) Conduct of assessment by interdisciplinary teams

An assessment under subparagraph (A) and a review under subparagraph (D) must be conducted by an interdisciplinary team designated by the State. The Secretary shall permit a State to provide for assessments and reviews through teams under contracts -

(i) with public organizations; or

(ii) with nonpublic organizations which do not provide home and community care or nursing facility services and do not have a direct or indirect ownership or control interest in, or direct or indirect affiliation or relationship with, an entity that provides, community care or nursing facility services.

(F) Contents of assessment

The interdisciplinary team must -

(i) identify in each such assessment or review each individual's functional disabilities and need for home and community care, including information about the individual's health status, home and community environment, and informal support system; and

(ii) based on such assessment or review, determine whether the individual is (or continues to be) functionally disabled.

The results of such an assessment or review shall be used in establishing, reviewing, and revising the individual's ICCP under subsection (d)(1) of this section.

(G) Appeal procedures

Each State which elects to provide home and community care under this section must have in effect an appeals process for individuals adversely affected by determinations under subparagraph (F).

(d) Individual community care plan (ICCP)

(1) "Individual community care plan" defined

In this section, the terms "individual community care plan" and "ICCP" mean, with respect to a functionally disabled elderly individual, a written plan which -

(A) is established, and is periodically reviewed and revised, by a qualified case manager after a face-to-face interview with the individual or primary caregiver and based upon the most recent comprehensive functional assessment of such individual conducted under subsection (c)(2) of this section;

(B) specifies, within any amount, duration, and scope limitations imposed on home and community care provided under the State plan, the home and community care to be provided to such individual under the plan, and indicates the individual's preferences for the types and providers of services; and

(C) may specify other services required by such individual. An ICCP may also designate the specific providers (qualified to provide home and community care under the State plan) which will provide the home and community care described in subparagraph (B). Nothing in this section shall be construed as authorizing an ICCP or the State to restrict the specific persons or individuals (who are competent to provide home and community care under the State plan) who will provide the home and community care described in subparagraph (B).

(2) "Qualified community care case manager" defined

In this section, the term "qualified community care case manager" means a nonprofit or public agency or organization which -

(A) has experience or has been trained in establishing, and in periodically reviewing and revising, individual community care plans and in the provision of case management services to the elderly;

(B) is responsible for (i) assuring that home and community care covered under the State plan and specified in the ICCP is being provided, (ii) visiting each individual's home or community setting where care is being provided not less often than once every 90 days, and (iii) informing the elderly individual or primary caregiver on how to contact the case manager if service providers fail to properly provide services or other similar problems occur;

(C) in the case of a nonpublic agency, does not provide home and community care or nursing facility services and does not have a direct or indirect ownership or control interest in, or direct or indirect affiliation or relationship with, an entity that provides, home and community care or nursing facility services;

(D) has procedures for assuring the quality of case management services that includes a peer review process;

(E) completes the ICCP in a timely manner and reviews and discusses new and revised ICCPs with elderly individuals or primary caregivers; and

(F) meets such other standards, established by the Secretary, as to assure that -

(i) such a manager is competent to perform case management functions;

(ii) individuals whose home and community care they manage are not at risk of financial exploitation due to such a manager; and

(iii) meets such other standards as the State may establish.

The Secretary may waive the requirement of subparagraph (C) in the case of a nonprofit agency located in a rural area.

(3) Appeals process

Each State which elects to provide home and community care under this section must have in effect an appeals process for individuals who disagree with the ICCP established.

(e) Ceiling on payment amounts and maintenance of effort

(1) Ceiling on payment amounts

Payments may not be made under section 1396b(a) of this title to a State for home and community care provided under this section in a quarter to the extent that the medical assistance for such care in the quarter exceeds 50 percent of the product of

-

(A) the average number of individuals in the quarter receiving such care under this section;

(B) the average per diem rate of payment which the Secretary has determined (before the beginning of the quarter) will be payable under subchapter XVIII of this chapter (without regard to coinsurance) for extended care services to be provided in the State during such quarter; and

(C) the number of days in such quarter.

(2) Maintenance of effort

(A) Annual reports

As a condition for the receipt of payment under section 1396b(a) of this title with respect to medical assistance provided by a State for home and community care (other than a waiver under section 1396n(c) of this title and other than home health care services described in section 1396d(a)(7) of this title and personal care services specified under regulations under section 1396d(a)(23) of this title), the State shall report to the Secretary, with respect to each Federal fiscal year (beginning with fiscal year 1990) and in a format developed or approved by the Secretary, the amount of funds obligated by the State with respect to the provision of home and community care to the functionally disabled elderly in that fiscal year.

(B) Reduction in payment if failure to maintain effort

If the amount reported under subparagraph (A) by a State with respect to a fiscal year is less than the amount reported under subparagraph (A) with respect to fiscal year 1989, the Secretary shall provide for a reduction in payments to the State under section 1396b(a) of this title in an amount equal to the difference between the amounts so reported.

(f) Minimum requirements for home and community care

(1) Requirements

Home and Community (FOOTNOTE 1) care provided under this section must meet such requirements for individuals' rights and quality as are published or developed by the Secretary under subsection (k) of this section. Such requirements shall include

(g) Minimum requirements for small community care settings

(1) "'Small community care setting'" defined

In this section, the term "'small community care setting'" means -

(A) a nonresidential setting that serves more than 2 and less than 8 individuals; or

(B) a residential setting in which more than 2 and less than 8 unrelated adults reside and in which personal services (other than merely board) are provided in conjunction with residing in the setting.

(B) a residential setting in which more than 8 unrelated adults reside and in which personal services are provided in conjunction with residing in the setting in which home and community care under this section is provided.

(2) Minimum requirements

A large community care setting in which community care is provided under this section must -

(A) meet such requirements as are published or developed by the Secretary under subsection (k) of this section;

(B) meet the requirements of paragraphs (1) (A), (1) (C), (1) (D), (3), and (6) of section 1396r(c) of this title, to the extent applicable to such a setting;

(C) inform each individual receiving community care under this section in the setting, orally and in writing at the time the individual first receives home and community care in the setting, of the individual's legal rights with respect to such a setting and the care provided in the setting; and

(3) Disclosure of ownership and control interests and exclusion of repeated violators

A community care setting -

(A) must disclose persons with an ownership or control interest (including such persons as defined in section 1320a-3(a) (3) of this title) in the setting; and

(B) may not have, as a person with an ownership or control interest in the setting, any individual or person who has been excluded from participation in the program under this subchapter or who has had such an ownership or control interest in one or more community care settings which have been found repeatedly to be substandard or to have failed to meet the requirements of paragraph (2).

(i) Survey and certification process

(1) Certifications

(A) Responsibilities of the State

Under each State plan under this subchapter, the State shall be responsible for certifying the compliance of providers of home and community care and community care settings with the applicable requirements of subsections (f), (g) and (h) of this section. The failure of the Secretary to issue regulations to carry out this subsection shall not relieve a State of its responsibility under this subsection.

(B) Responsibilities of the Secretary

The Secretary shall be responsible for certifying the compliance of State providers of home and community care, and of State community care settings in which such care is provided, with the requirements of subsections (f), (g) and (h) of this section.

(C) Frequency of certifications

Certification of providers and settings under this subsection shall occur no less frequently than once every 12 months.

(2) Reviews of providers

(A) In general

The certification under this subsection with respect to a provider of home or community care must be based on a periodic

review of the provider's performance in providing the care required under ICCP's in accordance with the requirements of subsection (f) of this section.

(B) Special reviews of compliance

Where the Secretary has reason to question the compliance of a provider of home or community care with any of the requirements of subsection (f) of this section, the Secretary may conduct a review of the provider and, on the basis of that review, make independent and binding determinations concerning the extent to which the provider meets such requirements.

(3) Surveys of community care settings

(A) In general

The certification under this subsection with respect to community care settings must be based on a survey. Such survey for such a setting must be conducted without prior notice to the setting. Any individual who notifies (or causes to be notified) a community care setting of the time or date on which such a survey is scheduled to be conducted is subject to a civil money penalty of not to exceed \$2,000. The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title. The Secretary shall review each State's procedures for scheduling and conducting such surveys to assure that the State has taken all reasonable steps to avoid giving notice of such a survey through the scheduling procedures and the conduct of the surveys themselves.

(B) Survey protocol

Surveys under this paragraph shall be conducted based upon a protocol which the Secretary has provided for under subsection (k) of this section.

(C) Prohibition of conflict of interest in survey team membership

A State and the Secretary may not use as a member of a survey team under this paragraph an individual who is serving (or has served within the previous 2 years) as a member of the staff of, or as a consultant to, the community care setting being surveyed (or the person responsible for such setting) respecting compliance with the requirements of subsection (g) or (h) of this section or who has a personal or familial financial interest in the setting being surveyed.

(D) Validation surveys of community care settings

The Secretary shall conduct onsite surveys of a representative sample of community care settings in each State, within 2 months of the date of surveys conducted under subparagraph (A) by the State, in a sufficient number to allow inferences about the adequacies of each State's surveys conducted under subparagraph (A). In conducting such surveys, the Secretary shall use the same survey protocols as the State is required to use under subparagraph (B). If the State has determined that an individual setting meets the requirements of subsection (g) of this section, but the Secretary determines that the setting does not meet such requirements, the Secretary's determination as to the setting's noncompliance with such requirements is binding and supersedes that of the State survey.

(E) Special surveys of compliance

Where the Secretary has reason to question the compliance of a community care setting with any of the requirements of subsection (g) or (h) of this section, the Secretary may conduct a survey of the setting and, on the basis of that survey, make independent and binding determinations concerning the extent to which the setting meets such requirements.

(4) Investigation of complaints and monitoring of providers and settings

Each State and the Secretary shall maintain procedures and adequate staff to investigate complaints of violations of applicable requirements imposed on providers of community care or on community care settings under subsections (f), (g) and (h) of this section.

(5) Investigation of allegations of individual neglect and abuse and misappropriation of individual property

The State shall provide, through the agency responsible for surveys and certification of providers of home or community care and community care settings under this subsection, for a process for the receipt, review, and investigation of allegations of individual neglect and abuse (including injuries of unknown source) by individuals providing such care or in such setting and of misappropriation of individual property by such individuals. The State shall, after notice to the individual involved and a reasonable opportunity for hearing for the individual to rebut allegations, make a finding as to the accuracy of the allegations. If the State finds that an individual has neglected or abused an individual receiving community care or misappropriated such individual's property, the State shall notify the individual against whom the finding is made. A State shall not make a finding that a person has neglected an individual receiving community care if the person demonstrates that such neglect was caused by factors beyond the control of the person. The State shall provide for public disclosure of findings under this paragraph upon request and for inclusion, in any such disclosure of such findings, of any brief statement (or of a clear and accurate summary thereof) of the individual disputing such findings.

(6) Disclosure of results of inspections and activities

(A) Public information

Each State, and the Secretary, shall make available to the public -

(i) information respecting all surveys, reviews, and certifications made under this subsection respecting providers of home or community care and community care settings, including statements of deficiencies,

(ii) copies of cost reports (if any) of such providers and settings filed under this subchapter,

(iii) copies of statements of ownership under section 1320a-3 of this title, and

(iv) information disclosed under section 1320a-5 of this title.

(B) Notices of substandard care

If a State finds that -

(i) a provider of home or community care has provided care of substandard quality with respect to an individual, the State shall make a reasonable effort to notify promptly (I)

an immediate family member of each such individual and (II) individuals receiving home or community care from that provider under this subchapter, or

(ii) a community care setting is substandard, the State shall make a reasonable effort to notify promptly (I) individuals receiving community care in that setting, and (II) immediate family members of such individuals.

(C) Access to fraud control units

Each State shall provide its State medicaid fraud and abuse control unit (established under section 1396b(q) of this title) with access to all information of the State agency responsible for surveys, reviews, and certifications under this subsection.

(j) Enforcement process for providers of community care

(1) State authority

(A) In general

If a State finds, on the basis of a review under subsection (i) (2) of this section or otherwise, that a provider of home or community care no longer meets the requirements of this section, the State may terminate the provider's participation under the State plan and may provide in addition for a civil money penalty. Nothing in this subparagraph shall be construed as restricting the remedies available to a State to remedy a provider's deficiencies. If the State finds that a provider meets such requirements but, as of a previous period, did not meet such requirements, the State may provide for a civil money penalty under paragraph (2) (A) for the period during which it finds that the provider was not in compliance with such requirements.

(B) Civil money penalty

(i) In general

Each State shall establish by law (whether statute or regulation) at least the following remedy: A civil money penalty assessed and collected, with interest, for each day in which the provider is or was out of compliance with a requirement of this section. Funds collected by a State as a result of imposition of such a penalty (or as a result of the imposition by the State of a civil money penalty under subsection (i) (3) (A) of this section) may be applied to reimbursement of individuals for personal funds lost due to a failure of home or community care providers to meet the requirements of this section. The State also shall specify criteria, as to when and how this remedy is to be applied and the amounts of any penalties. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the penalties and shall provide for the imposition of incrementally more severe penalties for repeated or uncorrected deficiencies.

(ii) Deadline and guidance

Each State which elects to provide home and community care under this section must establish the civil money penalty remedy described in clause (i) applicable to all providers of community care covered under this section. The Secretary shall provide, through regulations or otherwise by not later than July 1, 1990, guidance to States in establishing such remedy; but the failure of the Secretary to provide such guidance shall not relieve a State of the responsibility for

establishing such remedy.

(2) Secretarial authority

(A) For State providers

With respect to a State provider of home or community care, the Secretary shall have the authority and duties of a State under this subsection, except that the civil money penalty remedy described in subparagraph (C) shall be substituted for the civil money remedy described in paragraph (1) (B) (i).

(B) Other providers

With respect to any other provider of home or community care in a State, if the Secretary finds that a provider no longer meets a requirement of this section, the Secretary may terminate the provider's participation under the State plan and may provide, in addition, for a civil money penalty under subparagraph (C). If the Secretary finds that a provider meets such requirements but, as of a previous period, did not meet such requirements, the Secretary may provide for a civil money penalty under subparagraph (C) for the period during which the Secretary finds that the provider was not in compliance with such requirements.

(C) Civil money penalty

If the Secretary finds on the basis of a review under subsection (i) (2) of this section or otherwise that a home or community care provider no longer meets the requirements of this section, the Secretary shall impose a civil money penalty in an amount not to exceed \$10,000 for each day of noncompliance. The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title. The Secretary shall specify criteria, as to when and how this remedy is to be applied and the amounts of any penalties. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the penalties and shall provide for the imposition of incrementally more severe penalties for repeated or uncorrected deficiencies.

(k) Secretarial responsibilities

(1) Publication of interim requirements

(A) In general

The Secretary shall publish, by December 1, 1991, a proposed regulation that sets forth interim requirements, consistent with subparagraph (B), for the provision of home and community care and for community care settings, including -

- (i) the requirements of subsection (c) (2) of this section (relating to comprehensive functional assessments, including the use of assessment instruments), of subsection (d) (2) (E) of this section (relating to qualifications for qualified case managers), of subsection (f) of this section (relating to minimum requirements for home and community care), of subsection (g) of this section (relating to minimum requirements for small community care settings), and of subsection (h) of this section (relating to minimum requirements for large community care settings), and
- (ii) survey protocols (for use under subsection (i) (3) (A) of this section) which relate to such requirements.

(B) Minimum protections

Interim requirements under subparagraph (A) and final requirements under paragraph (2) shall assure, through methods other than reliance on State licensure processes, that individuals receiving home and community care are protected from neglect, physical and sexual abuse, financial exploitation, inappropriate involuntary restraint, and the provision of health care services by unqualified personnel in community care settings.

(2) Development of final requirements

The Secretary shall develop, by not later than October 1, 1992

-

(A) final requirements, consistent with paragraph (1) (B), respecting the provision of appropriate, quality home and community care and respecting community care settings under this section, and including at least the requirements referred to in paragraph (1) (A) (i), and

(B) survey protocols and methods for evaluating and assuring the quality of community care settings.

The Secretary may, from time to time, revise such requirements, protocols, and methods.

(3) No delegation to States

The Secretary's authority under this subsection shall not be delegated to States.

(4) No prevention of more stringent requirements by States

Nothing in this section shall be construed as preventing States from imposing requirements that are more stringent than the requirements published or developed by the Secretary under this subsection.

(1) Waiver of Statewideness

States may waive the requirement of section 1396a(a) (1) of this title (related to Statewideness) for a program of home and community care under this section.

(m) Limitation on amount of expenditures as medical assistance

(1) Limitation on amount

The amount of funds that may be expended as medical assistance to carry out the purposes of this section shall be for fiscal year 1991, \$40,000,000, for fiscal year 1992, \$70,000,000, for fiscal year 1993, \$130,000,000, for fiscal year 1994, \$160,000,000, and for fiscal year 1995, \$180,000,000.

(2) Assurance of entitlement to service

A State which receives Federal medical assistance for expenditures for home and community care under this section must provide home and community care specified under the Individual Community Care Plan under subsection (d) of this section to individuals described in subsection (b) of this section for the duration of the election period, without regard to the amount of funds available to the State under paragraph (1). For purposes of this paragraph, an election period is the period of 4 or more calendar quarters elected by the State, and approved by the Secretary, for the provision of home and community care under this section.

(3) Limitation on eligibility

The State may limit eligibility for home and community care under this section during an election period under paragraph (2) to reasonable classifications (based on age, degree of functional disability, and need for services).

(4) Allocation of medical assistance

The Secretary shall establish a limitation on the amount of Federal medical assistance available to any State during the State's election period under paragraph (2). The limitation under this paragraph shall take into account the limitation under paragraph (1) and the number of elderly individuals age 65 or over residing in such State in relation to the number of such elderly individuals in the United States during 1990. For purposes of the previous sentence, elderly individuals shall, to the maximum extent practicable, be low-income elderly individuals.

(FOOTNOTE 1) So in original. The comma probably should precede "the term".

(c) Criteria for selection of participating States

The Secretary shall develop criteria to review the applications of States submitted under this section to provide community supported living arrangement services. The Secretary shall provide in such criteria that during the first 5 years of the provision of services under this section that no less than 2 and no more than 8 States shall be allowed to receive Federal financial participation for providing the services described in this section.

(d) Quality assurance

A State selected by the Secretary to provide services under this section shall in order to continue to receive Federal financial participation for providing services under this section be required to establish and maintain a quality assurance program, that provides that -

(1) the State will certify and survey providers of services under this section (such surveys to be unannounced and average at least 1 a year);

(2) the State will adopt standards for survey and certification that include -

(A) minimum qualifications and training requirements for provider staff;

The Secretary shall not approve a quality assurance plan under this subsection and allow a State to continue to receive Federal financial participation under this section unless the State provides for public hearings on the plan prior to adoption and implementation of its plan under this subsection.

(e) Maintenance of effort

States selected by the Secretary to receive Federal financial participation to provide services under this section shall maintain current levels of spending for such services in order to be eligible to continue to receive Federal financial participation for the provision of such services under this section.

(A) In general

The Secretary shall publish, by July 1, 1991, a regulation (that shall be effective on an interim basis pending the promulgation of final regulations), and by October 1, 1992, a final regulation, that sets forth interim and final requirements, respectively, consistent with subparagraph (B), to protect the health, safety, and welfare of individuals receiving community supported living arrangements services.

(B) Minimum protections

Interim and final requirements under subparagraph (A) shall assure, through methods other than reliance on State licensure processes or the State quality assurance programs under subsection (d) of this section, that -

(i) individuals receiving community supported living arrangements services are protected from neglect, physical and sexual abuse, and financial exploitation;

(ii) a provider of community supported living arrangements services may not use individuals who have been convicted of child or client abuse, neglect, or mistreatment or of a felony involving physical harm to an individual and shall take all reasonable steps to determine whether applicants for employment by the provider have histories indicating involvement in child or client abuse, neglect, or mistreatment or a criminal record involving physical harm to an individual;

(iii) individuals or entities delivering such services are not unjustly enriched as a result of abusive financial arrangements (such as owner lease-backs); and

(iv) individuals or entities delivering such services to clients, or relatives of such individuals, are prohibited from being named beneficiaries of life insurance policies purchased by (or on behalf of) such clients.

(2) Specified remedies

If the Secretary finds that a provider has not met an applicable requirement under subsection (h) of this section, the Secretary shall impose a civil money penalty in an amount not to exceed \$10,000 for each day of noncompliance. The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title.

Sec. 1396u-1. Assuring coverage for certain low-income families

-STATUTE-

(a) References to subchapter IV-A are references to pre-welfare-reform provisions

Subject to the succeeding provisions of this section, with respect to a State any reference in this subchapter (or any other provision of law in relation to the operation of this subchapter) to a provision of part A of subchapter IV of this chapter, or a State plan under such part (or a provision of such a plan), including income and resource standards and income and resource methodologies under such part or plan, shall be considered a reference to such a provision or plan as in effect as of July 16, 1996, with respect to the State.

(b) Application of pre-welfare-reform eligibility criteria

(1) In general

For purposes of this subchapter, subject to paragraphs (2) and (3), in determining eligibility for medical assistance -

(A) an individual shall be treated as receiving aid or assistance under a State plan approved under part A of subchapter IV of this chapter only if the individual meets -

(i) the income and resource standards for determining eligibility under such plan, and

(ii) the eligibility requirements of such plan under subsections (a) through (c) of section 606 of this title and section 607(a) of this title,

as in effect as of July 16, 1996; and

(B) the income and resource methodologies under such plan as of such date shall be used in the determination of whether any individual meets income and resource standards under such plan.

(2) State option

For purposes of applying this section, a State -

(A) may lower its income standards applicable with respect to part A of subchapter IV of this chapter, but not below the income standards applicable under its State plan under such part on May 1, 1988;

(B) may increase income or resource standards under the State plan referred to in paragraph (1) over a period (beginning after July 16, 1996) by a percentage that does not exceed the percentage increase in the Consumer Price Index for all urban consumers (all items; United States city average) over such period; and

(C) may use income and resource methodologies that are less restrictive than the methodologies used under the State plan under such part as of July 16, 1996.

(3) Option to terminate medical assistance for failure to meet work requirement

(A) Individuals receiving cash assistance under TANF

In the case of an individual who -

(i) is receiving cash assistance under a State program funded under part A of subchapter IV of this chapter,

(ii) is eligible for medical assistance under this subchapter on a basis not related to section 1396a(1) of this title, and

(iii) has the cash assistance under such program terminated pursuant to section 607(e)(1)(B) of this title (as in effect on or after the welfare reform effective date) because of refusing to work,

the State may terminate such individual's eligibility for medical assistance under this subchapter until such time as there no longer is a basis for the termination of such cash assistance because of such refusal.

(B) Exception for children

Subparagraph (A) shall not be construed as permitting a State to terminate medical assistance for a minor child who is not the head of a household receiving assistance under a State program funded under part A of subchapter IV of this chapter.

(c) Treatment for purposes of transitional coverage provisions

(1) Transition in the case of child support collections

The provisions of section 606(h) of this title (as in effect on July 16, 1996) shall apply, in relation to this subchapter, with

respect to individuals (and families composed of individuals) who are described in subsection (b) (1) (A) of this section, in the same manner as they applied before such date with respect to individuals who became ineligible for aid to families with dependent children as a result (wholly or partly) of the collection of child or spousal support under part D of subchapter IV of this chapter.

(2) Transition in the case of earnings from employment

For continued medical assistance in the case of individuals (and families composed of individuals) described in subsection (b) (1) (A) of this section who would otherwise become ineligible because of hours or income from employment, see sections 1396r-6 and 1396a(e) (1) of this title.

(d) Waivers

In the case of a waiver of a provision of part A of subchapter IV of this chapter in effect with respect to a State as of July 16, 1996, or which is submitted to the Secretary before August 22, 1996, and approved by the Secretary on or before July 1, 1997, if the waiver affects eligibility of individuals for medical assistance under this subchapter, such waiver may (but need not) continue to be applied, at the option of the State, in relation to this subchapter after the date the waiver would otherwise expire.

(e) State option to use 1 application form

Nothing in this section, or part A of subchapter IV of this chapter, shall be construed as preventing a State from providing for the same application form for assistance under a State program funded under part A of subchapter IV of this chapter (on or after the welfare reform effective date) and for medical assistance under this subchapter.

(f) Additional rules of construction

(1) With respect to the reference in section 1396a(a) (5) of this title to a State plan approved under part A of subchapter IV of this chapter, a State may treat such reference as a reference either to a State program funded under such part (as in effect on and after the welfare reform effective date) or to the State plan under this subchapter.

(2) Any reference in section 1396a(a) (55) of this title to a State plan approved under part A of subchapter IV of this chapter shall be deemed a reference to a State program funded under such part.

(3) In applying section 1396b(f) of this title, the applicable income limitation otherwise determined shall be subject to increase in the same manner as income or resource standards of a State may be increased under subsection (b) (2) (B) of this section.

(g) Relation to other provisions

The provisions of this section shall apply notwithstanding any other provision of this chapter.

(h) Transitional increased Federal matching rate for increased administrative costs

(1) In general

Subject to the succeeding provisions of this subsection, the Secretary shall provide that with respect to administrative expenditures described in paragraph (2) the per centum specified in section 1396b(a) (7) of this title shall be increased to such percentage as the Secretary specifies.

(2) Administrative expenditures described

The administrative expenditures described in this paragraph are

expenditures described in section 1396b(a)(7) of this title that a State demonstrates to the satisfaction of the Secretary are attributable to administrative costs of eligibility determinations that (but for the enactment of this section) would not be incurred.

(3) Limitation

The total amount of additional Federal funds that are expended as a result of the application of this subsection for the period beginning with fiscal year 1997 shall not exceed \$500,000,000. In applying this paragraph, the Secretary shall ensure the equitable distribution of additional funds among the States.

Subject to the succeeding provisions of this section, and notwithstanding paragraph (1), (10) (B), or (23) (A) of section 1396a(a) of this title, a State -

(i) may require an individual who is eligible for medical assistance under the State plan under this subchapter to enroll with a managed care entity as a condition of receiving such assistance (and, with respect to assistance furnished by or under arrangements with such entity, to receive such assistance through the entity), if -

(B) "'Managed care entity'" defined

In this section, the term "'managed care entity'" means -

(i) a medicaid managed care organization, as defined in section 1396b(m) (1) (A) of this title, that provides or arranges for services for enrollees under a contract pursuant to section 1396b(m) of this title; and

A State may not require under paragraph (1) the enrollment in a managed care entity of an individual who is an Indian (as defined in section 4(c) of the Indian Health Care Improvement Act of 1976 (25 U.S.C. 1603(c)) unless the entity is one of the following (and only if such entity is participating under the plan):

A State must permit an individual to choose a managed care entity from not less than two such entities that meet the applicable requirements of this section, and of section 1396b(m) of this title or section 1396d(t) of this title.

(B) State option

At the option of the State, a State shall be considered to meet the requirements of subparagraph (A) in the case of an individual residing in a rural area, if the State requires the individual to enroll with a managed care entity if such entity

-

- (i) permits the individual to receive such assistance through not less than two physicians or case managers (to the extent that at least two physicians or case managers are available to provide such assistance in the area), and
- (ii) permits the individual to obtain such assistance from any other provider in appropriate circumstances (as established by the State under regulations of the Secretary).

(C) Treatment of certain county-operated health insuring organizations

A State shall be considered to meet the requirement of

(C) Enrollment priorities

In carrying out paragraph (1) (A), the State shall establish a method for establishing enrollment priorities in the case of a managed care entity that does not have sufficient capacity to enroll all such individuals seeking enrollment under which individuals already enrolled with the entity are given priority in continuing enrollment with the entity.

(D) Default enrollment process

In carrying out paragraph (1) (A), the State shall establish a default enrollment process -

- (i) under which any such individual who does not enroll with a managed care entity during the enrollment period specified by the State shall be enrolled by the State with such an entity which has not been found to be out of substantial compliance with the applicable requirements of this section and of section 1396b(m) of this title or section 1396d(t) of this title; and
- (ii) that takes into consideration -
  - (I) maintaining existing provider-individual relationships or relationships with providers that have traditionally served beneficiaries under this subchapter; and
  - (II) if maintaining such provider relationships is not possible, the equitable distribution of such individuals among qualified managed care entities available to enroll such individuals, consistent with the enrollment capacities

of the entities.

(5) Provision of information

(A) Information in easily understood form

Each State, enrollment broker, or managed care entity shall provide all enrollment notices and informational and instructional materials relating to such an entity under this subchapter in a manner and form which may be easily understood by enrollees and potential enrollees of the entity who are eligible for medical assistance under the State plan under this subchapter.

Each managed care entity that is a primary care case manager shall, upon request, make available to enrollees and potential enrollees in the organization's service area the information described in clause (iii).

(C) Comparative information

A State that requires individuals to enroll with managed care entities under paragraph (1)(A) shall annually (and upon request) provide, directly or through the managed care entity, to such individuals a list identifying the managed care entities that are (or will be) available and information (presented in a comparative, chart-like form) relating to the following for each such entity offered:

enrollee through the entity. Such information shall include information on where and how such enrollees may access benefits not made available to the enrollee through the entity.

(b) Beneficiary protections

(1) Specification of benefits

Each contract with a managed care entity under section 1396b(m) of this title or under section 1396d(t)(3) of this title shall specify the benefits the provision (or arrangement) for which the entity is responsible.

(2) Assuring coverage to emergency services

(A) In general

Each contract with a medicaid managed care organization under section 1396b(m) of this title and each contract with a primary care case manager under section 1396d(t)(3) of this title shall require the organization or manager -

(ii) to comply with guidelines established under section 1395w-22(d)(2) of this title (respecting coordination of post-stabilization care) in the same manner as such guidelines apply to Medicare+Choice plans offered under part C of subchapter XVIII of this chapter.

The requirement under clause (ii) shall first apply 30 days after the date of promulgation of the guidelines referred to in such clause.

(B) "Emergency services" defined

In subparagraph (A)(i), the term "emergency services" means, with respect to an individual enrolled with an organization, covered inpatient and outpatient services that -

(i) are furnished by a provider that is qualified to furnish such services under this subchapter, and

(ii) are needed to evaluate or stabilize an emergency medical condition (as defined in subparagraph (C)).

(C) "Emergency medical condition" defined

In subparagraph (B)(ii), the term "emergency medical condition" means a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in -

(i) placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy,

(ii) serious impairment to bodily functions, or

(iii) serious dysfunction of any bodily organ or part.

(3) Protection of enrollee-provider communications

(A) In general

Subject to subparagraphs (B) and (C), under a contract under section 1396b(m) of this title a medicaid managed care organization (in relation to an individual enrolled under the contract) shall not prohibit or otherwise restrict a covered health care professional (as defined in subparagraph (D)) from advising such an individual who is a patient of the professional about the health status of the individual or medical care or treatment for the individual's condition or

disease, regardless of whether benefits for such care or treatment are provided under the contract, if the professional is acting within the lawful scope of practice.

(B) Construction

Subparagraph (A) shall not be construed as requiring a medicaid managed care organization to provide, reimburse for, or provide coverage of, a counseling or referral service if the organization -

(i) objects to the provision of such service on moral or religious grounds; and

(ii) in the manner and through the written instrumentalities such organization deems appropriate, makes available information on its policies regarding such service to prospective enrollees before or during enrollment and to enrollees within 90 days after the date that the organization adopts a change in policy regarding such a counseling or referral service.

Nothing in this subparagraph shall be construed to affect disclosure requirements under State law or under the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1001 et seq.).

(C) "'Health care professional'" defined

For purposes of this paragraph, the term "'health care professional'" means a physician (as defined in section 1395x(r) of this title) or other health care professional if coverage for the professional's services is provided under the contract referred to in subparagraph (A) for the services of the professional. Such term includes a podiatrist, optometrist, chiropractor, psychologist, dentist, physician assistant, physical or occupational therapist and therapy assistant, speech-language pathologist, audiologist, registered or licensed practical nurse (including nurse practitioner, clinical nurse specialist, certified registered nurse anesthetist, and certified nurse-midwife), licensed certified social worker, registered respiratory therapist, and certified respiratory therapy technician.

(4) Grievance procedures

Each medicaid managed care organization shall establish an internal grievance procedure under which an enrollee who is eligible for medical assistance under the State plan under this subchapter, or a provider on behalf of such an enrollee, may challenge the denial of coverage of or payment for such assistance.

(5) Demonstration of adequate capacity and services

Each medicaid managed care organization shall provide the State and the Secretary with adequate assurances (in a time and manner determined by the Secretary) that the organization, with respect to a service area, has the capacity to serve the expected enrollment in such service area, including assurances that the organization -

(A) offers an appropriate range of services and access to preventive and primary care services for the population expected to be enrolled in such service area, and

(B) maintains a sufficient number, mix, and geographic distribution of providers of services.

(6) Protecting enrollees against liability for payment

Each medicaid managed care organization shall provide that an

individual eligible for medical assistance under the State plan under this subchapter who is enrolled with the organization may not be held liable -

(A) for the debts of the organization, in the event of the organization's insolvency,

(B) for services provided to the individual -

(i) in the event of the organization failing to receive payment from the State for such services; or

(ii) in the event of a health care provider with a contractual, referral, or other arrangement with the organization failing to receive payment from the State or the organization for such services, or

(C) for payments to a provider that furnishes covered services under a contractual, referral, or other arrangement with the organization in excess of the amount that would be owed by the individual if the organization had directly provided the services.

(7) Antidiscrimination

A medicaid managed care organization shall not discriminate with respect to participation, reimbursement, or indemnification as to any provider who is acting within the scope of the provider's license or certification under applicable State law, solely on the basis of such license or certification. This paragraph shall not be construed to prohibit an organization from including providers only to the extent necessary to meet the needs of the organization's enrollees or from establishing any measure designed to maintain quality and control costs consistent with the responsibilities of the organization.

(8) Compliance with certain maternity and mental health requirements

Each medicaid managed care organization shall comply with the requirements of subpart 2 of part A of title XXVII of the Public Health Service Act (42 U.S.C. 300gg-4 et seq.) insofar as such requirements apply and are effective with respect to a health insurance issuer that offers group health insurance coverage.

(c) Quality assurance standards

(1) Quality assessment and improvement strategy

(A) In general

If a State provides for contracts with medicaid managed care organizations under section 1396b(m) of this title, the State shall develop and implement a quality assessment and improvement strategy consistent with this paragraph. Such strategy shall include the following:

(i) Access standards

Standards for access to care so that covered services are available within reasonable timeframes and in a manner that ensures continuity of care and adequate primary care and specialized services capacity.

(ii) Other measures

Examination of other aspects of care and service directly related to the improvement of quality of care (including grievance procedures and marketing and information standards).

(iii) Monitoring procedures

Procedures for monitoring and evaluating the quality and appropriateness of care and services to enrollees that reflect the full spectrum of populations enrolled under the

contract and that includes requirements for provision of quality assurance data to the State using the data and information set that the Secretary has specified for use under part C of subchapter XVIII of this chapter or such alternative data as the Secretary approves, in consultation with the State.

(iv) Periodic review

Regular, periodic examinations of the scope and content of the strategy.

(B) Standards

The strategy developed under subparagraph (A) shall be consistent with standards that the Secretary first establishes within 1 year after August 5, 1997. Such standards shall not preempt any State standards that are more stringent than such standards. Guidelines relating to quality assurance that are applied under section 1396n(b)(1) of this title shall apply under this subsection until the effective date of standards for quality assurance established under this subparagraph.

(C) Monitoring

The Secretary shall monitor the development and implementation of strategies under subparagraph (A).

(D) Consultation

The Secretary shall conduct activities under subparagraphs

(B) and (C) in consultation with the States.

(2) External independent review of managed care activities

(A) Review of contracts

(i) In general

Each contract under section 1396b(m) of this title with a medicaid managed care organization shall provide for an annual (as appropriate) external independent review conducted by a qualified independent entity of the quality outcomes and timeliness of, and access to, the items and services for which the organization is responsible under the contract. The requirement for such a review shall not apply until after the date that the Secretary establishes the identification method described in clause (ii).

(ii) Qualifications of reviewer

The Secretary, in consultation with the States, shall establish a method for the identification of entities that are qualified to conduct reviews under clause (i).

(iii) Use of protocols

The Secretary, in coordination with the National Governors' Association, shall contract with an independent quality review organization (such as the National Committee for Quality Assurance) to develop the protocols to be used in external independent reviews conducted under this paragraph on and after January 1, 1999.

(iv) Availability of results

The results of each external independent review conducted under this subparagraph shall be available to participating health care providers, enrollees, and potential enrollees of the organization, except that the results may not be made available in a manner that discloses the identity of any individual patient.

(B) Nonduplication of accreditation

A State may provide that, in the case of a medicaid managed care organization that is accredited by a private independent

entity (such as those described in section 1395w-22(e) (4) of this title) or that has an external review conducted under section 1395w-22(e) (3) of this title, the external review activities conducted under subparagraph (A) with respect to the organization shall not be duplicative of review activities conducted as part of the accreditation process or the external review conducted under such section.

(C) Deemed compliance for medicare managed care organizations

At the option of a State, the requirements of subparagraph (A) shall not apply with respect to a medicaid managed care organization if the organization is an eligible organization with a contract in effect under section 1395mm of this title or a Medicare+Choice organization with a contract in effect under part C of subchapter XVIII of this chapter and the organization has had a contract in effect under section 1396b(m) of this title at least during the previous 2-year period.

(d) Protections against fraud and abuse

(1) Prohibiting affiliations with individuals debarred by Federal agencies

(A) In general

A managed care entity may not knowingly -

(i) have a person described in subparagraph (C) as a director, officer, partner, or person with beneficial ownership of more than 5 percent of the entity's equity, or

(ii) have an employment, consulting, or other agreement with a person described in such subparagraph for the provision of items and services that are significant and material to the entity's obligations under its contract with the State.

(B) Effect of noncompliance

If a State finds that a managed care entity is not in compliance with clause (i) or (ii) of subparagraph (A), the State -

(i) shall notify the Secretary of such noncompliance;

(ii) may continue an existing agreement with the entity unless the Secretary (in consultation with the Inspector General of the Department of Health and Human Services) directs otherwise; and

(iii) may not renew or otherwise extend the duration of an existing agreement with the entity unless the Secretary (in consultation with the Inspector General of the Department of Health and Human Services) provides to the State and to Congress a written statement describing compelling reasons that exist for renewing or extending the agreement.

(C) Persons described

A person is described in this subparagraph if such person -

(i) is debarred, suspended, or otherwise excluded from participating in procurement activities under the Federal Acquisition Regulation or from participating in nonprocurement activities under regulations issued pursuant to Executive Order No. 12549 or under guidelines implementing such order; or

(ii) is an affiliate (as defined in such Regulation) of a person described in clause (i).

(2) Restrictions on marketing

(A) Distribution of materials

(i) In general

A managed care entity, with respect to activities under this subchapter, may not distribute directly or through any agent or independent contractor marketing materials within any State -

(I) without the prior approval of the State, and

(II) that contain false or materially misleading information.

The requirement of subclause (I) shall not apply with respect to a State until such date as the Secretary specifies in consultation with such State.

(ii) Consultation in review of market materials

In the process of reviewing and approving such materials, the State shall provide for consultation with a medical care advisory committee.

(B) Service market

A managed care entity shall distribute marketing materials to the entire service area of such entity covered under the contract under section 1396b(m) of this title or section 1396d(t)(3) of this title.

(C) Prohibition of tie-ins

A managed care entity, or any agency of such entity, may not seek to influence an individual's enrollment with the entity in conjunction with the sale of any other insurance.

(D) Prohibiting marketing fraud

Each managed care entity shall comply with such procedures and conditions as the Secretary prescribes in order to ensure that, before an individual is enrolled with the entity, the individual is provided accurate oral and written information sufficient to make an informed decision whether or not to enroll.

(E) Prohibition of "'cold-call'" marketing

Each managed care entity shall not, directly or indirectly, conduct door-to-door, telephonic, or other "'cold-call'" marketing of enrollment under this subchapter.

(3) State conflict-of-interest safeguards in medicaid risk contracting

A medicaid managed care organization may not enter into a contract with any State under section 1396b(m) of this title unless the State has in effect conflict-of-interest safeguards with respect to officers and employees of the State with responsibilities relating to contracts with such organizations or to the default enrollment process described in subsection (a)(4)(C)(ii) of this section that are at least as effective as the Federal safeguards provided under section 423 of title 41, against conflicts of interest that apply with respect to Federal procurement officials with comparable responsibilities with respect to such contracts.

(4) Use of unique physician identifier for participating physicians

Each medicaid managed care organization shall require each physician providing services to enrollees eligible for medical assistance under the State plan under this subchapter to have a unique identifier in accordance with the system established under section 1320d-2(b) of this title.

(e) Sanctions for noncompliance

(1) Use of intermediate sanctions by the State to enforce requirements

(A) In general

A State may not enter into or renew a contract under section 1396b(m) of this title unless the State has established intermediate sanctions, which may include any of the types described in paragraph (2), other than the termination of a contract with a medicaid managed care organization, which the State may impose against a medicaid managed care organization with such a contract, if the organization -

(i) fails substantially to provide medically necessary items and services that are required (under law or under such organization's contract with the State) to be provided to an enrollee covered under the contract;

(ii) imposes premiums or charges on enrollees in excess of the premiums or charges permitted under this subchapter;

(iii) acts to discriminate among enrollees on the basis of their health status or requirements for health care services, including expulsion or refusal to reenroll an individual, except as permitted by this subchapter, or engaging in any practice that would reasonably be expected to have the effect of denying or discouraging enrollment with the organization by eligible individuals whose medical condition or history indicates a need for substantial future medical services;

(iv) misrepresents or falsifies information that is furnished -

(I) to the Secretary or the State under this subchapter;

or

(II) to an enrollee, potential enrollee, or a health care provider under such subchapter; or

(v) fails to comply with the applicable requirements of section 1396b(m) (2) (A) (x) of this title.

The State may also impose such intermediate sanction against a managed care entity if the State determines that the entity distributed directly or through any agent or independent contractor marketing materials in violation of subsection (d) (2) (A) (i) (II) of this section.

(B) Rule of construction

Clause (i) of subparagraph (A) shall not apply to the provision of abortion services, except that a State may impose a sanction on any medicaid managed care organization that has a contract to provide abortion services if the organization does not provide such services as provided for under the contract.

(2) Intermediate sanctions

The sanctions described in this paragraph are as follows:

(A) Civil money penalties as follows:

(i) Except as provided in clause (ii), (iii), or (iv), not more than \$25,000 for each determination under paragraph (1) (A).

(ii) With respect to a determination under clause (iii) or (iv) (I) of paragraph (1) (A), not more than \$100,000 for each such determination.

(iii) With respect to a determination under paragraph (1) (A) (ii), double the excess amount charged in violation of such subsection (and the excess amount charged shall be deducted from the penalty and returned to the individual concerned).

(iv) Subject to clause (ii), with respect to a determination under paragraph (1) (A) (iii), \$15,000 for each

individual not enrolled as a result of a practice described in such subsection.

(B) The appointment of temporary management -

(i) to oversee the operation of the medicaid managed care organization upon a finding by the State that there is continued egregious behavior by the organization or there is a substantial risk to the health of enrollees; or

(ii) to assure the health of the organization's enrollees, if there is a need for temporary management while -

(I) there is an orderly termination or reorganization of the organization; or

(II) improvements are made to remedy the violations found under paragraph (1),

except that temporary management under this subparagraph may not be terminated until the State has determined that the medicaid managed care organization has the capability to ensure that the violations shall not recur.

(C) Permitting individuals enrolled with the managed care entity to terminate enrollment without cause, and notifying such individuals of such right to terminate enrollment.

(D) Suspension or default of all enrollment of individuals under this subchapter after the date the Secretary or the State notifies the entity of a determination of a violation of any requirement of section 1396b(m) of this title or this section.

(E) Suspension of payment to the entity under this subchapter for individuals enrolled after the date the Secretary or State notifies the entity of such a determination and until the Secretary or State is satisfied that the basis for such determination has been corrected and is not likely to recur.

(3) Treatment of chronic substandard entities

In the case of a medicaid managed care organization which has repeatedly failed to meet the requirements of section 1396b(m) of this title and this section, the State shall (regardless of what other sanctions are provided) impose the sanctions described in subparagraphs (B) and (C) of paragraph (2).

(4) Authority to terminate contract

(A) In general

In the case of a managed care entity which has failed to meet the requirements of this part or a contract under section 1396b(m) or 1396d(t)(3) of this title, the State shall have the authority to terminate such contract with the entity and to enroll such entity's enrollees with other managed care entities (or to permit such enrollees to receive medical assistance under the State plan under this subchapter other than through a managed care entity).

(B) Availability of hearing prior to termination of contract

A State may not terminate a contract with a managed care entity under subparagraph (A) unless the entity is provided with a hearing prior to the termination.

(C) Notice and right to disenroll in cases of termination hearing

A State may -

(i) notify individuals enrolled with a managed care entity which is the subject of a hearing to terminate the entity's contract with the State of the hearing, and

(ii) in the case of such an entity, permit such enrollees to disenroll immediately with the entity without cause.

(5) Other protections for managed care entities against sanctions imposed by State

Before imposing any sanction against a managed care entity other than termination of the entity's contract, the State shall provide the entity with notice and such other due process protections as the State may provide, except that a State may not provide a managed care entity with a pre-termination hearing before imposing the sanction described in paragraph (2) (B).

(f) Timeliness of payment

A contract under section 1396b(m) of this title with a medicaid managed care organization shall provide that the organization shall make payment to health care providers for items and services which are subject to the contract and that are furnished to individuals eligible for medical assistance under the State plan under this subchapter who are enrolled with the organization on a timely basis consistent with the claims payment procedures described in section 1396a(a) (37) (A) of this title, unless the health care provider and the organization agree to an alternate payment schedule.

(g) Identification of patients for purposes of making DSH payments

Each contract with a managed care entity under section 1396b(m) of this title or under section 1396d(t) (3) of this title shall require the entity either -

(1) to report to the State information necessary to determine the hospital services provided under the contract (and the identity of hospitals providing such services) for purposes of applying sections 1395ww(d) (5) (F) and 1396r-4 of this title; or

(2) to include a sponsorship code in the identification card issued to individuals covered under this subchapter in order that a hospital may identify a patient as being entitled to benefits under this subchapter.

A State plan under this subchapter shall provide, under section 1396a(a)(10)(E)(iv) of this title and subject to the succeeding provisions of this section and through a plan amendment, for medical assistance for payment of the cost of medicare cost-sharing described in such section on behalf of all individuals described in such section (in this section referred to as ''qualifying individuals'') who are selected to receive such assistance under subsection (b) of this section.

(b) Selection of qualifying individuals

A State shall select qualifying individuals, and provide such individuals with assistance, under this section consistent with the following:

(1) All qualifying individuals may apply

The State shall permit all qualifying individuals to apply for assistance during a calendar year.

(2) Selection on first-come, first-served basis

(A) In general

Such individuals need not be eligible for benefits under part A, or enrolled under part B, of subchapter XVIII of this chapter to be eligible to enroll under this section. In the case of an individual enrolled with a PACE program pursuant to such an election -

(A) the individual shall receive benefits under the plan solely through such program, and

In the case of an individual who is enrolled under the program under this section and whose enrollment ceases for any reason (including that the individual no longer qualifies as a PACE program eligible individual, the termination of a PACE program agreement, or otherwise), the program provides assistance to the individual in obtaining necessary transitional care through appropriate referrals and making the individual's medical records available to new providers.

(3) "'PACE provider'" defined

(A) In general

For purposes of this section, the term "'PACE provider'" means an entity that -

Internal Revenue Code of 1986, and

(4) "PACE program agreement" defined

For purposes of this section, the term "PACE program agreement" means, with respect to a PACE provider, an agreement, consistent with this section, section 1395eee of this title (if applicable), and regulations promulgated to carry out such sections, among the PACE provider, the Secretary, and a State administering agency for the operation of a PACE program by the provider under such sections.

title in the State.

(9) "Trial period" defined

(A) In general

(B) Treatment of entities previously operating PACE demonstration waiver programs

Each contract year (including a year occurring before the effective date of this section) during which an entity has operated a PACE demonstration waiver program shall be counted under subparagraph (A) as a contract year during which the entity operated a PACE program as a PACE provider under a PACE program agreement.

(10) "Regulations" defined

For purposes of this section, the term "regulations" refers to interim final or final regulations promulgated under subsection (f) of this section to carry out this section and section 1395eee of this title.

(ii) all additional items and services specified in regulations, based upon those required under the PACE protocol;

(B) provide such enrollees access to necessary covered items and services 24 hours per day, every day of the year;

(C) provide services to such enrollees through a comprehensive, multidisciplinary health and social services delivery system which integrates acute and long-term care services pursuant to regulations; and

(D) specify the covered items and services that will not be provided directly by the entity, and to arrange for delivery of those items and services through contracts meeting the requirements of regulations.

(2) Quality assurance; patient safeguards

The PACE program agreement shall require the PACE provider to have in effect at a minimum -

(A) a written plan of quality assurance and improvement, and procedures implementing such plan, in accordance with regulations, and

(B) written safeguards of the rights of enrolled participants (including a patient bill of rights and procedures for grievances and appeals) in accordance with regulations and with other requirements of this subchapter and Federal and State law

designed for the protection of patients.

(c) Eligibility determinations

(1) In general

The determination of -

(A) whether an individual is a PACE program eligible individual shall be made under and in accordance with the PACE program agreement, and

(B) who is entitled to medical assistance under this subchapter shall be made (or who is not so entitled, may be made) by the State administering agency.

(2) Condition

An individual is not a PACE program eligible individual (with respect to payment under this section) unless the individual's health status has been determined by the Secretary or the State administering agency, in accordance with regulations, to be comparable to the health status of individuals who have participated in the PACE demonstration waiver programs. Such determination shall be based upon information on health status and related indicators (such as medical diagnoses and measures of activities of daily living, instrumental activities of daily living, and cognitive impairment) that are part of a uniform minimum data set collected by PACE providers on potential eligible individuals.

(3) Annual eligibility recertifications

(A) In general

Subject to subparagraph (B), the determination described in subsection (a) (5) (B) of this section for an individual shall be reevaluated at least annually.

(B) Exception

The requirement of annual reevaluation under subparagraph (A) may be waived during a period in accordance with regulations in those cases in which the State administering agency determines that there is no reasonable expectation of improvement or significant change in an individual's condition during the period because of the severity of chronic condition, or degree of impairment of functional capacity of the individual involved.

(4) Continuation of eligibility

An individual who is a PACE program eligible individual may be deemed to continue to be such an individual notwithstanding a determination that the individual no longer meets the requirement of subsection (a) (5) (B) of this section if, in accordance with regulations, in the absence of continued coverage under a PACE program the individual reasonably would be expected to meet such requirement within the succeeding 6-month period.

(5) Enrollment; disenrollment

(A) Voluntary disenrollment at any time

The enrollment and disenrollment of PACE program eligible individuals in a PACE program shall be pursuant to regulations and the PACE program agreement and shall permit enrollees to voluntarily disenroll without cause at any time.

(B) Limitations on disenrollment

(i) In general

Regulations promulgated by the Secretary under this section and section 1395eee of this title, and the PACE program agreement, shall provide that the PACE program may not disenroll a PACE program eligible individual except -

(I) for nonpayment of premiums (if applicable) on a timely basis; or

(II) for engaging in disruptive or threatening behavior, as defined in such regulations (developed in close consultation with State administering agencies).

(ii) No disenrollment for noncompliant behavior

Except as allowed under regulations promulgated to carry out clause (i)(II), a PACE program may not disenroll a PACE program eligible individual on the ground that the individual has engaged in noncompliant behavior if such behavior is related to a mental or physical condition of the individual. For purposes of the preceding sentence, the term "noncompliant behavior" includes repeated noncompliance with medical advice and repeated failure to appear for appointments.

(iii) Timely review of proposed nonvoluntary disenrollment

A proposed disenrollment, other than a voluntary disenrollment, shall be subject to timely review and final determination by the Secretary or by the State administering agency (as applicable), prior to the proposed disenrollment becoming effective.

(d) Payments to PACE providers on a capitated basis

(1) In general

In the case of a PACE provider with a PACE program agreement under this section, except as provided in this subsection or by regulations, the State shall make prospective monthly payments of a capitation amount for each PACE program eligible individual enrolled under the agreement under this section.

(2) Capitation amount

The capitation amount to be applied under this subsection for a provider for a contract year shall be an amount specified in the PACE program agreement for the year. Such amount shall be an amount, specified under the PACE agreement, which is less than the amount that would otherwise have been made under the State plan if the individuals were not so enrolled and shall be adjusted to take into account the comparative frailty of PACE enrollees and such other factors as the Secretary determines to be appropriate. The payment under this section shall be in addition to any payment made under section 1395eee of this title for individuals who are enrolled in a PACE program under such section.

(e) PACE program agreement

(1) Requirement

(A) In general

The Secretary, in close cooperation with the State administering agency, shall establish procedures for entering into, extending, and terminating PACE program agreements for the operation of PACE programs by entities that meet the requirements for a PACE provider under this section, section 1395eee of this title, and regulations.

(B) Numerical limitation

(i) In general

The Secretary shall not permit the number of PACE providers with which agreements are in effect under this section or under section 9412(b) of the Omnibus Budget Reconciliation Act of 1986 to exceed -

(I) 40 as of August 5, 1997, or

(II) as of each succeeding anniversary of August 5, 1997, the numerical limitation under this subparagraph for the preceding year plus 20.

Subclause (II) shall apply without regard to the actual number of agreements in effect as of a previous anniversary date.

(ii) Treatment of certain private, for-profit providers

The numerical limitation in clause (i) shall not apply to a PACE provider that -

(I) is operating under a demonstration project waiver under subsection (h) of this section, or

(II) was operating under such a waiver and subsequently qualifies for PACE provider status pursuant to subsection

(a) (3) (B) (ii) of this section.

(2) Service area and eligibility

(A) In general

A PACE program agreement for a PACE program -

(i) shall designate the service area of the program;

(ii) may provide additional requirements for individuals to qualify as PACE program eligible individuals with respect to the program;

(iii) shall be effective for a contract year, but may be extended for additional contract years in the absence of a notice by a party to terminate, and is subject to termination by the Secretary and the State administering agency at any time for cause (as provided under the agreement);

(iv) shall require a PACE provider to meet all applicable State and local laws and requirements; and

(v) shall contain such additional terms and conditions as the parties may agree to, so long as such terms and conditions are consistent with this section and regulations.

(B) Service area overlap

In designating a service area under a PACE program agreement under subparagraph (A) (i), the Secretary (in consultation with the State administering agency) may exclude from designation an area that is already covered under another PACE program agreement, in order to avoid unnecessary duplication of services and avoid impairing the financial and service viability of an existing program.

(3) Data collection; development of outcome measures

(A) Data collection

(i) In general

Under a PACE program agreement, the PACE provider shall -

(I) collect data;

(II) maintain, and afford the Secretary and the State administering agency access to, the records relating to the program, including pertinent financial, medical, and personnel records; and

(III) submit to the Secretary and the State administering agency such reports as the Secretary finds (in consultation with State administering agencies) necessary to monitor the operation, cost, and effectiveness of the PACE program.

(ii) Requirements during trial period

During the first 3 years of operation of a PACE program (either under this section or under a PACE demonstration waiver program), the PACE provider shall provide such additional data as the Secretary specifies in regulations in order to perform the oversight required under paragraph

(4) (A) .

(B) Development of outcome measures

Under a PACE program agreement, the PACE provider, the Secretary, and the State administering agency shall jointly cooperate in the development and implementation of health status and quality of life outcome measures with respect to PACE program eligible individuals.

(4) Oversight

(A) Annual, close oversight during trial period

During the trial period (as defined in subsection (a) (9) of this section) with respect to a PACE program operated by a PACE provider, the Secretary (in cooperation with the State administering agency) shall conduct a comprehensive annual review of the operation of the PACE program by the provider in order to assure compliance with the requirements of this section and regulations. Such a review shall include -

(i) an onsite visit to the program site;

(ii) comprehensive assessment of a provider's fiscal soundness;

(iii) comprehensive assessment of the provider's capacity to provide all PACE services to all enrolled participants;

(iv) detailed analysis of the entity's substantial compliance with all significant requirements of this section and regulations; and

(v) any other elements the Secretary or the State administering agency considers necessary or appropriate.

(B) Continuing oversight

After the trial period, the Secretary (in cooperation with the State administering agency) shall continue to conduct such review of the operation of PACE providers and PACE programs as may be appropriate, taking into account the performance level of a provider and compliance of a provider with all significant requirements of this section and regulations.

(C) Disclosure

The results of reviews under this paragraph shall be reported promptly to the PACE provider, along with any recommendations for changes to the provider's program, and shall be made available to the public upon request.

(5) Termination of PACE provider agreements

(A) In general

Under regulations -

(i) the Secretary or a State administering agency may terminate a PACE program agreement for cause, and

(ii) a PACE provider may terminate such an agreement after appropriate notice to the Secretary, the State administering agency, and enrollees.

(B) Causes for termination

In accordance with regulations establishing procedures for termination of PACE program agreements, the Secretary or a State administering agency may terminate a PACE program agreement with a PACE provider for, among other reasons, the fact that -

(i) the Secretary or State administering agency determines that -

(I) there are significant deficiencies in the quality of care provided to enrolled participants; or

(II) the provider has failed to comply substantially with

conditions for a program or provider under this section or section 1395eee of this title; and

(ii) the entity has failed to develop and successfully initiate, within 30 days of the date of the receipt of written notice of such a determination, a plan to correct the deficiencies, or has failed to continue implementation of such a plan.

(C) Termination and transition procedures

An entity whose PACE provider agreement is terminated under this paragraph shall implement the transition procedures required under subsection (a) (2) (C) of this section.

(6) Secretary's oversight; enforcement authority

(A) In general

Under regulations, if the Secretary determines (after consultation with the State administering agency) that a PACE provider is failing substantially to comply with the requirements of this section and regulations, the Secretary (and the State administering agency) may take any or all of the following actions:

(i) Condition the continuation of the PACE program agreement upon timely execution of a corrective action plan.

(ii) Withhold some or all further payments under the PACE program agreement under this section or section 1395eee of this title with respect to PACE program services furnished by such provider until the deficiencies have been corrected.

(iii) Terminate such agreement.

(B) Application of intermediate sanctions

Under regulations, the Secretary may provide for the application against a PACE provider of remedies described in section 1395w-27(g) (2) (or, for periods before January 1, 1999, section 1395mm(i) (6) (B) of this title) or 1396b(m) (5) (B) of this title in the case of violations by the provider of the type described in section 1395w-27(g) (1) (or 1395mm(i) (6) (A) of this title for such periods) or 1396b(m) (5) (A) of this title, respectively (in relation to agreements, enrollees, and requirements under section 1395eee of this title or this section, respectively).

(7) Procedures for termination or imposition of sanctions

Under regulations, the provisions of section 1395w-27(h) of this title (or for periods before January 1, 1999, section 1395mm(i) (9) of this title) shall apply to termination and sanctions respecting a PACE program agreement and PACE provider under this subsection in the same manner as they apply to a termination and sanctions with respect to a contract and a Medicare+Choice organization under part C of subchapter XVIII of this chapter (or for such periods an eligible organization under section 1395mm of this title).

(8) Timely consideration of applications for PACE program provider status

In considering an application for PACE provider program status, the application shall be deemed approved unless the Secretary, within 90 days after the date of the submission of the application to the Secretary, either denies such request in writing or informs the applicant in writing with respect to any additional information that is needed in order to make a final determination with respect to the application. After the date the Secretary receives such additional information, the

application shall be deemed approved unless the Secretary, within 90 days of such date, denies such request.

(f) Regulations

(1) In general

The Secretary shall issue interim final or final regulations to carry out this section and section 1395eee of this title.

(2) Use of PACE protocol

(A) In general

In issuing such regulations, the Secretary shall, to the extent consistent with the provisions of this section, incorporate the requirements applied to PACE demonstration waiver programs under the PACE protocol.

(B) Flexibility

In order to provide for reasonable flexibility in adapting the PACE service delivery model to the needs of particular organizations (such as those in rural areas or those that may determine it appropriate to use nonstaff physicians according to State licensing law requirements) under this section and section 1395eee of this title, the Secretary (in close consultation with State administering agencies) may modify or waive provisions of the PACE protocol so long as any such modification or waiver is not inconsistent with and would not impair the essential elements, objectives, and requirements of this section, but may not modify or waive any of the following provisions:

(i) The focus on frail elderly qualifying individuals who require the level of care provided in a nursing facility.

(ii) The delivery of comprehensive, integrated acute and long-term care services.

(iii) The interdisciplinary team approach to care management and service delivery.

(iv) Capitated, integrated financing that allows the provider to pool payments received from public and private programs and individuals.

(v) The assumption by the provider of full financial risk.

(C) Continuation of modifications or waivers of operational requirements under demonstration status

If a PACE program operating under demonstration authority has contractual or other operating arrangements which are not otherwise recognized in regulation and which were in effect on July 1 (FOOTNOTE 1) 2000, the Secretary (in close consultation with, and with the concurrence of, the State administering agency) shall permit any such program to continue such arrangements so long as such arrangements are found by the Secretary and the State to be reasonably consistent with the objectives of the PACE program.

(FOOTNOTE 1) So in original. Probably should be followed by a comma.

(3) Application of certain additional beneficiary and program protections

(A) In general

In issuing such regulations and subject to subparagraph (B), the Secretary may apply with respect to PACE programs, providers, and agreements such requirements of part C of subchapter XVIII of this chapter (or, for periods before January 1, 1999, section 1395mm of this title) and sections 1396b(m) and 1396u-2 of this title relating to protection of

beneficiaries and program integrity as would apply to Medicare+Choice organizations under such part C (or for such periods eligible organizations under risk-sharing contracts under section 1395mm of this title) and to medicaid managed care organizations under prepaid capitation agreements under section 1396b(m) of this title.

(B) Considerations

In issuing such regulations, the Secretary shall -

(i) take into account the differences between populations served and benefits provided under this section and under part C of subchapter XVIII of this chapter (or, for periods before January 1, 1999, section 1395mm of this title) and section 1396b(m) of this title;

(ii) not include any requirement that conflicts with carrying out PACE programs under this section; and

(iii) not include any requirement restricting the proportion of enrollees who are eligible for benefits under this subchapter or subchapter XVIII of this chapter.

(4) Construction

Nothing in this subsection shall be construed as preventing the Secretary from including in regulations provisions to ensure the health and safety of individuals enrolled in a PACE program under this section that are in addition to those otherwise provided under paragraphs (2) and (3).

(g) Waivers of requirements

With respect to carrying out a PACE program under this section, the following requirements of this subchapter (and regulations relating to such requirements) shall not apply:

(1) Section 1396a(a)(1) of this title, relating to any requirement that PACE programs or PACE program services be provided in all areas of a State.

(2) Section 1396a(a)(10) of this title, insofar as such section relates to comparability of services among different population groups.

(3) Sections 1396a(a)(23) and 1396n(b)(4) of this title, relating to freedom of choice of providers under a PACE program.

(4) Section 1396b(m)(2)(A) of this title, insofar as it restricts a PACE provider from receiving prepaid capitation payments.

(5) Such other provisions of this subchapter that, as added or amended by the Balanced Budget Act of 1997, the Secretary determines are inapplicable to carrying out a PACE program under this section.

(h) Demonstration project for for-profit entities

(1) In general

In order to demonstrate the operation of a PACE program by a private, for-profit entity, the Secretary (in close consultation with State administering agencies) shall grant waivers from the requirement under subsection (a)(3) of this section that a PACE provider may not be a for-profit, private entity.

(2) Similar terms and conditions

(A) In general

Except as provided under subparagraph (B), and paragraph (1), the terms and conditions for operation of a PACE program by a provider under this subsection shall be the same as those for PACE providers that are nonprofit, private organizations.

(B) Numerical limitation

The number of programs for which waivers are granted under this subsection shall not exceed 10. Programs with waivers granted under this subsection shall not be counted against the numerical limitation specified in subsection (e) (1) (B) of this section.

(i) Post-eligibility treatment of income

A State may provide for post-eligibility treatment of income for individuals enrolled in PACE programs under this section in the same manner as a State treats post-eligibility income for individuals receiving services under a waiver under section 1396n(c) of this title.

(j) Miscellaneous provisions

Nothing in this section or section 1395eee of this title shall be construed as preventing a PACE provider from entering into contracts with other governmental or nongovernmental payers for the care of PACE program eligible individuals who are not eligible for benefits under part A, or enrolled under part B, of subchapter XVIII of this chapter or eligible for medical assistance under this subchapter.

Sec. 1397bb. General contents of State child health plan;  
eligibility; outreach

-STATUTE-

(a) General background and description

A State child health plan shall include a description, consistent  
with the requirements of this subchapter, of -

(1) the extent to which, and manner in which, children in the  
State, including targeted low-income children and other classes  
of children classified by income and other relevant factors,  
currently have creditable health coverage (as defined in section  
1397jj(c)(2) of this title);

(2) current State efforts to provide or obtain creditable

health coverage for uncovered children, including the steps the State is taking to identify and enroll all uncovered children who are eligible to participate in public health insurance programs and health insurance programs that involve public-private partnerships;

(3) how the plan is designed to be coordinated with such efforts to increase coverage of children under creditable health coverage;

(4) the child health assistance provided under the plan for targeted low-income children, including the proposed methods of delivery, and utilization control systems;

(5) eligibility standards consistent with subsection (b) of this section;

(6) outreach activities consistent with subsection (c) of this section; and

(7) methods (including monitoring) used -

(A) to assure the quality and appropriateness of care, particularly with respect to well-baby care, well-child care, and immunizations provided under the plan, and

(B) to assure access to covered services, including emergency services.

(b) General description of eligibility standards and methodology

(1) Eligibility standards

(A) In general

The plan shall include a description of the standards used to determine the eligibility of targeted low-income children for child health assistance under the plan. Such standards may include (to the extent consistent with this subchapter) those relating to the geographic areas to be served by the plan, age, income and resources (including any standards relating to spenddowns and disposition of resources), residency, disability status (so long as any standard relating to such status does not restrict eligibility), access to or coverage under other health coverage, and duration of eligibility. Such standards may not discriminate on the basis of diagnosis.

(B) Limitations on eligibility standards

Such eligibility standards -

(i) shall, within any defined group of covered targeted low-income children, not cover such children with higher family income without covering children with a lower family income, and

(ii) may not deny eligibility based on a child having a preexisting medical condition.

(2) Methodology

The plan shall include a description of methods of establishing and continuing eligibility and enrollment.

(3) Eligibility screening; coordination with other health coverage programs

The plan shall include a description of procedures to be used to ensure -

(A) through both intake and followup screening, that only targeted low-income children are furnished child health assistance under the State child health plan;

(B) that children found through the screening to be eligible for medical assistance under the State medicaid plan under subchapter XIX of this chapter are enrolled for such assistance under such plan;

(C) that the insurance provided under the State child health plan does not substitute for coverage under group health plans;

(D) the provision of child health assistance to targeted low-income children in the State who are Indians (as defined in section 1603(c) of title 25); and

(E) coordination with other public and private programs providing creditable coverage for low-income children.

(4) Nonentitlement

Nothing in this subchapter shall be construed as providing an individual with an entitlement to child health assistance under a State child health plan.

(c) Outreach and coordination

A State child health plan shall include a description of the procedures to be used by the State to accomplish the following:

(1) Outreach

Outreach to families of children likely to be eligible for child health assistance under the plan or under other public or private health coverage programs to inform these families of the availability of, and to assist them in enrolling their children in, such a program.

(2) Coordination with other health insurance programs

Coordination of the administration of the State program under this subchapter with other public and private health insurance programs.

CHAPTER 7 - SOCIAL SECURITY

SUBCHAPTER XXI - STATE CHILDREN'S HEALTH INSURANCE PROGRAM

-HEAD-

Sec. 1397cc. Coverage requirements for children's health insurance

-STATUTE-

(a) Required scope of health insurance coverage

The child health assistance provided to a targeted low-income child under the plan in the form described in paragraph (1) of section 1397aa(a) of this title shall consist, consistent with subsection (c)(5) of this section, of any of the following:

(1) Benchmark coverage

Health benefits coverage that is equivalent to the benefits coverage in a benchmark benefit package described in subsection (b) of this section.

(2) Benchmark-equivalent coverage

Health benefits coverage that meets the following requirements:

(A) Inclusion of basic services

The coverage includes benefits for items and services within each of the categories of basic services described in subsection (c) (1) of this section.

(B) Aggregate actuarial value equivalent to benchmark package

The coverage has an aggregate actuarial value that is at least actuarially equivalent to one of the benchmark benefit packages.

(C) Substantial actuarial value for additional services included in benchmark package

With respect to each of the categories of additional services described in subsection (c) (2) of this section for which coverage is provided under the benchmark benefit package used under subparagraph (B), the coverage has an actuarial value that is equal to at least 75 percent of the actuarial value of the coverage of that category of services in such package.

(3) Existing comprehensive State-based coverage

Health benefits coverage under an existing comprehensive State-based program, described in subsection (d) (1) of this section.

(4) Secretary-approved coverage

Any other health benefits coverage that the Secretary determines, upon application by a State, provides appropriate coverage for the population of targeted low-income children proposed to be provided such coverage.

(b) Benchmark benefit packages

The benchmark benefit packages are as follows:

(1) FEHBP-equivalent children's health insurance coverage

The standard Blue Cross/Blue Shield preferred provider option service benefit plan, described in and offered under section 8903(1) of title 5.

(2) State employee coverage

A health benefits coverage plan that is offered and generally available to State employees in the State involved.

(3) Coverage offered through HMO

The health insurance coverage plan that -

(A) is offered by a health maintenance organization (as defined in section 2791(b) (3) of the Public Health Service Act (42 U.S.C. 300gg-91(b) (3))), and

(B) has the largest insured commercial, non-medicaid enrollment of covered lives of such coverage plans offered by such a health maintenance organization in the State involved.

(c) Categories of services; determination of actuarial value of coverage

(1) Categories of basic services

For purposes of this section, the categories of basic services described in this paragraph are as follows:

(A) Inpatient and outpatient hospital services.

(B) Physicians' surgical and medical services.

(C) Laboratory and x-ray services.

(D) Well-baby and well-child care, including age-appropriate immunizations.

For purposes of this section, the categories of additional services described in this paragraph are as follows:

(A) Coverage of prescription drugs.

(B) Mental health services.

(C) Vision services.

(D) Hearing services.

(3) Treatment of other categories

Nothing in this subsection shall be construed as preventing a State child health plan from providing coverage of benefits that are not within a category of services described in paragraph (1) or (2).

(4) Determination of actuarial value

The actuarial value of coverage of benchmark benefit packages, coverage offered under the State child health plan, and coverage of any categories of additional services under benchmark benefit packages and under coverage offered by such a plan, shall be set forth in an actuarial opinion in an actuarial report that has been prepared -

(A) by an individual who is a member of the American Academy of Actuaries;

(B) using generally accepted actuarial principles and methodologies;

(C) using a standardized set of utilization and price factors;

(D) using a standardized population that is representative of privately insured children of the age of children who are expected to be covered under the State child health plan;

(E) applying the same principles and factors in comparing the value of different coverage (or categories of services);

(F) without taking into account any differences in coverage based on the method of delivery or means of cost control or utilization used; and

(G) taking into account the ability of a State to reduce benefits by taking into account the increase in actuarial value of benefits coverage offered under the State child health plan that results from the limitations on cost sharing under such coverage.

The actuary preparing the opinion shall select and specify in the memorandum the standardized set and population to be used under subparagraphs (C) and (D).

(5) Construction on prohibited coverage

Nothing in this section shall be construed as requiring any health benefits coverage offered under the plan to provide coverage for items or services for which payment is prohibited under this subchapter, notwithstanding that any benchmark benefit package includes coverage for such an item or service.

(d) Description of existing comprehensive State-based coverage

(1) In general

A program described in this paragraph is a child health coverage program that -

(A) includes coverage of a range of benefits;

(B) is administered or overseen by the State and receives funds from the State;

(C) is offered in New York, Florida, or Pennsylvania; and

(D) was offered as of August 5, 1997.

(2) Modifications

A State may modify a program described in paragraph (1) from time to time so long as it continues to meet the requirement of subparagraph (A) and does not reduce the actuarial value of the coverage under the program below the lower of -

(A) the actuarial value of the coverage under the program as of August 5, 1997, or

- (B) the actuarial value described in subsection (a) (2) (B) of this section,  
evaluated as of the time of the modification.
- (e) Cost-sharing
- (1) Description; general conditions
- (A) Description
- A State child health plan shall include a description, consistent with this subsection, of the amount (if any) of premiums, deductibles, coinsurance, and other cost sharing imposed. Any such charges shall be imposed pursuant to a public schedule.
- (B) Protection for lower income children
- The State child health plan may only vary premiums, deductibles, coinsurance, and other cost sharing based on the family income of targeted low-income children in a manner that does not favor children from families with higher income over children from families with lower income.
- (2) No cost sharing on benefits for preventive services
- The State child health plan may not impose deductibles, coinsurance, or other cost sharing with respect to benefits for services within the category of services described in subsection (c) (1) (D) of this section.
- (3) Limitations on premiums and cost-sharing
- (A) Children in families with income below 150 percent of poverty line
- In the case of a targeted low-income child whose family income is at or below 150 percent of the poverty line, the State child health plan may not impose -
- (i) an enrollment fee, premium, or similar charge that exceeds the maximum monthly charge permitted consistent with standards established to carry out section 1396o(b) (1) of this title (with respect to individuals described in such section); and
- (ii) a deductible, cost sharing, or similar charge that exceeds an amount that is nominal (as determined consistent with regulations referred to in section 1396o(a) (3) of this title, with such appropriate adjustment for inflation or other reasons as the Secretary determines to be reasonable).
- (B) Other children
- For children not described in subparagraph (A), subject to paragraphs (1) (B) and (2), any premiums, deductibles, cost sharing or similar charges imposed under the State child health plan may be imposed on a sliding scale related to income, except that the total annual aggregate cost-sharing with respect to all targeted low-income children in a family under this subchapter may not exceed 5 percent of such family's income for the year involved.
- (4) Relation to medicaid requirements
- Nothing in this subsection shall be construed as affecting the rules relating to the use of enrollment fees, premiums, deductions, cost sharing, and similar charges in the case of targeted low-income children who are provided child health assistance in the form of coverage under a medicaid program under section 1397aa(a) (2) of this title.
- (f) Application of certain requirements
- (1) Restriction on application of preexisting condition exclusions

(A) In general

Subject to subparagraph (B), the State child health plan shall not permit the imposition of any preexisting condition exclusion for covered benefits under the plan.

(B) Group health plans and group health insurance coverage

If the State child health plan provides for benefits through payment for, or a contract with, a group health plan or group health insurance coverage, the plan may permit the imposition of a preexisting condition exclusion but only insofar as it is permitted under the applicable provisions of part 7 of subtitle B of title I of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1181 et seq.) and title XXVII of the Public Health Service Act (42 U.S.C. 300gg et seq.).

(2) Compliance with other requirements

Coverage offered under this section shall comply with the requirements of subpart 2 of part A of title XXVII of the Public Health Service Act (42 U.S.C. 300gg-4 et seq.) insofar as such requirements apply with respect to a health insurance issuer that offers group health insurance coverage.

Subject to paragraph (4), of the amount available for allotment under subsection (a) of this section for a fiscal year, reduced by the amount of allotments made under subsection (c) of this section (determined without regard to paragraph (4) thereof) for the fiscal year, the Secretary shall allot to each State (other than a State described in such subsection) with a State child health plan approved under this subchapter the same proportion as the ratio of -

(A) the product of (i) the number of children described in paragraph (2) for the State for the fiscal year and (ii) the State cost factor for that State (established under paragraph (3)); to

(B) the sum of the products computed under subparagraph (A).

(2) Number of children

(A) In general

The number of children described in this paragraph for a State for -

(i) each of fiscal years 1998 and 1999 is equal to the number of low-income children in the State with no health insurance coverage for the fiscal year;

(ii) fiscal year 2000 is equal to -

(I) 75 percent of the number of low-income children in the State for the fiscal year with no health insurance coverage, plus

(II) 25 percent of the number of low-income children in the State for the fiscal year; and

(iii) each succeeding fiscal year is equal to -

(I) 50 percent of the number of low-income children in the State for the fiscal year with no health insurance coverage, plus

For purposes of subparagraph (A), a determination of the number of low-income children (and of such children who have no health insurance coverage) for a State for a fiscal year shall be made on the basis of the arithmetic average of the number of such children, as reported and defined in the 3 most recent March supplements to the Current Population Survey of the

A ceiling of 145 percent of the proportion for the State for fiscal year 1999.

(B) Reconciliation

(i) Elimination of any deficit by establishing a percentage increase ceiling for States with highest annual percentage increases

To the extent that the application of subparagraph (A) would result in the sum of the proportions of the allotments for all subsection (b) States exceeding 1.0, the Secretary shall establish a maximum percentage increase in such proportions for all subsection (b) States for the fiscal year in a manner so that such sum equals 1.0.

(ii) Allocation of surplus through pro rata increase

To the extent that the application of subparagraph (A) would result in the sum of the proportions of the allotments

for all subsection (b) States being less than 1.0, the proportions of such allotments (as computed before the application of floors under clauses (i), (ii), and (iii) of subparagraph (A)) for all subsection (b) States shall be increased in a pro rata manner (but not to exceed the ceiling established under subparagraph (A)(iv)) so that (after the application of such floors and ceiling) such sum equals 1.0.

Sec. 1397ee. Payments to States

-STATUTE-

(a) Payments

(1) In general

Subject to the succeeding provisions of this section, the Secretary shall pay to each State with a plan approved under this subchapter, from its allotment under section 1397dd of this title, an amount for each quarter equal to the enhanced FMAP (or, in the case of expenditures described in subparagraph (B), the Federal medical assistance percentage (as defined in the first sentence of section 1396d(b) of this title)) of expenditures in the quarter -

(A) for child health assistance under the plan for targeted low-income children in the form of providing medical assistance for which payment is made on the basis of an enhanced FMAP under the fourth sentence of section 1396d(b) of this title;

(B) for the provision of medical assistance on behalf of a child during a presumptive eligibility period under section 1396r-1a of this title;

(C) for child health assistance under the plan for targeted low-income children in the form of providing health benefits coverage that meets the requirements of section 1397cc of this title; and

(D) only to the extent permitted consistent with subsection (c) of this section -

(i) for payment for other child health assistance for targeted low-income children;

(ii) for expenditures for health services initiatives under the plan for improving the health of children (including targeted low-income children and other low-income children);

(iii) for expenditures for outreach activities as provided in section 1397bb(c) (1) of this title under the plan; and

(iv) for other reasonable costs incurred by the State to administer the plan.

(2) Order of payments

Payments under paragraph (1) from a State's allotment shall be made in the following order:

(A) First, for expenditures for items described in paragraph (1) (A).

(B) Second, for expenditures for items described in paragraph (1) (B).

(C) Third, for expenditures for items described in paragraph (1) (C).

(D) Fourth, for expenditures for items described in paragraph (1) (D).

(b) Enhanced FMAP

For purposes of subsection (a) of this section, the "enhanced FMAP", for a State for a fiscal year, is equal to the Federal medical assistance percentage (as defined in the first sentence of section 1396d(b) of this title) for the State increased by a number of percentage points equal to 30 percent of the number of percentage points by which (1) such Federal medical assistance percentage for the State, is less than (2) 100 percent; but in no case shall the enhanced FMAP for a State exceed 85 percent.

(c) Limitation on certain payments for certain expenditures

(1) General limitations

Funds provided to a State under this subchapter shall only be used to carry out the purposes of this subchapter (as described in section 1397aa of this title), and any health insurance coverage provided with such funds may include coverage of

abortion only if necessary to save the life of the mother or if the pregnancy is the result of an act of rape or incest.

(2) Limitation on expenditures not used for medicaid or health insurance assistance

(A) In general

Except as provided in this paragraph, the amount of payment that may be made under subsection (a) of this section for a fiscal year for expenditures for items described in paragraph (1)(D) of such subsection shall not exceed 10 percent of the total amount of expenditures for which payment is made under subparagraphs (A), (C), and (D) of paragraph (1) of such subsection.

(B) Waiver authorized for cost-effective alternative

The limitation under subparagraph (A) on expenditures for items described in subsection (a)(1)(D) of this section shall not apply to the extent that a State establishes to the satisfaction of the Secretary that -

(i) coverage provided to targeted low-income children through such expenditures meets the requirements of section 1397cc of this title;

(ii) the cost of such coverage is not greater, on an average per child basis, than the cost of coverage that would otherwise be provided under section 1397cc of this title; and

(iii) such coverage is provided through the use of a community-based health delivery system, such as through contracts with health centers receiving funds under section 254b of this title or with hospitals such as those that receive disproportionate share payment adjustments under section 1395ww(d)(5)(F) or 1396r-4 of this title.

(3) Waiver for purchase of family coverage

Payment may be made to a State under subsection (a)(1) of this section for the purchase of family coverage under a group health plan or health insurance coverage that includes coverage of targeted low-income children only if the State establishes to the satisfaction of the Secretary that -

(A) purchase of such coverage is cost-effective relative to the amounts that the State would have paid to obtain comparable coverage only of the targeted low-income children involved, and

(B) such coverage shall not be provided if it would otherwise substitute for health insurance coverage that would be provided to such children but for the purchase of family coverage.

(4) Use of non-Federal funds for State matching requirement

Amounts provided by the Federal Government, or services assisted or subsidized to any significant extent by the Federal Government, may not be included in determining the amount of non-Federal contributions required under subsection (a) of this section.

(5) Offset of receipts attributable to premiums and other cost-sharing

For purposes of subsection (a) of this section, the amount of the expenditures under the plan shall be reduced by the amount of any premiums and other cost-sharing received by the State.

(6) Prevention of duplicative payments

(A) Other health plans

No payment shall be made to a State under this section for expenditures for child health assistance provided for a targeted low-income child under its plan to the extent that a

private insurer (as defined by the Secretary by regulation and including a group health plan (as defined in section 1167(1) of title 29), a service benefit plan, and a health maintenance organization) would have been obligated to provide such assistance but for a provision of its insurance contract which has the effect of limiting or excluding such obligation because the individual is eligible for or is provided child health assistance under the plan.

(B) Other Federal governmental programs

Except as provided in subparagraph (A) or (B) of subsection (a)(1) of this section or any other provision of law, no payment shall be made to a State under this section for expenditures for child health assistance provided for a targeted low-income child under its plan to the extent that payment has been made or can reasonably be expected to be made promptly (as determined in accordance with regulations) under any other federally operated or financed health care insurance program, other than an insurance program operated or financed by the Indian Health Service, as identified by the Secretary. For purposes of this paragraph, rules similar to the rules for overpayments under section 1396b(d)(2) of this title shall apply.

(7) Limitation on payment for abortions

(A) In general

Payment shall not be made to a State under this section for any amount expended under the State plan to pay for any abortion or to assist in the purchase, in whole or in part, of health benefit coverage that includes coverage of abortion.

(B) Exception

Subparagraph (A) shall not apply to an abortion only if necessary to save the life of the mother or if the pregnancy is the result of an act of rape or incest.

(C) Rule of construction

Nothing in this section shall be construed as affecting the expenditure by a State, locality, or private person or entity of State, local, or private funds (other than funds expended under the State plan) for any abortion or for health benefits coverage that includes coverage of abortion.

(d) Maintenance of effort

(1) In medicaid eligibility standards

No payment may be made under subsection (a) of this section with respect to child health assistance provided under a State child health plan if the State adopts income and resource standards and methodologies for purposes of determining a child's eligibility for medical assistance under the State plan under subchapter XIX of this chapter that are more restrictive than those applied as of June 1, 1997.

(2) In amounts of payment expended for certain State-funded health insurance programs for children

(A) In general

The amount of the allotment for a State in a fiscal year (beginning with fiscal year 1999) shall be reduced by the amount by which -

(i) the total of the State children's health insurance expenditures in the preceding fiscal year, is less than

(ii) the total of such expenditures in fiscal year 1996.

(B) State children's health insurance expenditures

The term ''State children's health insurance expenditures'' means the following:

- (i) The State share of expenditures under this subchapter.
- (ii) The State share of expenditures under subchapter XIX of this chapter that are attributable to an enhanced FMAP under the fourth sentence of section 1396d(b) of this title.
- (iii) State expenditures under health benefits coverage under an existing comprehensive State-based program, described in section 1397cc(d) of this title.
- (e) Advance payment; retrospective adjustment

The Secretary may make payments under this section for each quarter on the basis of advance estimates of expenditures submitted by the State and such other investigation as the Secretary may find necessary, and may reduce or increase the payments as necessary to adjust for any overpayment or underpayment for prior quarters.

- (f) Flexibility in submittal of claims

Nothing in this section or subsections (e) and (f) of section 1397dd of this title shall be construed as preventing a State from claiming as expenditures in the quarter expenditures that were incurred in a previous quarter.
